7,000 Young People Unite In Al Tribute Of Praise

Over seven thousand young men women, representing the entire sunite in paying a wonderful tribut praise to the Ga. Ala. Bus. College con. Ga., which by its thorough ness training, has more than destining capacity, and place their earning capacity, and place their positions of great trust, honor profit, while many of them have been conspicuous as managers of large and the conspicuous and the conspicuous as managers of large and the conspicuous as managers of large and the conspicuous and the conspicuous as managers of large and the conspicuous and the onspicuous as managers of large

flourishing enterprises of their ows.

The Ga. Ala, is specially popularly with young persons of limited education with young persons of limited education and means, as by its low rates, and personal, pains taking instruction in all the English branches necessary to successive places a practical business educates within reach of all. The people of the South delight to patronize it on account of its hamslike atmosphere: and its of its homelike atmosphere; and its particular, being progressive enough advertise what it does, and honest es

advertise what it does, and honest established to do what it advertises. As the applications for graduates, for years past, have been far in excess of the ability of the college to supply exceptionally low rates are being given just now, which are certainly in read of every one. Young persons ambitions to better their condition are urged with the work of the rates. The condition are urged to be the condition are urged to b
