Mr. J. E. Copeland of Bethune was in Camden on Monday.

The Star Theatre.
Messrs. John Villepique and Jas. Blakeney have opened up a moving picture show in the Armory (old Baptist Church.) These young men have gone to quite a lot of trouble and expense to fit up the hall nicely and the machine they have is new and one of the best made. Their entertainments are of a very high order and The Star Theatre is quite a popular resort. We bespeak for these young men a liberal patronage.

Marriage of Mr. Paul Brown and Miss Collins Potent.

A quiet wedding was solemnized at the home of Rev. J. C. Rowan at six o'clock on last Wednesday afternoon. The contracting parties were our highly esteemed friend Mr. Paul Brown and Miss Collins Potent a charming young lady of Marion, N. C., who for some time has been teaching the Stockton school. The marriage was witnessed by only a few intimate friends. After the ceremony a reception was tendered the young couple at the home of Mr. and Mrs. E. A. Brown. After an evening most pleasantly passed in a social manner the groom took his prize to his cozy home which needed only her queenly presence to complete it. It is a pleasure to chronicle the marriage of such worthy young people and this paper extends to them its warmest congratulations.

Bethune Items

We are having dry weather, though raining about every day. Where cotton was planted early, good stands have been secured, but the later planted is coming up very slowly, owing to the dry weather. Notwithstanding the high price of cotton, many of our more progressive farmers have planted liberally of corn, thus doing their part towards keeping cotton up, while others are doing their best to reduce the price by the all cotton plan. Oats in many instances are almost a failure, owing to the dry weather.

Col. J. I. Thompson, of Troy, Tex. will visit friends and relatives in South Carolina during the summer. Col. Thompson moved from South Carolina away back in the fifties, when quite a young man. He has made quite a financial success in the Lone Star State.

Messrs. Thomas and Lewis Raley are having quite a handsome residence erected on the place they recently purchased about one mile from Bethune.

Rev. Mr. Carrol of Columbia, preached in the Presbyterian church in Bethune last Sunday. Mr. Carrol is quite a forceful preacher and presents the gospel of Jesus Christ in a plain, practical way that is not so frequently heard nowadays.

Steps are now being taken to compete the Methodist church here which has been suspended for several years. Since its commencement it has been twice blown down and once struck by lightning.

Mr. M. K. Yarborough who has been quite sick for some time is now convalescing, we are glad to know. Mr. Yarborough is one of the oldest men in the county, but is quite active for his age.

Mrs. W. B. Shaw and Mrs. J. A. McCaskill are away on a visit to Morganfog, N. C.
