Important Meeting of the Board of Health.

At a recent meeting of the City Board of Health a letter from Prof. R.M. Kennedy of the Graded School was read. He wished to know how to act in the case of one of the pupils who is reported to have tuberculesis. The Secretary was ordered to reply to Mr. Kennedy that Sec. 7110 of Civil Code of S. C, 1902, defluce plainly his powers and duties as to, the exclusion from school of pupils with infectious or contagious diseases; and that tuberculosis is classed as

It was reported that the colored school was still without water and the Secretary was ordered to call the attention of the School Trustees to thie, and to the filling of the old well on the premises.

The following report of the inspection of Jail and Court House was received:

Gentlemen :- In compliance with aw, the City Health Officer and my-self, made inspections of the Jail and Court House. rill be no third

We find the Jail in a clean and fairly sanitary condition, but the minor faults we corrected and gave Mangum, W H instructions as to cleaning so expect ion, G S King, at our next inspections to find Barfield, J C things in proper shape.

We insist that the walls of the rs T B Clyburn, with cloths snaked in an antiseptic solar Renwe Alex Brown, lattice work. That the floors be N C Nelson, are close and brooms. The close to week the close to the control of the contr Brown, John are clean and in good shape. We find several leaks in the plumbing which should be remedied at

We flad the Court House in first class canditon, clean and hygienic. We tosist here also that the floors os swept with oil brooms, and that all the rooms be aired every day and he flooded with audight. That the epittoons he kept one third filld with water. That the Health Officer post notices about against pitting on the floors and that 'the court deputies be instructed to abnolutely enforce this provision by
