Rest Disturber

Stubb—Some geniuses have invented a phonograph that will run night and day without stopping. Would you pay much for music like that?

Penn—No, I should say so.

Stubb—Pay for the machine?

Penn—No; pay a fine for being the man who owned it if he lived within six blocks of my home.

ATTORNEY JEROME BLOCKED

Delmas Heads Him Off at All Points

FEATURES IN TRIAL OF THAW

Well Nigh Ceaseless Battle Between Leading Counsel for Defense and Prosecution in Thaw Case.

New York, Special. On the first day of the trial, the reputation of the trial of Harry K. Thaw District Attorney Jerome blocked the prosecution. The trial of Thaw is a legal drama of the first magnitude. The trial of Thaw is a legal drama of the first magnitude. The trial of Thaw is a legal drama of the first magnitude.

May Attempt an Alibi.

Although he will doubtless be blocked by the same rule when the case comes to the district attorney's attempt in the same way to prove an alibi for Thaw, the story was admitted only as tending to show the effect it might have had in establishing the defendant's mind and that its truth or falsity is not material.

"Yes, indeed, we are very careful with little Archibald," said the strict parent. "We watch his associates, keep an eye on where he goes and don't let him read the newspapers unless we have clipped out everything he should not read."

Some Fun.

"Poor chap! everything he runs goes on his wife's back."

"Well, if you'd seen her at the opera you wouldn't think he earned much," Boheman.

Such Innocent!

Mrs. Stubb Land's sake, John, there must be a great many barber shops in Wall street!

Mrs. Stubb—What causes you to think so, Maria?

Mrs. Stubb—Why, the papers say hundreds of men are trimmed there every day.

Of Course.

Stubb—So the doctor cured your children of the mumps? Did you pay him in installments?

Penn—No, in a lump sum.

Funny graphs.

"According to this book," said Mrs. DeStyle, "seals sometimes shed tears just like men do."

"I don't see why they should," rejoined her husband. "They don't have to pay for sealskin jackets."

THE WHOLE FAMILY

Mother Finds a Food For Grown-Ups and Children as Well.

Food that can be eaten with relish and benefit by the children as well as the older members of the family, makes a pleasant household commodity.

Such a food is Grape-Nuts. It not only agrees with and builds up children, but older persons who, from bad habits of eating, have become dyspeptics.

A Philadelphia lady, after being benefited herself, persuaded her husband to try Grape-Nuts for stomach trouble. She writes:

"About eight years ago I had a severe attack of congestion of stomach and bowels. From that time on I had to be very careful about eating, as nearly every kind of food then known to me seemed to cause pain."

"Four years ago I commenced to use Grape-Nuts. I grew stronger and better, and from that time I seldom have been without it. I have gained in health and strength and am now heavier than I ever was."

"My husband was also in a bad condition—his stomach became so weak that he could eat hardly anything with comfort. I got him to try Grape-Nuts and he soon found his stomach trouble had disappeared."

"My girl and boy, 3 and 9 years old, do not want anything else for breakfast but Grape-Nuts and more healthy children cannot be found."

Clothes.

To be a leader of fashion one must be a follower. The man who pays the compliment is not always the man who pays for the gown.

"I asked we stand, but divided we get all sorts of mean things said about us," said the Skirt.

The most admired woman is not always the most adored.

A man's salary gets higher his wife's grows get lower.

Gone and Forgotten.

Stubb—Some bright chap has figured out that if all the articles on the Thaw trial were heaped together they would make a mountain like Vesuvius.

Penn—Well, it is a pity they couldn't be turned into a volcano.

Stubb—Why not?

Penn—Then perhaps they would be reduced to ashes.

Dangerous Letters.

"I hear that you had a great deal of trouble with your typewriter," said the banker. "What was the cause?"

"The letters," replied the old broker.

"But couldn't you get an expert to fix them?"

"Oh, no. These were the letters she wrote to me when I was in the mountains and my wife found in my pockets."

Seemed Like It.

"Yes, indeed, we are very careful with little Archibald," said the strict parent. "We watch his associates, keep an eye on where he goes and don't let him read the newspapers unless we have clipped out everything he should not read."

"Great Caesar!" exclaimed the astonished visitor, "what are you going to make out of him—a New York juror?"

Bad Symptoms.

The woman who has periodical headaches, backaches, neuralgic spots or specks floating or dancing before her eyes, has aching distress or heavy full feeling in stomach, faint spells, dragging-down feeling in lower abdominal or pelvic region, easily startled or excited, irregular or painful periods, or with-out relief, is suffering from weakness and derangements that should have early attention. Not all of above symptoms are likely to be present in any case at one time.

Neglected or badly treated and such cases are apt to result in serious conditions. The surgeon's knife if used too late is fatal.

No medicine extant has such a long and successful record as Dr. Pierce's Favorite Prescription. No medicine has such a strong reputation for curing every case of the above mentioned ailments. It is a purely vegetable preparation, and contains no harmful or injurious ingredients. It is a purely vegetable preparation, and contains no harmful or injurious ingredients.

ENDURES ECZEMA 5 YEARS.

Sores Behind Ears Spread to Cheeks—Best Doctors Fail—But Cuticura Remedies Effect Cure.

"Words are inadequate to express my gratitude for Cuticura Remedies. I had been troubled with eczema for five years on my ear and it began to extend on the face. I had been doctoring with the best physicians, but found no relief whatsoever. When informing them that I could not bear the itching I was told by one of our best doctors, 'not to scratch.' As the medicines and salves did me no good I thought I would get the 'Maggie' Cream, Cuticura Soap, Cuticura Ointment and Cuticura Pills, costing me one-half of one year to my physician. After using as directed, with plenty of hot water, I can truthfully state that I found instant relief. When I found my third box of Cuticura Ointment and two cakes of Cuticura Soap I had my skin as soft and fine as a baby's. My circle of friends is very large, and I am persuading them to try Cuticura Soap and give up the kinds they were using. I find no trouble, as my case has proven to them, that if Cuticura Ointment is good, Cuticura Soap must be likewise. Miss Netta Ayers, 131 Franklin Ave., Brooklyn N. Y., Sept. 15, '06."

STOP WOMAN AND CONSIDER

First, that almost every operation in our hospitals, performed upon women, becomes necessary because of neglect of such symptoms as Backache, Irregularities, Displacements, Pain in the Side, Dragging Sensations, Dizziness and Sleeplessness.

Second, that Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, has cured more cases of female ills than any other one medicine known. It regulates, strengthens and restores women's health and is invaluable in preparing women for child-birth and during the period of change of life.

Third, the great volume of unsolicited and grateful testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time being published by special permission, give absolute evidence of the value of Lydia E. Pinkham's Vegetable Compound and Mrs. Pinkham's advice.
