Camden, S. C. CAMDEN. S. C., AUG 7, 1908

A Card.

As a taxpayer, a patron of the Camden Graded School for many years and a warm supporter of the present administration. I desire to convictions; to do our duty as we ask a few questions in the interest of see it, regardless of the opinion of the public, on the matter of sanitation others, seeming gain or loss, tem-It is a well known fact that the heating arrangements of the Grammar school have never given satisfaction, and for the past year or two the mat ter of steam heat has been agitated, but so far to no purpose. It is gen erally conceded that at least one teacher and one pupil, have succumb ed to a fatal disease contracted in a ed rest, but have the trustees no responsibility in the matter? The insure safety and comfort to our children.

Other towns of smaller dimensions and pretentions have more comfortable buildings, and pay better salaries than our faithful, hard-worked

The children are the future men and women of the state, and how can they or the teachers be expected to do good work when they are physically uncomfortable?

should be looked after now during putting of of the old coat and the vacation instead of waiting until the putting on of a new; a passing and mercury drops to the neighborhood of zero. We board at the close of lived here: a taking up of life it last session that the Trustees would another form just where we leave it have steam heat put in this summer, off here, a part in life not to be but it is now but little more than a month until school opens and we hear of no steps being taken in that OWN good way and time.'

erally believed that one of the rooms has not been properly fumigated with formaldchyde. We would like graphs in the platform of Mr. B L. to know if that be true, and it not, Caughman who is a candidate for why not? Whose fault is it? If the railroad commissioner: Trustees are dereliet, the question of

humanity's name let us return to the I shall not seek your suffrages may at least be comfortable, so that our little ones shall not suffer while The Daily Record trying to get an education Verb, sap. sat.

Taxpayer

who would peg slong a hot and dusty road "foot back" when he could ride in a 40-horse power automobile and save time, temper and shoe leather? He would be considered no more foolish than the man who tries to run his business without advertising, when the big tohorse power automobile of newspaper publicity is at his command.

Good Rules To Adopt .

Beautiful thoughts, a good and from the Carolina Spartan which Snyder's stables. graphs of "In the Fire of the Heart" by Ralph Waldo Trine :-

"To live to our highest in all things that pertain to us; to lend a hand as best we can to all others wight, August Sch. All county for this same end;

wrong doer to a better way, and thus aid him in becoming a power for good; to remain in nature always sweet and simple and humble, and therefore strong

To open ourselves FULLY and to ceep ourselves PURE and CLEAR as fit channels for the Divine Power to work through us; to turn toward and keep our faces always to the light;

To do our own thinking. Listening quietly to the opinion of others, and to be sufficiently men and women to act always upon our own porary blame of praise;

To play the part of neither knave nor fool by attempting to judge another, but to give that same time to living more worthily ourselves; to get up immediately when we stumble, face again to the light, and travel on without wasting eyen a moment in regret;

To love all things and to stand in awe or fear of nothing save our cold schoolroom, and it remains to be own wrong-doing; to recognize the seen whether others may not yet suf good lying at the heart of all fer ill consequences. The Superin. people, of all things, waiting for extendent is away taking a much need pression, all in its own good way and time

To love the fields and the wild flowers, the stars, the far open sea, taxes we pay should be sufficient to the soft, warm earth, and to live much with them slone, but to love struggling and weary men and women and every pulsing living creature better.

To strive always to do unto others as we would have them do unto us. In brief-to be honest, to be fearless, to be just, to be kind. This will make our part in life's great and as yet not fully understood play truly glorious, and we need then stand in fear of nothing-life nor death; for death is life.

Or, rather, it is the quick trans-The question of proper heating ities to life in another form; the from light to darkness but from light to light, according as we have shunned or dreaded or feared, but but to be welcomed with a glad and ready suite when it comes in ITS
