Pressure of The Sea.

There are spots in the ocean where the water is five miles deep. If it is true that the pressure of the water on any body in the water is one pound to the square inch for every two feet of the depth anything at the bottom of one of the "five mile holes" would have a pressure about it of 13,200 feet to every square inch. There is nothing of human manufacture that would resist such a pressure. That it exists there is no doubt. It is known that the pressure on a well-corked glass bottle at the depth of three hundred feet is so great that the water will force its way through the pores of the glass.

As I have been thrown in the second race for County Supervisor I adopt this method to thank my friends in the highest terms for so liberally supporting me in first primary trusting they will continue to stand by me in the second race. I will say to those who unfortunately lost their votes in the men of their choice, if they can, or as many as will, give me their suffrage, I will appreciate it very highly and if elected will endeavor to conduct myself in such a manner they will not regret having done so.

Mr. A. C. Thomas, of Marysville, Tex., has found a more valuable discovery than has yet been made in the Klondike. For years he suffered untold agony from consumption, accompanied by hemorrhages, and was absolutely cured by Dr. King's New Discovery for Consumption, Coughs and Colds. He declares that gold is of little value in comparison with this marvelous cure; would have it even if it cost a hundred dollars a bottle. Asthma, Bronchitis and all throat and lung affections are positively cured by Dr. King's New Discovery for Consumption. Trial bottles free at Dr. F. Leslie Zemp's Drug Store. Regular size 50c and \$1.00. Guaranteed to cure or price refunded.

W. H. PALMER,
WATERLOO, IOWA.
"Saved From the Horrors of Nervous Prostration" by Dr. Miles' Nervine.
A COUGH does not always indicate consumption. Mr. W. H. Palmer, of Waterloo, Iowa, writes: "I was taken with a nervous structure of the bronchial tubes, which developed into nervous prostration. I was so weak I could not sit up. I got no sleep for days except when under the influence of opiates. For four months I suffered agonies and feared that I might die and be at rest. One physician said I had consumption, for I had a cough that gave me no rest." But a good old physician, whose medicine had failed, advised me to use Dr. Miles' Restorative. I used my dose, and lo! I was saved. I am now in the "horror of nervous prostration." Dr. Miles' Restorative is sold by all druggists under a positive guarantee, that bottles bought of any retailer, if not used, or if they do not give relief, will be returned to the manufacturer at once, and the money refunded.
