We are requested by Mr. R. B. Williams to say that on account of his duties on the state constabulary force he must decline to stand for election as Magistrate in DeKalb Township. **New Telephone Book.**  
The new directory of the Southern Bell Co. has been delivered to the subscribers in Camden, by Manager R. F. Walker. The new directory is attractive in appearance and contains all the changes and corrections in listing that have been made since the last directory was printed.  
The number of new names appearing in the list would indicate that there are constant additions to the number of subscribers in Camden and vicinity and the telephone development is continuous.  
The Southern Bell Company has involved a plan whereby it furnishes telephone service to farmers and other rural residents on an economical basis. As a result the telephone is now the rule rather than the exception on the farm and farmers in all sections of the State are installing telephones in their homes.  
The plant of the Southern Bell Company in Camden is maintained at a high state of efficiency and the subscribers are well satisfied with the service they are receiving.

**Farmers' Institute at Bethune.**  
Farmers institutes will be held under the auspices of Clemson College at Bethune on the 3rd of August. There will be an able corps of speakers and much valuable information to the farmers will be presented. It is hoped that a good crowd will be in attendance. One feature that is especially desired to stress is the importance of asking questions freely. If they will do this freely, much greater benefit will be derived by those farmers who attend.  
D. N. Barrow,  
Superintendent.

**MRS. HELEN M. BAILEY**  
Was born July 27, 1846, and died June 6, 1910. She was converted in early life, and joined the Methodist Church, of which she remained a member until she was taken from her devoted family to the home where many missions are. Mrs. Bailey was a consistent Christian, a gentle, loving mother, and a true helpmeet to her family. She spent her life in the service of others, and although she had been in feeble health for some time, her death came very sudden. She was always patient and bright and cheerful. I always greatly enjoyed my association with her, and in her death I feel a sense of personal bereavement. She is survived by nine children. The benediction of her life will abide forever in the hearts of her family and many others with whom she came in touch.  
Mrs. William D. Grigsby.

**Blaney.**  
The Blaney Graded School will open on Monday, August 1st, with Prof. Thomas again in charge.  
Mrs. W. M. Buras, Misses Agnes and Emmie Dora Buras, of Mobile, Ala., will be the guests of Dr. and Mrs. W. D. Grigsby next week.  
Miss Annie Grigsby is visiting relatives in Columbia.  
Mr. Wm. Hootley is visiting his old home in Orangeburg.  
A protracted meeting will begin on the second Sunday in August, conducted by Rev. J. P. Leubowier assisted by Rev. E. K. Ezell, a former pastor here.  
An effort is being made to change the crossing here, so as to have the Automobile road cross the railroad on Church street. By doing this the heavy sand bed near the depot will be avoided, and will be a decided improvement.

**A Model Country Home**  
On our return from Liberty Hill on Saturday we stopped a few minutes with our good friend, Mr. S. C. Rose, of Canterbury Hill. His is one of the model country homes in Kershaw county. Everything about the place is new and up-to-date and it is a great pleasure to see how nicely he has everything arranged both at the house and the lot. He owns his own lighting plant and to be inside his house makes one feel as though they were in the heart of a big city.
