**GAIN IN SEED MARKET.**

The People of Kershaw and Adjoining Counties:  
I wish to state that I am again associated with the Buckeye Cotton Oil for the coming season as their agent for Kershaw, and a part of Sumner and Lee Counties, and take this opportunity of thanking those people who have seen fit in the past to give us the patronage that they have, and that we merit a continuance of confidence, and promise to be ever at your interest as well as our own.  
And to those who have not seen fit to have any cotton seed business with us in the past, we ask you to give us an opportunity and we assure you that we shall do everything in our power to make any transaction with you both pleasant and profitable.  
We fully realize the shortness of the cotton crop over the entire territory, thereby making competition keen, and safe in saying to those not giving an opportunity to bid on your seed, that you will lose money and trust that we will at least do you this favor.  
Again thanking you for the business of the past and asking a continuance of your confidence, I am  
Respectfully,  
R. L. Moseley.

**PRAISES PRESIDENT WILSON.**

**National Election Showed His Great Popularity.**

Rembert, S. C., Nov. 13.—The National election showed the great popularity of President Wilson when he carried rock-ribbed Republican states. Any other man in public life would have lost out. We will now have dignified peace during his next term. Like all men he has made mistakes, but he is a good man and will always seek to do right. We hope he will make England do better and as for Mexico that is a cut-throat nation and deserves to be treated like savages, for it has shown its incapacity to have a civilized government.

We of the South who have felt the iron hand of bad government feel thankful that we have at the helm a fine christian man that will guide the ship of state for the good of all.  
Oat and wheat planting is going on at a rapid rate. A large acreage is being sown. A great deal is up and looks well.

Miss Ina Baker attended the Woman's Missionary meeting in Orangeburg last week. She returned home Friday and said they had a fine meeting and were royally entertained.

The services at Swift Creek church yesterday were quite interesting. Addresses on Missionary lines were delivered by the pastor, J. E. DuPre, Rev. J. W. Kenney and Mrs. S. E. Goodale.

Swift Creek church is a fine body of people who know how to make you feel at home. Mr. Fulmer, the pastor, is a live wire in church work.

The hot supper at Mr. J. L. Gibbs' quite recently for the benefit of Swift Creek church was a fine one. All enjoyed the fine spread. You ought to have been present, Mr. Editor. Quite a nice sum was realized.

Mr. Wardlaw Perrin and two of his friends from Lake City got back from Niagara Falls, Toronto, Canada, Detroit and other points north. He said the people in Canada were thoroughly in earnest in fighting to a finish in the terrible war and every one is sure of victory for the allies. He said and yet you can't miss them from the country. In the States, the people were about equally divided as to Wilson or Hughes.—Bishopville Vindicator.
