Mrs. Sadie Rosenthal, the gam-bler's widow, in a statement to Disrict Attorney Whitman, put the asassination of her husband squarely up to the police. She said she had a premonition a tragedy would follow her husband's appointment at the Metropole and she named a police official as one of the men who was to be present.

Dr. McNaughton Will Pay Penalty.

Following this the physicians lawyers in an effort to halt the execution secured another review of the case by the supreme

Washington, July 10. —Senator Tillman, of South Carolina, today sought to launch in the Senate a movement to have the United States ing streets build the best battleship the world can ever construct, and then withseriously wounded by Arthur draw from the international race Best, a lawyer of that place. for big battleships, but the movement stuck in the ways.

NOW FOR THE "TERROR."

The South Carolina Senator had his battleship resolution all prepared, and showed it to numerous Senators, but decided to defer its presentation on account of the Lorimer case having the right of way. Senator Tillman would name the

proposed dreadnaught the "Terror." He would provide the maxiwashington square, and the sasonne offered for sale, and the mum size of gun, the maximum of speed and the maximum size that would enter dry docks and pass through the Panama Canal. Senator Tillman preferred the name of "Terror" to "Skeered - o- Nuthin" suggested once by Senator John Sharp Williams in the House as the name for an American ship out- linger's arm. ranking in size the English dreadnaughts.

Senator Tillman's resolution will call upon the naval affairs committee to investigate the details of the very best battleship possible and to report whether one such overpowering vessel would not be better for the United States than to continue "by increasing taxation to spend the millions and millions of dollars now in prospect in

"Let us find out just how far we can go with any degree of safety, and go there at once," said Sennever be used as the heat of the ator Tillman.
