REGAL SHOES

If we had all the leading custom bootmakers of New York City working right here in our store designing shoes, we could not give you smarter styles than we now offer you in the new Regal models. Because every one of these Regals is an accurate reproduction of an exclusive custom model for this season.

These Regals give you custom fit and quality, too—come in and look them over.

If Your Shoes Could Talk—

they would cry "Help! Murder!" every time you try to shine them with ordinary acid and alkali shoe polish, which destroys the life of the leather, making it harden, chip and crack.

REGAL Dressing

is the one shoe dressing you should use. It is made by the manufacturers of Regal Shoes, to preserve their shoes—not for profit. This pure, reliable dressing is quickly and easily applied, and makes your shoes last much longer.
