Without the best in groceries your cooking cannot be a success. A good working man never attempts to build with deficient tools or bad material. He is too proud of his work. So with the successful cook. Only the finest groceries can bring satisfaction. We sell that kind. Successful cooks are our best patrons.

**A Curiosity.**  
About 3 weeks ago while engaged at work for the telephone company, Mr. Charlie Hough unearthed a plow point which evidently did service many years ago. Attached to the point was a cuff, supposed to be used to fasten the point to the stock, a custom which must have prevailed before heel screws were used.

**New Jailor.**  
Mr. Alexander Boon, of Westville, has been appointed keeper of the Kershaw county jail in place of Mr. Rowe who resigned. Mr. Boon is a brother of Mr. John Boon who kept the jail here for so long a time. We are sure that Mr. Boon will keep the jail just exactly as it should be kept and we are glad that he has the position.

**Special to The State.**  
Sumter, March 29.—A rather unusual piece of mail has just been delivered in Sumter. A few days ago one of the officers of the Civic League wrote Congressman Lever that the league was about to undertake to beautify Sumter and asked that he send some seed.

Today the young officer received a notice from the postoffice to call for a package too large for the carrier. When she called the grinning postoffice clerk dragged to the window—a regulation mail sack chock full of packages of seed.

**Columbia Music Festival.**  
Interest throughout the State centres in the Columbia Music Festival to be held April 20, 21 and 22 in the Columbia theatre. This third Festival given under the auspices of Columbia Music Festival association will be the most brilliant musical event in the history of the State and music-lovers from all points in South Carolina and neighboring states will come to Columbia with the well-grounded assurance that "the best is yet to be."

Sale of season tickets opens April 10, that of single tickets, April 13. Prices, orchestra \$6; balcony \$5 and \$6; gallery \$3. (for five concerts.) Single tickets, orchestra \$2; balcony \$2.50; gallery 75 cents (reserved). All orders must be sent to Manager F. L. Brown, accompanied by a cash remittance.

**Richards Family Reunion.**  
Special to The State.

Hamer, April 2.—A most enjoyable and delightful occasion was the celebration of the 83rd birthday of the Rev. J. G. Richards of Blenheim at the country home of his son-in-law, D. A. McCollum, on Friday. A sumptuous feast was served, ably presided over by Mrs. D. A. McCollum.  
The reunion was indeed a pleasant one to all who attended. Among the guests present were: Rev. and Mrs. J. G. Richards of Blenheim, Maj and Mrs. J. G. Richards of Liberty Hill, Rev. C. M. Richards, D. D., of Davidson, N. C., Mr. and Mrs. J. E. Hunter and Mrs. L. R. Salters of Blenheim, L. P. Richards of Rowland, N. C., J. Gardiner Richards of Hamer and Edmund McQueen of Dunbar.  
The principle feature of the reunion was the presence of four generations of the Richards family.

**Death.**  
Entered into rest on Monday morning last, April 3rd, 1911, Mrs. Elizabeth Wallace, relict of the late Mr. Wm. Wallace.

After a long, busy and useful life she died as she had lived—honored, trusted and loved. She reared her own monument while she lived "in the hearts of all who knew her. Her Christian life was beautiful from its beginning to its close, and through all the vicissitudes of life her faith in God never wavered. The funeral was held from the Methodist Church on Tuesday afternoon, conducted by Rev. H. B. Browne, and at our beautiful cemetery, while all nature was bursting into naiveness of life, and the songbirds were pouring forth their sweetest Easter carols, both an emblematic of the great resurrection morn when the righteous dead shall come forth and be forever with their Lord, the mortal remains of this good woman were laid to rest.

Mrs. Wallace leaves surviving her one son and two daughters—Mr. J. B. Wallace and Miss Ida Wallace of Camden and Mrs. J. E. Vaughn of Atlanta.

**DOES YOUR WATCH NEED REPAIRING?**

A Watch is intended to tell you the time of day. Unless it does this accurately it is worse than useless, for it is like the man you cannot depend upon.

Many a man has \$25 or \$30 tied up in a watch which is worthless when if he would invest a dollar or two for having it repaired he would get the full value out of it.

Often a watch which does not keep proper time needs regulating for which we make no charge. If it needs repairing our charges are more than reasonable, and our work is guaranteed.
