"How Old Is That IHC Wagon?"

THE other day a Kansas farmer walked into the IHC local dealer's place of business to buy his third IHC wagon. The question of the age of his first IHC wagon came up. He thought he had had it about five years. The dealer looked up his old books and found that the wagon was purchased on the 15th of July, 1905, being now seven years old and practically as good as new. A man may forget when he bought his IHC wagon

but he cannot forget the long, faithful service he gets from it. IHC wagons are built to last long and give satisfactory service. Where you find a man owning an IHC wagon, you will rarely see him with any other make at any time.

The wood parts of IHC wagons are made from selected, high-grade, air-dried lumber. The metal parts are mostly steel of the strongest and best kind. Weber and Columbus wagons have wood gears, while Steel King and New Bettendorf have steel gears.

The best wagon for your purpose is sold by the IHC local dealer who will give you the best of reasons for buying it. Get literature and information from him, or write

REMBERTS NEWS NOTES.

Bad Death of Estimable Lady Near Smithville.

Remberts, S. C., Sept. 2. — The hot and dry weather is playing havoc with the late crops. There is a great deal of late corn and unless rain falls in a few days it will make nothing. Peas are again a failure and potatoes not good, so these two crops will be scarce. The health of our section is very good.

Rev. Cole closed a very interesting meeting at Swift Creek on last Friday evening. Rev. Mr. Hatfield aided in the meeting. There were several additions.

Mrs. A. I. Allen, of Columbia, is visiting her daughters, Mesdames J. K. McLeod and T. M. Rodgers.

Mrs. W. E. Allen, of Florida, is visiting relatives and friends.

The death of Mrs. C. L. Britton, nee, was heard here with profound sorrow. She was a daughter of the late J. D. Evans, and was universally liked by all who knew her. In early life she connected herself with Pisgah church and lived consistent with her christian profession. After her marriage she moved from here, but her friends ever fit an interest in her welfare. She left several children, a mother, seven brothers and sisters and an aged grand father, Mr. H. H. Evans Sr. May the God of all be a Father indeed to watch over the little ones so early left without a mother's loving care for there is no one that can ever take the place of a mother's care and love to her children. Several new stores are going up here and two gins with up-to-date machinery which will gin all the cotton brought here with dispatch. We hear of a cotton buyer coming here which will be a convenience to the people.

The cry of fraud in the election was expected from the defeated side. If there is fraud both sides are guilty, for Jones increased 16,000 over Featherstone, while Bleas only increased 15,000 over his vote of two years ago. The fact is we don't believe there is any fraud, but a full vote, and from a natural increase of population. Several of the Northern Congressional districts have polled a larger per cent than this state has in the Governor's race. Tillman got just what he deserved at the polls—a severe cutting for his stab in the eleventh hour. The people love fair play to all. If conditions continue there will be a new party, for people are tired of this state of affairs. A portion of the press in its efforts to defeat Bleas was what you might expect from a Turk. A newspaper can be clean in politics just as in other things without filling its columns with dirt like the yellow journals of the North.

Stricken by Heat.

Saturday morning, on his run between Camden and Sumter, Enginee Brown, of the Northwestern railroad was overcome by the intense heat and his train was on this account delayed for several hours in reaching town. Upon his arrival he was taken in charge by the station master and sent to the hospital until he recovered from the effects of the heat.—Sumter Item.

Card From Capt. M. L. Smith.

To the Democratic Voters of Kershaw County:

I feel that I am utterly powerless to express to my many friends in the county my heartfelt appreciation of the splendid vote given me in my sixth nomination for the House of Representatives. Few men in public life have been more freely and implicitly trusted than I have been by the people of Kershaw County. A consciousness of this fact has always been to me a source of encouragement and strength in the discharge of my public duties. I have always faithfully and honestly endeavored to make my private and public life, to some extent, at least worthy of the confidence, dignity, and high character of the people whom I have had the honor to represent.

I shall not offer for the House of Representatives again. As I enter upon my last term of my service, my heart fills with deepest gratitude to you when I realize that in the large vote which I received last Tuesday you have probably given me the most complimentary and splendid endorsement of my public career. This fact shall stimulate me to all the ardor and loyalty of which I am capable in a watchful, and I trust, patriotic regard for the interests of our county and state. Mendel L. Smith.

SHAMROCK NOTES.

Shamrock, Sept. 4.—Please give space in your unblasted paper for a few notes from this section of the county.

We are thankful for the good health of this community.

The crops are medium good in comparison with other sections of the state.

Some of the good people have been praying that good men might be elected to office who would give us good government. We think their prayers have been heard to a great extent. We should always yield to the majority of the people.

We are glad to hear that Miss Lucile Britton will teach our next session of the school here. She gave us great satisfaction during our last session.

A Card From Mr. Singleton.

Through the columns of The Chronicle I desire to thank my friends for the very flattering vote given me in my race for Clerk of Court. While I was defeated, I assure you the vote was highly appreciated. Very truly, H. C. Singleton.

DEKALB NEWS NOTES.

Another Correspondent Joins Our Growing Band.

DeKalb, S. C., Sept. 5. — The protracted meetings conducted by the Rev. S. Thompson's closed last Sunday. There were nine additions to the church. We feel that the meeting did the community much good. We feel proud of the fact that with the exception of three all who joined the church were young men. It speaks well for a community when the young men take a stand for good.

The Kershaw Oil Mill will open up its ginnery here in a few days with Mr. Dan Owens in charge.

Mr. Robert Sill, of the Flint Hill community, is putting in a saw and shingle mill on the Workman-Mackey place.

Mrs. M. R. Workman, mother of Mr. N. B. Workman, of our town, left last Friday for Rock Hill. She will go from there to Little Rock, Ark., to visit her daughter, and we wish for her a pleasant trip.

Election Returns Confirmed.

On Thursday of last week when the Executive Committee of Kershaw county met to tabulate the returns of the election Mr. L. T. Mills filed with the County Chairman a protest against the tabulation or acceptance of the election returns, charging irregularities and fraud at certain precincts in the county, whereupon the committee adjourned to meet yesterday.

Pursuant thereto the Committee met at the court house yesterday at 11 o'clock and after considerable discussion decided to confirm the election returns, both state and county, as seen in by the managers, and which were reported in The Chronicle last week.

A Correction.

In the report of the vote for Township Commissioner for West Wateree last week we gave Hinson's vote as 166. It should have been 116 and makes the second race between Ross and Smith instead of Hinson and Smith.

A Card From Judge Russell.

Publishers Chronicle: Please allow me space in your columns to return my sincere thanks to the Democratic voters throughout the county for the vote they gave me in the recent primary election. I am indeed grateful to my friends all over the county for the liberal support given me and hope to show my appreciation of the same by the faithful discharge of the duties of the office. Respectfully, W. F. Russell.
