COLORED PEOPLE HELD MEETING

Passed Resolutions and Promise Aid in National Crisis.

The Civic Preparedness and Food Production mass meeting of colored people which was held in Mt. Moriah Baptist Church Wednesday night was well attended and created a very helpful sentiment.

Many farmers from the country were present and showed themselves to be very much interested in this movement that so vitally concerns everyone of us.

Very strong and earnest addresses were delivered by Mr. C. W. Birchmore, County Supt. of Education, Senator A. J. Beattie, and Rev. J. H. Graves, Chairman of the committee, and Mr. J. J. McKenzie. Because of illness Dr. Sorrell could not be present but sent a kind message saying his services are available at any time to give any help that is his power to give.

The following committees were appointed:

First a central committee which embraces all of the colored ministers of the city together with E. H. Dibble, Jas. Gettys, E. J. McGirt, and C. C. Lowery.

For eastern Kershaw Mitchell Clark, B. W. Montgomery and I. J. Johnson. For Southern Kershaw J. M. Burroughs, Richard Howard and Rev. R. E. Boykin.

For Western Kershaw, F. P. Wiley, L. Stewart, R. B. Anderson and W. S. Wood and V. L. Qualls.

For Northern Kershaw J. D. McLester, Hampton Sutton, Wm. Atkins, Frank Kirkland and E. D. Belton.

The following resolutions were offered as an expression of those present:

"Whereas we are in a state of warfare with the German Empire and this condition of affairs requires the full co-operation of every person in the United States;

"Resolved, that we the colored people in mass meeting assembled pledge ourselves to the defence of our country against our enemy in whatever way we may be called upon to do.

"Resolved, also, that we heartily appreciate and approve of the Civic Preparedness Campaign which is being waged in this state as means of arousing greater interest in the people in food production. Inasmuch as only a small number of us may be called to go to the front, the greater number of us will remain home and can produce foodstuffs for those who go. In this way all can render real patriotic service and help to bring victory to our country.

To all of which we shall unceasingly labor and pray.

And whereas, we have been so earnestly and ably instructed this evening by our distinguished white friends.

Be It Resolved: That we extend to them a rising vote of thanks for their excellent services.

"Resolved further, that we give our best support and encouragement to our country chairman, Rev. J. W. Boykin, and thereby line up every colored citizen in Kershaw county."

Robert T. Berry, pastor of the Congregational church of Yonkers, New York, shot and killed his wife and mother-in-law and wounded his sister-in-law after which he killed himself Saturday. He had argued nearly all night with them while they were upholding the Germans and he was denouncing them. His wife was always pro-German, but their quarrel on Saturday night was unusually bitter and ended in the pastor shooting them and then killing himself. Mr. Berry had been a clergyman for 20 years and had been a leader in patriotic movements.

AFTER THE FIRE

Two Pictures

"John Doe lost his house with all its contents by fire last night. Mr. Doe had his property well insured, and says he will have a new residence started as soon as the ashes of the old one are cool."

"The home of Richard Roe was burned last night, together with all the household furniture and clothing of the family. Mr. Roe had no insurance and the loss falls heavily upon him. Relatives and friends will care for the family temporarily."

The two pictures are not at all overdrawn. They are both being reproduced every day.

If your home should burn tonight, which picture would fit your case?

Be wise—see us now. After the fire is too late.
