Pleasure and Protection

"One of the best reasons why I would not be without telephone service," writes a Georgia farmer, "is the pleasure it gives my wife and the knowledge that while I am away, she has the protection that the telephone gives.

On the farm the telephone dispels loneliness and is the means of bringing help in any emer-

If you haven't a telephone on your farm see the nearest Bell Telephone Manager or write for our free booklet and learn how little this service costs.
