Closing Exercises of The Camden Graded Schools.

The closing exercises of the Camden Graded Schools are being held this week in the Opera House. The annual address was delivered yesterday by Dr. Mark L. Carlisle who formerly resided in Camden and who has many warm friends and admirers here. His address was an exceptionally fine one. There are six graduates from the school this year, Misses Bertie Lenoir, Lucia Yates, Lillian Yates, Evaret Birchmore and Sam Nicholson and Arthur Humphries. The valedictory by Miss Bertie Lenoir was a most excellent one and was delivered in an easy, graceful manner.

The report of Superintendent Kennedy showed that a very satisfactory year's work had been done. The following is the programme for to-night:

Reading contest (silver medal) Cantey Villepique, Elizabeth Carison, Bates Gerald and Cleo Mitchellam.
Timrod Society Contests (gold medals) Debate—"Resolved, that the United States government should own and control the railroads." The affirmative will be represented by Messrs. Arthur Humphries and Sam Nicholson; the negative by Miss Bertie Lenoir.

Declamations—"The last Hymn," "Gordon's Reprieve," "The Unpacked Race," by Misses Lettie Cato, Claudia Zemp and Nan Trantham.

National songs by chorus selected from pupils of Grammar and High schools—Norway, Hungary, Sweden, Poland, Wales, Ireland, Scotland, Denmark, "The Red, White and Blue," "Dixie."

Music (piano and violin) will be furnished between numbers by Misses Lottie Boykin, Marie Zemp and Mildred Hall.

Admission—Reserved seats and general admission for adults 35c For pupils of the school and others under 14 years, 20c. Reserved seats 30c. On sale at Dr. F. Leslie Zemp's drug store. Seats reserved at the door will cost 10c. additional. No one will be admitted during each reading—so be on time.

Death of Mr. A. G. Jones.

It is with sincere regret that we announce the death of Mr. A. G. Jones which occurred at his home at Liberty Hill on the 20th inst. For a number of years Mr. Jones was a member of the Board of County Commissioners, and rendered faithful service to the county. He was a good citizen and many will learn of his death with profound sorrow.

For Rent.
My residence on Lyttleton street. Possession given immediately.
Miss S. A. Gibbs.

SAY, MR. FARMER.

Suppose the dealer, from whom you purchase your fertilizers, would say to you that if you would pay him an additional seventy-five cents per ton, he would, in the event of the destruction or damage to your crops by hail, refund the purchase price of the fertilizer. Would you take him up? Of course you would. Being a reasonably sensible business man, you could not afford to do otherwise.

The Carolina Hail Insurance Company of Marion, S. C., will insure your cotton crop for as much as thirty dollars per acre, corn and grain crops at twenty dollars per acre and charges a premium of only two and one-half per cent.

Losses Paid in 1906—\$14,023.24.
