#### Mr. Finley Elected

In electing Mr. Finley, of Yorkville, to Congress from the 5th district we do not believe the people made any mistake. Mr. Finley is a man of sterling qualities and in him the Fifth Congressional district will have an able representative. For those who did not favor his election we do not believe Mr Finley entertains any ill will or hard feeling. Their interest will be protected as carefully as those who worked for him, and so well will his work have been performed that in the next congressional race we believe there will be none to oppose him.

Ip retiring from Congress Dr. Strait can do so with a clear conscience. He has done his work well and faithfully, and his not being returned to Congress is regretted by many strong friends and supporters.

#### Deaths.

It was with deep regret that we learned on last Monday of the death of little Grady Hilton, son of Mr. and Mrs. J. C. Hilton, of Westville, which occurred about 11 o'clock on last Sunday night. The little fellow was sick only a few days with fever and was about 3 years of age. When we saw him a few days ago well and happy with his loved ones, we little thought then that to-day his little body would be in the cold and silent grave. But He who holds the destinles of worlds in the hollow of his hands knows best, and may those whose hearts are bowed in sorrow by this strange dispensation of Providence feel that their one "is not dead but sleepeth."

"There is no death! The stars go down To rise upon some fairer shore; And bright in Heaven's jeweled crown, They shine forever more .

There is no death! An angel form Walks o'er the earth with silent tread; He bears our best loved ones away, And then we call them dead,"

Died on last Saturday morning about 3 o'clock in the Buffalo section of this county Mrs. Amelia Bowers, widow of Mr. Thos. Bowers, who was killed in the late war. Mrs. Bowers was about 85 years of age and was the mother of Mr. John I Bowers, of Kershaw.

### Discovered by a Woman.

Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much | (by mail) in Shorthand relieved on taking first dose that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz. Thus writes W. C. Hamnick & Co., of Shelby, N. C. Trial bottles free at F. Leslie Zemp's Drug Store. Regular size 50c and \$1.00. Every bottle guaranteed.

It is said that ever since Rebecca met Jacob at the well, mothers have been taking their marriageable daughters to watering-places.
