

Many Persons Have Catarrh of Kidneys, Or Catarrh of Bladder and Don't Know It.

President Newhof and War Correspondent Richards Were Promptly Cured by Pe-ru-na.

Mr. C. B. Newhof, 609 E. Delaware street, Albany, N. Y., President Montauk Club, writes: "Since my advanced age I find that I have been frequently troubled with urinary ailments. The bladder seemed irritated, and my physician said that it was catarrh caused by a protracted cold which could be difficult to overcome on account of my advanced years. I took Peru-na, hardly daring to believe that I would be helped, but I found to my relief that I soon began to mend. The irritation and other troubles and the urinary difficulties passed away. I have enjoyed excellent health ever since the past several months. I enjoy my meals, sleep soundly, and am as well as I was twenty years ago. I give my praise to Peru-na." - C. B. Newhof.

Suffered From Catarrh of Kidneys, Threatened With Nervous Collapse, Cured by Pe-ru-na.

Mr. E. B. Richards, 609 E. Delaware street, Albany, N. Y., War Correspondent, writes: "Exactly six years ago I was ordered to Cuba as staff correspondent of the New York Sun. I was in charge of a Sun Dispatch boat through the Spanish American War. The effect of the tropical climate and the nervous strain showed plainly on my return to the States. Lassitude, depression to the verge of melancholia, and nervousness rendered me practically an invalid. This undesirable condition continued, despite the best of treatment. "Finally a brother newspaper man, who like myself had served in the war, induced me to give a trial trial to Peru-na. I did so. In a short time the lassitude left me, my kidneys resumed a healthy condition, and a complete cure was effected. I cannot too strongly recommend Peru-na to those suffering with kidney trouble. Today I am able to work as hard as at any time in my life, and the experience of a leading insurance company pronounced me an "A" risk."

ready of any benefit to me. I have not had a trace of kidney trouble nor a cold in my system."

In Poor Health Over Four Years, Pe-ru-na Only Remedy of Real Benefit.

Mr. John Nimmo, 25 Eppanott St., Toronto, Ont., a prominent merchant of that city and also a member of the Masonic order, writes: "I have been in poor health generally for over four years. When I finally decided last winter to try a trial of kidney and bladder medicine, I bought a box of Peru-na without getting the usual result. Peru-na is the only remedy which has

Pe-ru-na Contains No Narcotics.

One reason why Peru-na has found permanent relief to so many cases is that it contains no narcotic. It is a purely vegetable remedy. It can be used any length of time without producing a drug habit. Peru-na does not produce temporary relief. It is a permanent remedy. It has had its effect upon the system, and thereby stimulates nature to remove the cause of the trouble. There are a number of other remedies which have been used all over the world, but none have had such a good effect as Peru-na. It is a purely vegetable remedy and contains no drugs or narcotics.

A DISPENSARY OPINION

Board Has No Power to Close a Place After It Has Begun Operations.

The Columbia correspondent of the Charlotte Observer writes his paper as follows: "Just before the meeting of the Legislature, when there was an apparent strong sentiment throughout the State in favor of radical changes in the dispensary law and when it was thought likely the Legislature would make important changes and grant concessions in these changes to the prohibitionists, and dispensary people, the State board of directors, by a vote of two to one, decided to prohibit the little town of Florence, in Orangeburg, which had by contract been granted a license to operate its dispensary since last summer, and passed a resolution closing the dispensary, there the first of January. Chairman Hub Evans, who voted against allowing the community prohibition, had the matter taken up by the Supreme Court on the petition of Dispensary Works, against whom there was complaint as to the manner in which he had been conducting the Florence dispensary. The people of Florence frankly acknowledged that there was no fault to find with Dispensary Works, but they strongly protested against their county board having refused to grant. The Legislature had come and gone without making any change in the dispensary law, and the Supreme Court permanently enjoined the State board from carrying into effect its resolution closing the Florence dispensary on the ground that both the spirit and the substance of the dispensary law forbids the State board closing any dispensary on its opening, and thus fully sustaining Chairman Evans, who contended that the State board had no jurisdiction in such a matter and that dispensary men had closed only under the price act which requires the entire county to act in an election, the county, voting out its dispensary by voting half a mill to enforce prohibition and forfeiting its share in the dispensary school fund, which act the Legislature refused to amend. A movement has started in Oconee to vote out the dispensary, and it is not unlikely that this county will follow the example of Cherokee, which voted out its dispensary under the price act. The church people are leading the movement in Oconee and they are moving with energy and great enthusiasm and zeal.

She was taken to the almshouse and given medical attention, but little hope is given for her recovery.

Mr. Robert G. Strothers, a candidate on the Southern Railway, met with a tragic death in Columbia in the heart of the city yesterday. Mr. Strothers was conductor on an extra freight, just coupling up to leave, when the accident occurred, and the affair happened so quickly that there was no possibility of giving him any assistance, and it is now believed that he was instantly killed.

J. T. Smith, Jr., a prominent young man of Williston and very popular, was foully murdered from ambush Friday night while riding horseback through a small section of wood near his home. His watch is missing and it is thought robbery was the motive. One charge caught him fall in the face, both glancing upward.
