Suggestions for Trustees.

Mr. Editor:—Seven weeks from today we are to elect Trustees to manage the schools of this District and it is now time for us to be casting about for the proper men, we therefore take pleasure in suggesting Mr. David Witherspoon and Dr. S. C. Zump.

Very Respectfully,
Patron and Taxpayer.
May 13, 1909.

Capt. Shannon Suggested.

Mr. Editor:—I hereby nominate Capt. W. M. Shannon as a suitable man for one of the trustees for this district.

Mr. Barrett Declines.
Mr. Editor:—I wish to thank my friends for the compliment of suggesting me as a suitable man for one of the trustees for this district but other duties will prevent me from accepting, therefore I very respectfully and gratefully but positively decline.
W. D. Barrett.

A Card From Mr. Robinson.

Mr. Editor:—I notice in the last issue of the Chronicle that I am suggested for one of the trustees for this district. I appreciate the compliment very much indeed but must decline.

Very Respectfully,
J. A. Robinson.

Mr. Witherspoon Endorsed.

Mr. Editor:—I wish to endorse the suggestion of Mr. David Witherspoon for one of the School Trustees for this district. It has been many years since the citizens of Ward 1 have had a representative on the Board who was a resident of that Ward and we think that as their tax money is paid out to assist in running the schools, justice and fairness demands that they should have a voice in saying how and to whom their money should be paid. "Taxation without representation" is hard to submit to year after year.
Justice.

Mr. Hough Suggested.

Mr. Editor:—I hereby suggest Mr. W. R. Hough as a suitable man for one of the trustees for this school district to be elected in July.

A Well Wisher of the School.

Our friend and neighbor, The People, is going to move. It gave notice yesterday that until this move was consummated the publication of the paper would probably be temporarily suspended.

contempt of the Federal court. The case is regarded as a national interest, because it is the first time that this court in the United States has undertaken to assert its right to resent acts or words on it. In one previous case ago, a defendant was so expressive of contempt as to practically leave proceedings standing.

Our community was shocked yesterday to learn of the death of Mr. J. A. Roseborough which occurred yesterday morning after only a few hours illness of acute indigestion.
