May morning. Again off to your left can b een the towns Malabon also the spires and steeples of the churche in Manila appear to view. Prett soon our good ship rides at anche in front of the city about a mil from shore. In-a few moments vo may notice a Launch with a vellofunnel approaching, that is th Dector's or Quariotine officers, a it is necessary for all shins to hava clean bill of health before en trance to the city is allowed the passengers. Following close on the beels of the quarintine officers comes the 'Custom House people. As soon as you can get your haggage together, which occupies only a short time unless you have severa: 'fimine tourist" with Saratogo trunks, you disembark on a small launch, very easily in case the weather is calm and the water smooth, but the chances are that you will have to swing to the gang-way, suspended, between the 'D--- | and the deep sea" (pardon the expression) till a succeeding wave brings the launch within reach. A few minutes ride and you come to the mouth of the Pasig River, whose whirling curneath its murky surface. On the left bank stands the Light House; opposite on the right is "Ellis Farmers are requested to bring in Island" or detention pen of Manila, their big pumpkins, etc., and compete for prizes, on the 4th of Nov. at the in case their papers are all right. if not they are returned to China. Next appear the grim walls of We want to be among the first Fort Santiago, where mene a pro-We will soon land now in front

of the Warehouses, of the U.S. Quarter Master Department There it is interesting on account of the variety (which is said to be boats means to them. It is coming the spice of life) of all that is gothough. The day is not far dis- ing on, and a revelation because it mous traffic is carried on, even when times are said to be dull. On the river there is an eyerlasting stream of caseoes, lighters, bancas, bill for introduction in the coming steam launches and steamers of all session of the legislature, provid- descriptions passing up and down. What a fleet of steamers of all descriptions From the smallest coaster to the ocean-going yessel some with lines elegant enough for any private yacht, others of a more clumsy pattern, and a few old side wheelers to complete the picture. All seem to be busy, and best of ail most of them are flying the American flag. In the port of Mamia Ladi. He fought many other battles can be seen as fine a line of interisland hoats and sea-going steamers, in the Orient.

some extent that there is no wharf, here the unloading of cascoes wharf, here the unloading of caseoes peace. Sometime after this, he return-and barges, there others loading, ed to France. The French Go erament of the county insists that Here a train is disgorging its was speaking of invading England and freight, elsewhere they are piling wanted Bonapart to lead the armies, but he knew how rash it would be to attempt to be knew how rash it would be to attempt boxes, baga and cases on the waitboxes, bugs and cases on the wait-ing cars. Chines coolies, with the stead of that, they would conquer the perspiration flowing from every eastern countries; so he was allowed to their "pingos" (short poles) that it battle of the Pyramids against the Mameis astonishing that they do not lukes, in which the French were combecome exhausted. But they seem pletely successful. He lost and won to never tire.

Caraboa carts are getting in each Caraboa carts are getting in each of victories, he returned to France in others way, even at their snail's triumph. He narrowly escaped assassipace. There is the crush of carretons, carts, quilez and carramatas, each driver shouting and trying to get ahead of the other. In a little nook several pickaninies are "tossing coins" till the approach of a down. They made the Duke of Wel-Metropolitian "cop," who is defely twirling his "billie" only surpassed nowh ad to hold France where it was or by a fastidious drum-major when let it fall He made his brother Joseph swinging his "baton" on diese parade. It is all an animated scene, and well worth getting cinders and dust in your eyes to see

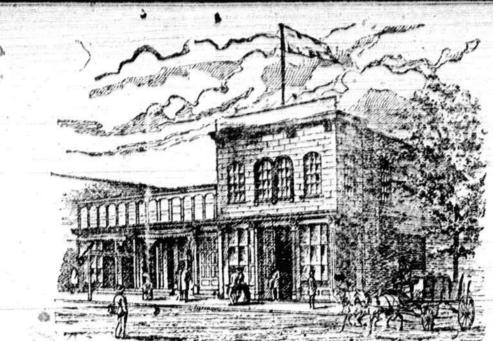

Click-click-click go the telegraph instrument, as you pass the Captain of the Ports. Next comes the bustle and husile around the Custom House. Inspectors in shirtprimary. The negroes were not in- sleeves searching the baggage of fluenced to pay by this provision some passenger, who has recently If it was not for Marshal Ney, his army either, because they had come to strived. Sounds of the hammer tearing open boxes and cases in the warehouses; the little railway with them to vote in the general election. its minature engine and cars loaded even if they had all the necessary with freight, deposited on them by large swinging cranes, everything and everywhere teeming with life A million dollars is now being expended in deepening the harbor and milding docks, so as the ships osn ing it a misdemeanor not to pay ome up stong side, which when completed, will place Manila port poll tax and prescribing penalties on a footing with any in the East.

To be continued.

Graded School.

SOME GREAT GENERALS. Napoleon Bonspart was undoubtedly greatest general of his time. He was born in the Island of Corsica at the town f Ajaccio, on the 15th of August, 1769. From childhood he was very hot-tentpered and ruled his older brother Joseph a many quarrets. While he was a boy ne favored the idea of being a soldier. He attended the military school at Brienne in Franço and then joined the French army, where he quickly rose from one rank to another. At an early age he was an officer in the artiflery and showed such skill that he was made higadier general. He went through the French Revolution of 1793 and was soon called about a such skill that he was made higadier general. He went through the French Revolution of 1793 and was soon called about 1894 was interior to involved in a were sight the Austrians and involved in a were sight the Austrians and the life army was inferior to
