7,000 Young People Unite In A Great Tribute Of Praise

Over seven thousand young men and
women, representing the entire South
unite in paying a wonderful tribute of
praise to the Ga. Ala. Bus. College, Ma-
con Ga., which, by its thorough busi-
ness training, has more than doubled
their earning capacity, and placed them
in positions of great trust, honor and
profit, while many of them have become
conspicuous as managers of large and
flourishing enterprises of their own.

The Ga.-Ala. is specially popular
with young persons of limited education
and means, as by its low rates, and per-
sonal, pains-taking instruction in all the
English branches necessary to success,
it places a practical business education
within reach of all. The people of the
South delight to patronize it on account
of its homelike atmosphere; and it is
known to be absolutely reliable in every
particular, being progressive enough to
advertise what it does, and honest en-
ough to do what it advertises.

As the applications for graduates,
for years past, have been far in excess
of the ability of the college to supply,
exceptionally low rates are being given
just now, which are certainly in reach
of every one. Young persons ambitious
to better their condition are urged to
write at once for the rates, to
