Youngest Confederate Veteran. The Sanitar correspondent to the News & Courier writes: "Mr. John C. Parrell, of Mechanicsville, this county, died suddenly on Monday, aged 51 years. He was probably the youngest Confederate Veteran in this county. He entered the army when only 15 years old and his 14th birthday was spent in a battle in Virginia."

Carnival and Street Fair for Camden. A called meeting of the citizens of Camden was held in the opera house Tuesday afternoon to consider the proposition made by the Seaboard Air Line Railroad company for a carnival and street fair to be held in Camden in the fall. It was decided to go into it, and the time was fixed for Sept. 11, 12 and 13. The carnival will be under the auspices of the industrial department of the S. A. L. After the carnival is over, the S. A. L. will take the exhibits on a special car and exhibit them in the important cities of the north and east. The object of the enterprise is to advertise the resources of Camden. Quite a good amount was contributed by some of the citizens towards the expenses of the undertaking. Committees were appointed to work up the scheme, and it bids fair to be very successful.

A "Congressional" Family.

The following article is from the New York Evening Post, and the gentlemen mentioned therein are uncles of the young lady whom Mr. Donald M. Alexander, son of Dr. I. H. Alexander, of our town, married a few days ago.

"It is a rare thing to see two brothers in congress at the same time from the same State, whose father preceded them in the same body. And yet that will be the result of the nomination of Cleo Kitchen, whom the Democrats of the second district of North Carolina on last Saturday named as their candidate for congress."

The new nominee, who is but 30 years of age is a brother of Congressman W. W. Kitchen of this 6th district of this State, now serving his second term, and who will unquestionably be re-elected to another term this year.

The father of these two young men, the Hon. W. H. Kitchen, a few years ago represented the same district (second) his younger son has now been called upon to represent. He is now living in another district, however, and had he not temporarily abandoned the Democratic party two or three years ago, in choosing the Populist Union, he would stand a good chance of going back to congress himself, being well back in the Democratic party now.

The second district is the one which of and on has been sending the "only negro congressman" to Washington for the last 25 years, the present representative being a mulatto named White. The elder Kitchen, State Chairman Simmons, said another Democrat or two have managed to slip in from that district occasionally through legislative discussions—when two negro nominees would be nominated by the opposing factions.

The December session of the present congress will probably witness the last negro member of that body unless some northern or western State elects one. For many years there has been but one colored man in the house. Sometimes it was Small or Miller from South Carolina, and then Cheatham or White from North Carolina. It was seldom that a negro has appeared in the house from both States in the same congress, during the last 10 or a dozen years, at least. Several years ago the South Carolina district which had been electing a negro "went out of business," so far as the black man was concerned, and now the second North Carolina district is to follow suit.

The adoption of the pending suffrage amendment to the State constitution, to be voted on in August, will render the election of a negro to congress impossible in this State thereafter—and this result will be due to nothing more largely than to the inflammatory race utterances of the present negro congressman, George White, on the stump in recent campaigns in this State, especially during the last campaign. This fact is recognized by Republicans.

Camden vs. Yorkville. Camden Boys Defeated by a Professional Team.—Score 14 to 1.

On last Wednesday the Camden baseball team left on schedule time for Yorkville to engage in a game of ball with whom they thought would be boys, but later learned that a professional team had been engaged to meet them. By wild throwing Yorkville was given 4 runs on their first inning, Camden took the stick only to be shut out, and so it went all through the game.

On reaching Yorkville the boys were hurried to the park, and the moment they saw the "professional" team they lost all hope, but Camden's grit would not be downed, and so they did better than was expected. Williams and Ammons "the babies" comparatively speaking, did excellent work and Smith, as usual did his duty to perfection. Phelps made two beautiful catches in center field. Barfield on 1b. played an errorless game.

Score by innings: York 10 0 0 3 1 2 8—41 Camden 0 0 0 0 0 1 0 0—1 Batteries—Bankston and McDowell, Williams, Ammons and Smith. Ammons has the honor of making the only score, also of striking out one of York's finest batsmen, who has not been struck out this year.

CAMDEN VS. COLUMBIA. A match game of base ball was played yesterday between the Midlets of Columbia, and the Camden Juniors—score 33 to 8 in Camden's favor.

Marriage.

Miss Rosa Canty, one of Camden's most attractive and talented young ladies and Mr. A. R. Heyward, a popular and rising young business man who now holds a position as cashier of one of the banks of Columbia, were married at Grace Episcopal church on Tuesday last. The bride is a daughter of Col. E. B. Canty.
