#### MY VALENTINE.

**T** WAS thirty years ago, dear, when this old world was new, and life was just a golden dream, unending, dear, to you.

I looked into your soft brown eyes and you looked into mine—  
Twas then I whispered, "Curly-head, you are my valentine."

"Twas thirty years ago, dear, and now your hair is gray, but your brown eyes are just the same as on that winter day when first I looked into their depths and pledged my love with thine—  
The day I whispered, "Curly-head, you are my valentine."

The books that belong to the old library are coming in every day, and we entreat all who have books to bring them in at once. The Library needs them badly, as the readers are increasing every day. If this is not done the Association will appoint a committee to go around and ask for the books that belong to the Camden Library. Bring the old ones in, and get new ones. It will not cost you a penny.

#### RESOLUTIONS ON THE DEATH OF MRS. F. M. ZEMP.

It is with a keen pang of sorrow that we, the John D. Kennedy Chapter U. D. C., record the death of Mrs. Katherine DeLoache Zemp, a loved member of this organization.

Therefore, we resolve, 1st. That while we deeply deplore the loss of our friend, we rejoice to know that she is through with pain and sorrow and is forever with her Lord.

2nd. That we extend to the family our heartfelt sympathy, and the comforting thought that she has exchanged weakness for strength, and sickness for the glory of his peace, and the holy communion of Heaven.

3rd. That a copy of these resolutions be sent to her family and that a page in our minute book be inscribed to her memory.

"A gentle life has passed into the tomb, The weary feet have reached the destined gate;

A loving heart has gone to meet its doom,

A ransomed soul to live where angles wait.

Her fragile barque has crossed the narrow sea,

And from the storms of life forevermore is free."

#### PARISH AID SOCIETY PLANNING ENTERTAINMENT

The ladies of the Parish Aid Society of Grace Church are planning to have an entertainment in the near future which promises to be out of the ordinary in interest. They feel that they are most fortunate to offer to the public a lecture by Dr. Rainsford, the former Rector of St. Thomas' Church on Stuyvesant Square, N. Y., on his travels and adventures in Africa. He spent two years in the jungles and had many thrilling experiences in hunting the big game in which that country abounds. He is a gifted speaker and will doubtless give one of the finest lectures ever heard in Camden. It will be delivered on the evening of Friday the 25 of February at Holly Hedge, for which occasion Mr. Robinson has generously offered the use of his handsome ball room. A large crowd will doubtless attend to hear this distinguished traveler and a delightful evening is promised for all. Admission 50 cents.

Tomorrow at the Majestic, Mr. and Mrs. Vernon Castle in "The Whirl of Life"
