Humpty Dumpty!

The inimitable pantomime "Humpty Dumpty" with George H. Adams in the title role, who will be assisted by a cohort of pretty show girls and beautiful scenic and electric effects, will be at the Opera House on Monday, October 23d. This gorgeous production combines Vaudeville, comic opera, comedy and pantomime, cleverly welded, making an entertainment of most varied and kaleidoscopic grandeur. Among the vaudevillians who will appear are the Valle Eggar, in illustrated songs; Frank Sommers, the refined minstrel entertainer; the famous sketches; Saville Sisters, America's favorite soubrettes; Barry and Martens, musical artists and many others. Among the features will be the grand march of the Amazons, the beautiful "Dance of the Butterflies" and the latest film in moving pictures. The whole is one aggregation, extravagant, fantastic and beautiful. "Humpty Dumpty" is under the able management of Ernest Cooke, late of the Buffalo Bill's Wild West Show, and is pronounced by the critics of the leading metropolitan journals as the very acme of a refined performance. Reserved seats now on sale at F. Leslie Zemp's Drug Store.

A Card of Thanks.

Whereas, Miss Lou Nettles has decided to remove from our city and has therefore, resigned the office of Librarian of the Camden Library Association, and

Whereas, at a meeting of the Board of Directors of the Camden Library Association, held on Tuesday, October 10th, 1905, a Committee was appointed to express to Miss Nettles the regret that is felt by the members of the Association at the severing of her connection with the library;

Now, we, the Committee appointed, beg to say to Miss Nettles that it is with great regret that the Association sees her retire from the position of Librarian, that we are deeply sensible of the value her services have been to us, that we feel that the success of the Library is due in large measure to her personal interest and zealous effort for the institution, and we desire to express our thanks (both personally and for the Association) to her for the willing work she has done for us and for the earnest public spirit which prompted her actions; and we beg to offer to Miss Nettles our most heartfelt good wishes for her welfare and happiness.

Letter to Mr. C. P. DuBose
Dear Sir: If our agent charges you 10 cents more for a gallon of paint than somebody else, don't think he is making more profit; we charge him more; it costs us more. It is all paint, truepaint, and full-measure.

No other paint is all paint, true paint and full-measure, so far as we know. That is wrong. We know some that are pure and full-measure, but weak, thin, too much oil and too little lead-and-zinc; an honest sort weakness; don't know any better, may be.

It amounts to this: so far as we know: and we think we know the whole American trade; there is no other name but Devco that stands for all paint, full-measure, and right proportion. That's why it takes less gallons and wears longer.
Yours truly
F. W. Devco & Co.,
