

The pickling season is now on and the success with which you meet is due largely to the quality of spices and vinegar.

At the Pure Food Store you will find the freshest and purest spices of all kinds, both whole and pulverized.

Allspice, cloves, cinamon, ginger, mace, nutmeg, turmic, mustard seed—white and black, celery seed, mixed spices—the very thing for pickles.

Pastry spice makes delicious ketchup.

**Mr. Leitch to be at Bethune.**  
Evangelist Thomas H. Leitch, assisted by Mr. Marshall, the singer, will commence a ten day's meeting at Bethune next Monday night, the 20th inst. The public is cordially invited to attend these meetings.

**To Close at 7 O'clock.**  
A petition is being generally signed to close the stores at 7 o'clock p. m. on account of not having lights. The stores will very likely close at that hour and shoppers will do well to bear this in mind. The housewives are especially requested to send in their orders for groceries early.

**No Arrangements Were Made.**  
We stated last week that we hoped and believed that some arrangement would be made whereby the city lights would be continued. A meeting of City Council and the Light Company on Monday night failed to bring about this very much desired object, in consequence of which the city was in darkness last night. However, Mayor Zemp and the City Council are using their best efforts to relieve the situation as soon as possible.

**The Baruch-Nettes Company.**  
Of course the first thing you noticed when you opened The Chronole was the attractive advertisement of the Baruch-Nettes Company. We wish to say, however that the advertisement is not more attractive than the goods they have, and the prices they charge for them. This store is now brimming full of new and up-to-date goods. Their stock of white goods, silks, etc., was bought with a special desire to please the ladies, and the gentleman who buys one of their suits or overcoat will bear a distinction quite unusual. A guarantee is given with every suit. You'll miss it if you fail to visit this store that is growing daily in popularity. Their motto is to PLEASE and that is why their business is growing so

**For Census Jobs.**  
On October 23 there will be held at Columbia, and also at Charleston and Greenville, examinations of persons who desire to become employed under the civil service in taking the next census next year.

**U. D. C.**  
The John D. Kennedy Chapter U. D. C. will meet with Mrs. Leslie Zemp on the first Monday afternoon in October at 5 o'clock. All Daughters visiting in Camden are cordially invited.

**Alarming Spread of Pelagra.**  
A special from Durham, N. C. says: Pelagra is spreading in this State at an alarming rate. The ninth death in this locality occurred here tonight, two new cases were discovered today, and one of the two survivors of the 11 originally afflicted will die within a week, in all probability.

There is said to be 1,000 cases of the disease in North Carolina at the present and but one county, Onslow, is declared, is without a patient.

**Annual Protracted Meeting at Swift Creek Church.**  
The annual protracted meeting at Swift Creek Baptist Church will begin Sunday morning, the 19th inst., at 11 o'clock. The pastor, Rev. T. Lenwood Cole, will be assisted by the Rev. S. Perrin Coghurn, of Ninety-Six, S. C. Mr. Coghurn has just taken the Master's degree at Furman University, and in a couple of weeks will go on to Louisville, Ky., where he will begin his theological course in the Southern Baptist Theological Seminary. He has been very successful in evangelistic work and is a volunteer for service on the foreign field. The public is cordially invited to attend the meeting.

**Joke on a Water, Light & Power Co.**  
Judge R. Y. H. Nance played a joke on the Anderson Water, Light & Power Company some time ago. His water bills, so he says, kept growing. Finally he gave orders to his folks, after just paying a bill, not to use a drop for the next month and see how things worked. During all this time he used well water. Next month rolled around and so did the water collector. The Judge was paralyzed when the collector handed him a bill for just twice the amount of the month before so he says, and not a drop of the water had been used. He then ordered the water cut off for good, he says, and since that time has been using well water, where bills don't grow so fast.—Anderson Intelligence.

**To New York and Return For The Famous Hudson-Fulton Celebration.**  
This historic celebration will take place from Saturday, September 25, to Saturday, October 9th. The principal events during the first eight days will occur in greater New York and in the Hudson River opposite the city. The following week the celebration will continue at the Hudson river cities and villages from New York to Troy.

This event, commemorating the 300th anniversary of the navigation of the Hudson river by Hendrick Hudson and 102nd of the operation of the first steamboat by Robert Fulton, will present a spectacle in land and water, parades and illuminations such as the world never witnessed.

All the great navies of the world will be abundantly represented, which with other craft, will go to make up a water parade of a thousand and more vessels, and on the sand or more vessels, and on the water there will be gorgeous spectacles in floats, parades, reviews, exhibitions, decorations and a thousand and one object lessons in our 300 years progress.

Every day will be a picture of a veritable fairyland, and millions of electric lights of all colors and sizes will fairly turn night into day.

For this occasion the Atlantic Coast Line will sell on September 23rd to 30th inclusive, round trip tickets to New York at the low rate of \$21.95 from Camden. The tickets will be limited returning to leave New York any time up to and including October 10th. Mr. S. M. Mathis, the ticket agent, will be pleased to answer inquiries regarding schedule and make reservations, and this matter should be attended to at once by those desiring to take the trip.

**When You Buy A Fine Horse**

You do not turn him loose along the road to graze. You put him into a field where you know the fences are all strong, and where there is no chance of his breaking through and escaping. Why not follow the same plan with your money?

With all the protection you can give your cash around the house, it is never safe. There are no hiding places that cannot be discovered. There are no houses that are absolutely fire-proof. The newspapers are filled daily with accounts of robberies and destruction of concealed money. In other words, your fences are never secure.

Protect your money just as you would your live stock. Put it into our bank where it will be perfectly safe.
