Attention Veterans.

The U. C. V's of Camp Richard Kirkland No. 704, is requested to meet at the Court House in Camden on Saturday, the 25th day of Feb. inst., at 11 o'clock a. m. A full attendance is earnestly desired as business of importance will be brought before the meeting on that day.

More Bargains.

The trading public should never give the firm of Hirsch Bros. & Co. out. They always have some big bargains for them. This time they have the bankrupt stock of the Dnecker & Bullman Co. of Sumter, which failed a short time ago. The stock consists of fine dress goods, ladies' shoes and slippers, men's and children's clothing, etc. There is nothing wrong with these goods as the Dnecker & Bullman Co. was one of the best in the city of Sumter and carried nothing but good goods. You can get these goods at less than original cost. See their new advertisement and call and see the goods—the prices speak for themselves.

Death.

The little five year old son of Mr. and Mrs. Landy Stewart died on last Monday of membranous croup. He was a bright little boy, the only child, and was the idol of the home. The burial took place on Tuesday morning.

Mrs. Zilphia Watkins, of Camden, died on the 12th inst. Mrs. Watkins was a consistent member of the Methodist church and was said to be nearly one hundred years old.

The funeral of Mr. Edward R. Arant, brother of Mr. Frank Arant, of our county, took place at the Baptist Church on last Wednesday. Mr. Arant's death occurred in Indian Territory where he had been living for several years.

The Deadly Grip.

Is again abroad in the land. The air you breathe may be full of its fatal germs! Don't neglect the "Grip" or you will open the door to Pneumonia and Consumption and invite death. Its sure signs are chills with fever, headache, dull heavy pains, mucous discharges from the nose, sore throat and never-let-go cough. Don't waste precious time treating this cough with troches, tablets, or poor, cheap syrups. Cure it at once with Dr. King's New Discovery, the infallible remedy for bronchial troubles. It kills the disease germs, heals the lungs and prevents the dreaded after effects from the "malady." Price 50 cts. and \$1.00. Money back if not cured. A trial bottle free at Francis L. Zemp's Drug Store.

How Mr. Wanamaker Made His Fortune.

A business man of Philadelphia told me the other day that Mr. Wanamaker's profits from his Philadelphia store last year were over \$1,750,000, and that those from his New York store would run close to that figure. The Saturday before Christmas the receipts in New York were even greater than those in Philadelphia and exceeded \$500,000. The New York store paid a profit from the very day that it was opened, although two firms which occupied the establishment since A. T. Stewart's death have failed. The reason of Mr. Wanamaker's great success, both in New York and Philadelphia, is his skillful and successful advertising. It has been his rule to confine his advertising to newspapers and magazines, on which he has spent annually more than \$300,000 in Philadelphia. The advertising bill of his New York establishment exceeded even that sum last year.—Ex.

The Ravages of Grip.

That modern scourge, the Grip, poisons the air with its fatal germs, so that no home is safe from its ravages, but multitudes have found a sure protection against the dangerous malady in Dr. King's New Discovery. When you feel a soreness in your bones and muscles, have chills and fever, with sore throat, pain in the back of the head, catarrhal symptoms and a stubborn cough you may know you have the grip, and that you need Dr. King's New Discovery. It will promptly cure the worst cough, heal the inflamed membrane, kill the disease germs and prevent the dreaded after effects of the malady. Price 50 cts. and \$1.00. Money back if not cured. A trial bottle free at Francis L. Zemp's Drug Store.

Adjournment of the Legislature.

The legislature adjourned on last Tuesday, the 21st. Our delegation did faithful and conscientious work of which we may have something to say later on. On account of a very sick child Mr. Richards was called home on Monday. Mr. Winkler returned on Wednesday night. Mr. Hay being upon the penitentiary investigation committee was detained a day or two in Columbia.

Personal.

Mr. J. D. McDowell, who has been spending several months in Georgia, is on a visit of a few days here now. Mayor Zemp and Dr. Jno. W. Corbett spent last Tuesday night in Columbia. Mr. E. C. Zemp was in Columbia on Wednesday.

He Was Explicit.

An ex-soldier who had lost a leg in the war and was tired waiting for his pension wrote to headquarters at Washington:

"El you want send me my pension, won't you please send me a wooden leg, so's I kin git about? The leg I lost wuz a bowling on the left side an had three corners on the three little toes. So, now, you can't go wrong in making a new one."—Ex.

Preaching at High Hill.

Mr. Editor:—Please allow me space in your columns to announce that there will be a three days meeting at High Hill about 15 miles east of Camden of the Church of Christ better known as the True Light Church, commencing Friday before the 4th Sunday in this month (Feb.) Meeting to be conducted D. C. Jenkins, of N. C., and other brethren from a distance. The public generally is invited.

Respectfully,

R. A. Reynolds.

Grip's Ravages Doomed.

So much misery and so many deaths have been caused by the Grip that every one should know what a wonderful remedy for this malady is found in Dr. King's New Discovery that distressing stubborn cough, that inflames your throat, robs you of sleep, weakens your system and saves the way for Consumption is quickly stopped by this marvelous cure. If you have chills and fever, pain in the back of the head, soreness in bones and muscles, sore throat and that cough that grips your throat like a vice, you need Dr. King's New Discovery to cure your Grip, and prevent Pneumonia or Consumption. Price 50 cts and \$1. Money back if not cured. A trial bottle free at Francis L. Zemp's Drug Store.

From Our Correspondents.

Okolona.

We have no marriages to report at present, but we think we will have some pretty ones from the way two young folks are riding around in their double buggy.

It is with regret that we chronicle the death of Mrs. Nilly Watkins who departed this life a few days ago.

Mrs. Wm. Thompson who has been very ill, we are glad to report is improving under the skillful treatment of Dr. B. L. Norwood.

Spur up Plow Boy! it is time your plows were running and making your 34 ct cotton.

Gen. White gave us a call a few days ago and has not finally departed yet. We guess a good many will be glad to see his departure.

We will close with best wishes to The Chronicle and its many readers. Appie.

Lynchwood.

Mr. Editor:—We have been having some of the coldest weather that we have ever experienced. We have not heard of any one freezing to death, though there was some fatalities among stock. Mr. J. A. McCaskill lost all his sheep. Mr. B. K. Yarborough lost several head.

Mrs. Lois McCaskill one of our sweet young ladies is visiting relatives at Abney.

Mr. Judson (lyburn, of Ashland, Darlington county, and Miss Maggie McKinnon, of this vicinity were united in the holy bonds of matrimony on the 9th inst. at the residence of the bride's mother, Rev. Mr. Peterson, officiating. We join the host of friends and relatives in wishing the happy young couple a long life of peace, happiness and prosperity.

(If your memory serves us right there will be another wedding in this burg ere this reaches the public print.)

It is with sincere regret that we learn of the sad death of Mr. Thos. G. West, which sad event occurred at Rockingham, N. C., on the 7th inst. Mr. West was a native of this county and has a host of friends and relatives, who mourn his loss. Truly a good man has gone from us; he was loved and respected by all who knew him. He was a confederate soldier, a good citizen and christian gentleman. He has left the church militant and gone to the church triumphant.

"Asleep in Jesus, blessed sleep, 'Till while some ever awake to weep."

With kind regards to all, I close.

Motherhood

THIS event in the life of a woman is looked forward to with a feeling akin to horror—not because the little one is not welcome, but because the mother dreads the direful consequences to herself. Those long hours of agonizing labor stand out before her like a hideous nightmare. An improper delivery, followed by child-bed fever, may end the scene in a few short days, leaving the little one motherless. But there is another side to the picture. If women who are expecting to become mothers will commence the use of the great female tonic,

GERSTLE'S FEMALE PANACEA,

regularly as directed a few weeks before confinement, and continue its use until the organs are restored to their normal condition, the hours of labor will be shortened, the pain lessened, and recovery complete. If there is any constiveness, move the bowels gently with mild doses of St. Joseph's Liver Regulator.
