The Raleigh correspondent of the Charlotte Observer says: The election in this city was as quiet as was ever held. It only needed the ringing of church bells to make it like Sunday. The vote polled is heavy. There was not the slightest disturbance at the polls. The news received by Chairman Simmons up to 8 o'clock says: Duplin gives a Democratic majority for the whole ticket. In Cumberland three members of the Legislature are Democratic. The whole Democratic ticket is elected in Alamance. There are big Democratic gains in Surry. There are big Democratic gains in Surry. Cleveland has exceeded expectation. New Hanover is Democratic. Bellamy is elected by a safe majority. Duplin gives 800 Democratic majority. Richmond and Sampson are Democratic. The Republicans concede Davidson. The Democrats carry Richmond by 1,000, a Democratic gain of 1,500; Robeson by 800; Wayne, 750; Franklin, 500, and the senatorial ticket is safe there. Harnett is safe by 200. Jule Carr telegraphs:

"We have swept the deck in Durham town and burned the broom—700 Democratic." Union gives 700 majority and Rockingham 400. Reports say that Halifax has gone Democratic. Wilson is conceded to the Democrats by 500, including the Senator. Wayne gives the State ticket 600 majority, and Robeson from 400 to 500. There is a Democratic victory in Granville. There is a big Democratic gain in Craven. The election was quiet there and the senatorial ticket is safe. Rowan gives from 1,000 to 1,200 Democratic majority; Gaston, 400; Rockingham, 400; Union, 700; Sampson county is Democratic.

The Republican State Chairman gave out the news that at Palmyra precinct, Halifax county, Claude Kitchin and Henry White had seized the registration books and defied the poll-holders to hold an election. The Democratic State chairman soon received a report which showed the fact to be that the Republican registrar at Palmyra became angry because he could not vote twice and be chairman of the election board.

The Republicans also gave out a story that Oliver Dockery, Jr., had been rotten-egged and mobbed at Goldsboro and chased into a hotel. The Democrats got the news that Dockery insulted some Democrat at the polls, was slapped in the face and took refuge in a hotel, whence two policemen escorted him to the train.

One of the most interesting telegrams during the day was one from Newbern, saying that Mayor Dennison and all the white aldermen voted the Democratic ticket; that Robert Hancock and Seymour Hancock scratched the negroes on the ticket; that only four white men voted the Republican ticket, and that they were discharged; also that the Democrats may elect the member of the Legislature, as there are three sets of candidates.

Returns from the first congrasional district did not begin to arrive until late. Chairman Simmons is advised of the following democratic majorities there: Beaufort 200, Martin 150, Pitt 250, Greene about 25. Other reports which have come in, give the following Democratic majorities: Wayne 800, Johnston 1,800, Harnett 300, Guilford, 500, Union 1,200, Gaston 550, Halifax 1,800, Vance, 500.

For the State and county ticket, Republican tickets, Forsyth is reported as 350 Republican; Henderson 250 Republican. It seems entirely reasonable to say that Wake will go 500 Democratic. Sampson is said to be close, perhaps democratic, and Robeson at least 1,050.

Major John W. Graham, who is at Republican headquarters, as counsel for Holton, was asked if there were any election suits and said there were no suits or any cases of any kind. Chairman Simmons has news that Catawba is safe by 300, McDowell by 200, Columbus by 300 at least, Bladen safe, Guilford by probably 500, while Edgecombe elects the legislative ticket by an overwhelming majority. Granville gives a Democratic majority on the county ticket and legislature high. [illegible] majority in Cumberland. Cleveland has gone Democratic by 500. Chairman Simmons has news from 60 precincts in the State, our judicial ticket will have 25,000 majority."

General Cox says there was a Democratic gain of 2,300 votes in Edgecombe. There is great pleasure at the news that W. J. Davis is elected Senator from New Hanover and Brunswick and that Buncombe elects two Senators.

THE VOTE BY COUNTIES.

Buncombe.

Returns from all the precincts in Buncombe county are not in, but the indications point to the election of the entire Democratic ticket. Chairman Murphy claims the county by 400. In Asheville, the Democratic majority is expected to be about 200. The Republican majority in the first and second (colored) precincts is cut down about 25 each. It is believed that the Democratic senatorial ticket is elected, though there are no official figures. Stevens, Democratic candidate for judge of the Criminal Court, will probably be elected over Blythe, Republican.

Crawford Elected in Buncombe.

Crawford's majority in Asheville is 167. Two years ago Pearson carried the city by 149. In Hazel precinct, Pearson's home, Crawford's majority was 5; two years ago Pearson carried it by 7. Crawford's majority in the county is estimated at about 300, which would mean a gain of 624 over the last election. Reports from precincts in other counties show Democratic gains on the congressional ticket and the Democrats predict Crawford's election. Craig, for the House of Representatives, carried the city by over 300. Limestone township, 75 Republican two years ago, gives 22 Democratic majority.

Wilson.

Eight precincts give the Democrats 549 majority. The remaining four will run this majority to over 600. The vote for congressional candidates was a little scattered. Fountain, independent Populist, was supported by the Democrats generally. His majority in the county may reach 400. The judicial ticket ran ahead of the county vote. The majority for those candidates may reach 650. Wilson town gives a majority of 477 Democratic. Conner, Democrat, for the House of Representatives, was elected by 500 majority. The fusion county chairman has conceded the county by 500 majority. All precincts heard from. A Democratic majority of 500 is assured.

Forsyth.

Winston and Salem will give a Democratic majority of 500—not more than 250 each. Two years ago Winston went Republican by 258. The county gave a Republican majority of ovee 1,100. It will not be over 300 this time. This insures the election of the Democratic candidates for State Senators in this senatorial election. The election was very quiet, with the exception of two fights in the morning. In the afternoon the colored men in one ward got together and fired pistols at the white men who were at the polls. The latter fired several times and the negroes left in quick order.

Wayne.

The statement is authorized by the chairman of the Democratic county executive committee that Wayne gives not less than 600 majority, a Democratic gain of 700. This has been the quietest election in years, except for one incident. Oliver H. Dockery, Jr., fusion candidate for solicitor, who came down from Raleigh, went to Webbville, a suburban precinct of Goldsboro. The Democrats protested against his presence with the negroes, and the result was that Dockery's jaws were slapped. Dockery, returning to Goldsboro, took the train for Raleigh. Goldsboro and Wayne county overwhelmingly Democratic. The senatorial district is safe.

Rowan.

Rowan gives a Democratic majority of about 1,400, a gain of nearly 100 per cent. in all the country precincts. Klutts's majority in this district will be over 4,000. Glenn and Thomas, the senatorial nominees, will be elected by more than 7,000 majority. Wiley Rush, Democratic candidate for solicitor, has a safe majority in the judicial district.

Union.

Union has given Democratic [illegible] majority of 500. The Democrats [illegible] majority. [illegible] Democratic majority. [illegible] Democratic majority. [illegible] Democratic
