Camden, S. C., March 29, 1912.

The Camden Chronicle got a move on last week and issued a primary extra, giving municipal election returns. Here's hoping the Chronicle may be given an opportunity to issue a Jones extra along about August—Gaffney Ledger.

FIVE MILLION INCHES

Of Publicity Given Anti-tuberculosis Movement by Newspapers.

Publicity in newspapers and magazines to the amount of 1,500,000 inches a year on tuberculosis and its prevention is being given by the press of the United States, according to an estimate issued today by The National Association for the Study and Prevention of Tuberculosis.

If all the publicity on tuberculosis given by the press of this country in the year ending April 1st were gathered in one paper, the National Association estimates it would make a paper of over 6,250 pages. In the last four years, during which time an active publicity campaign has been carried on, the National Association estimates that over 5,000,000 inches or over 90 miles of press notices on tuberculosis have been published.

"Publicity is the very heart of the educational campaign against tuberculosis," says Dr. Livingston Farrand, the Executive Secretary of the National Association. "Largely because of the intelligent co-operation of the press, has the anti-tuberculosis movement in this country been able to become, as it is, the greatest organized movement of its kind in the world. When tuberculosis shall have become a rare disease, the American press may justly claim a large share in this gigantic achievement."

L. A. Wittkowsky,
Master for Kershaw County.
March 25, 1912.

Illustrated Lecture.

The regular monthly meeting of the Kershaw County Teachers Association will be held at the High School building on Saturday at 11 a. m. Mr. W. P. Mills, of the University of South Carolina, Y. M. C. A. will deliver an illustrated lecture on Palestine. The public will be permitted to attend the lecture by paying a small admission fee. While a student at Oxford University in England, Mr. Mills spent his holidays travelling in the Holy Land and making a study of that country. He was at one time a student at the Camden Schools and later taught here. A large crowd is expected to attend the meeting.

PERSONAL MENTION.

Notes of Interest Concerning City
and County People.

Capt. and Mrs. E. C. vonTresekow are visiting in Northern cities.

W. G. Adams, Jr., of Rock Hill, spent a week-end here with his father.

E. C. Zemp, of Spartanburg, spent Thursday and Friday here with his mother.

Mr. Hobson, manager of the Bell Telephone Co., at Columbia, was a visitor here for the horse show.

J. Blakeney Zemp has been appointed secretary of the Civil Service Commission of this District.

Ex-Justice Brown, of the U. S. Supreme Court, now residing in Washington, is a guest at the Court Inn.

William A. White, president of the Richmond, Fredricksburg and Patomac Railroad, is a visitor at the Court Inn.

Dr. F. E. Renfrow was called to his home in Fremont, N. C., last week to the bedside of his father, who died on Friday.

We would like to hear from some of the merchants as to their views of closing stores at six o'clock for ten months out of the year.

Alfred Kennedy, an old Camden boy, who is now a successful business man in Greenville, is spending the week with his father, Mr. A. D. Kennedy.

Miss Carrie Beckham, who has been stenographer at the Davidson Lumber company since last fall, has resigned and accepted a position in Spartanburg.

I. J. McKenzie, Supt. of Education is at Clemson College, where he is attending a joint meeting of County Superintendents and farm demonstration agents.

The friends of Mrs. Flower and Miss Lucy Flower regret that they have decided to leave Camden to make their home in Brooklyn. They have made numerous friends while in Camden, and Miss Flower has done wonders towards developing the voices of the boys and girls of Camden.

The Shakespearian Club will after the first of May change its name to the Browning Club, and will take up the study of Browning. The club now has a good membership, but wishes more members. You cannot do yourself harm by joining, and there is no telling of the good which may result in your becoming a member of the club.

Mr. W. S. Blitz, the secretary of the Camden Horse Show, is stopping at the Court Inn. Mr. Blitz was manager of the Richmond Horse Show in 1908 and the Atlanta shows in 1909 and 1910. He has also managed shows at Dayton and Springfield, O.; Westchester and Bay Shore, L. I., Lakewood, N. J., and Brooklyn, N. Y. Mr. Blitz says that the Camden Horse show is a very credible one, and that he was agreeably surprised to see such fine horses in this State.

Lieut. Edward B. Cantey, of this place and Columbia, recently passed an examination for the rank of Captain, and is now Captain of the Ordnance Department of National Guard, S. C., and is assigned to the Second Infantry. Capt. Cantey was a member of the Georgia militia for many years and represented that state at Sea Girt and Camp Perry in the National rifle shooting contests. He has been a member of the South Carolina militia for about four years and is one of the best rifle shots in the State. He has many friends here, who are proud of his promotion.

The County Board of Commissioners instructed Supervisor M. C. West and County Attorney T. J. Kirkland to go to Washington to see if they could effect a settlement with the Penn Bridge Company, which firm built the handsome bridge over the Wateree River here several years ago. They left last night for Washington. The bridge company took many months over the contract time to finish the work, and there was a dispute over the amount due them. The company sued the County, and a few weeks ago in the U. S. District court at Florence, the case was thrown out.

The Board of County Commissioners have been advertising the sale of the S. C.'s non-taxable coupon railroad aid bonds of the County. The commissioners were under the impression that the bonds were due in July, but a few days ago, discovered that they were due in April. The old bonds were carried at 7 per cent. interest and the new bonds were to bear interest at 5 per cent. As April is only a few days off, something had to be done at once. The First National Bank of Camden was appealed to and they gladly accepted \$50,000. of the bonds, and will carry them until the advertised sale can take place.

WATEREE POWER COMPANY

Held Meeting and Elected Officers
For Another Year.

The Wateree Power Company, a subsidiary of the Southern Power Company, held its annual election of officers here a few days ago in the office of Mr. C. H. Yates of the Bank of Camden. Messrs. H. C. Millar and J. McCl. Jones, of Charlotte, N. C., bearing proxies of the stockholders came here for the meeting. Messrs. O. H. Yates and L. A. Wittkowsky were at the meeting as proxies for some of the stockholders. Mr. Millar acted as chairman, Mr. Jones as secretary, and Messrs. J. B. Wallace and H. G. Carrison, Jr., as inspectors of the election. The following directors were elected: B. N. Duke, J. B. Duke, Dr. W. Gill Wylie, Robt. H. Wylie, and R. B. Arrington, of New York; Norman A. Coker, W. S. Lee, C. I. Burkholder, of Charlotte, N. C.

The Wateree Power Company holds valuable water sites in Kershaw county, near Camden, and is one of the strongest power organizations in the South. Nothing was given out regarding the development of the company's holdings. This information will likely be gained when the directors meet later.

The company owns practically all land next to the Wateree River from near Knight's Hill, five miles north of Camden to Great Falls in Lancaster county. It is said that the greatest development to be made by the company will take place at Cat Fish Creek, about ten miles north of Camden, which will develop more power than either Great Falls or Ninety Nine Islands. When this development takes place Camden will no doubt forge to the front and take one of the leading positions of the cities of this state. The water power is practically at its "back door" and all it needs is to be developed.

Appointed Postmaster.

Mr. C. J. Shannon has been appointed Postmaster of Camden for four more years by President Taft. It is up to Congress to confirm the appointment, which they will no doubt do, as Mr. Shannon is a hard working and conscientious man and it is doubtful if there is a man in Kershaw County who could give more satisfaction to the public. The postmaster's job is no bed of roses, as he has to please everyone, and answer thousands of questions. Mr. Shannon's assistants are also hard workers and they do all that they can to please the public.

To Take Bicycles Off South Side of DeKalb Street.

A petition has been presented to City Council praying that bicycle riding on the south side of DeKalb and the Southern depot be prohibited. A delivery boy riding a bicycle a few days ago ran over a little child of Mr. and Mrs. Wardlaw Russell and the child narrowly escaped serious injury.

Hon. M. L. Smith, speaker of the House of Representatives, is always in demand as a commencement orator at various schools in this State. Already invitations have commenced coming to him. The first are Sand Hill school, near Kershaw, which commencement takes place on April 5th. He has also received an invitation to deliver an address at the closing of the Kershaw School on May 5th.

Prof. A. L. Gelsenheimer, who is now teaching in the Charleston schools will take a summer course at Columbia University, during the holidays. It will be of interest and good news to his many friends here to know that he will receive a handsome increase in salary next year and will teach in the higher departments of the Charleston schools.

The County Equalization Board is in session this week at the Court House. The members of the board are: J. N. McLeod, DeKalb Township; D. M. Kirkley, Buffalo Township; J. M. Smith, Wateree Township; J. S. Barfield, Flat Rock Township; and J. J. Goodale, Camden.

Senator W. R. Hough has been appointed as a delegate to the Southern Commercial Congress, which will meet in Nashville on April 10th.

Dispensary Fund.

Every county in South Carolina will receive 28 cents for every child enrolled in the public schools from the dispensary fund which is to be distributed on April 1, as a result of a measure passed at the last session of the general assembly. The fund amounting to \$99,195.60 will be distributed among the various counties of the state. Kershaw county's share of the fund amounts to \$1,622.33.

Notice is hereby given that one month from this date—on Saturday, April 27, 1912, I will apply to the Judge of Probate of Kershaw county for a final discharge as Administrator of the Estate of J. A. Rabon, deceased.
All parties, if any, having claims against the said Estate will present the same duly attested on or before that date or be forever barred.
Jas. A. Rabon,
Administrator.
Camden, S. C., Mar. 29, 1912.

WIRE FENCING
MEANS FENCE ECONOMY
First, it is durable. Think of the time you have spent in the last five years repairing and rebuilding fences of other kinds.
Also the time spent in watching your stock and the crops destroyed in spite of your carelessness. There are few farmers who have not lost valuable animals because poor fences taught them to jump. There are few communities where neighborhood disputes have not been the result of poor fencing.
The wire fence overcomes all of these troubles, enhances the appearance and the value of your farm and instead of having a hard, profitless job to keep the fence corners clear of weeds, you cultivate the soil now worse than wasted.
Think this over, then come in and talk wire fencing with us. We will sell you the best and cheapest fencing there is.
