### As Missionary to China.

York, June 16.—Miss Elizet Neville, daughter of the late Rev. W. G. Neville, D. D. for many years pastor of the First Presbyterian Church of Yorkville, expects to sail July 26 for China to enter missionary work under the auspices of the Presbyterian Church. During the past four years Miss Neville has been in New York in a mission training school. She was among those who were in York this week on account of the seventy-fifth anniversary celebration of the Presbyterian Church and the announcement of her intention to labor on the foreign field was received with much interest by her many friends here.

### IMPROVING KIRKWOOD

#### Fifteen Thousand Dollars Will Be Spent on Popular Hotel.

Contractor W. G. Adams this week secured the contract from Mr. T. Edmund Krumbholz for a large amount of improvements at the Kirkwood Hotel, and will begin work on this contract in the near future. Among the improvements to be made will be the remodeling of the Country Club building. This will be converted into an eight room dwelling, each room being provided with separate bath and porch. A number of rooms will be added to the hotel building, the dining room will be enlarged, and we understand that the management plans to let other contracts which all told will amount to more than \$15,000.00. The plans for the work were drawn by Mr. R. W. Mitchell.

### Death of Mrs. Boykin.

The friends and relatives of Mrs. John Boykin were grieved to hear of her death which occurred in Charleston on Monday night.

Mr. and Mrs. Boykin had been in Atlanta for the past three months, visiting their daughter Mrs. Samuel Roberts, and returning to their home in Camden stopped in Charleston with Mr. and Mrs. Morton Wilson. They had been there only a few days when Mrs. Boykin was taken ill. She was before her marriage Miss Elizabeth Ancrum, daughter of Col. Thomas J. Ancrum, and Margaret Douglas Ancrum.

By her many noble attributes of character she had endeared herself to all with whom she came in contact. Surely "none knew her but to love her." The remains were brought to Camden Tuesday morning and laid to rest in the Quaker cemetery.

Mrs. Boykin leaves the following children: Dr. Edward Boykin, of Charleston; Mrs. Samuel Roberts of Atlanta; and Mr. T. A. Boykin, of Camden.

### Red Cross-Week in Camden.

Answering the call of President Wilson to raise \$100,000 Red Cross week fund, the Camden chapter has been busy in various ways. Manager Little of the Majestic Theatre is giving a portion of the receipts at this picture show to this fund. The young ladies volunteer committee with Miss Catherine Zemp as chairman had charge of the sales of theatre tickets on the street and soliciting funds. The Boy Scouts under Scout Master Trotter have also been at work for the Red Cross in the sale of theatre tickets and doing errands for Red Cross officials.

Boxes have been placed in the drug stores for this fund and if you have a donation to make and do not find a solicitor drop it in one of these boxes.

Sunday morning the collection by envelopes will be made in all churches both white and colored.

### Timrod Hall Enlarged.

Mr. T. C. Hoge, proprietor of Timrod Hall, the youngest of Camden's tourist hotels has let the contract to Mr. I. R. Swartzel for the remodeling of this hotel during the coming summer. This hotel was built only last year with accommodations for fifteen people, but Mr. Hoge could not accommodate all who applied last season and when remodeled, this hotel will be prepared for thirty five guests, and a number of the rooms will be provided with private baths, a feature which was lacking last season.

### Exemption Board.

Clerk of Court Jas. H. Clyburn, Senator A. J. Beattie, and Dr. John W. Corbett, have been recommended by Gov. Manning for appointment as members of the Board of Exemptions for Kershaw County. These gentlemen will pass upon the applications in this county of all those who claim exemption from military service under the selective conscription act. The decision of the local board will not be final, as applicants may appeal to the Federal Board in each Federal District.

### Death of an Infant.

Mr. and Mrs. Wylie Hogue have the sympathy of the entire city in the death of their little nine months old son, James Anthony, which occurred at their home in Camden early last Tuesday morning. The little fellow had been sick for only a few days, and was thought to be recovering, but suddenly grew worse Monday evening. The funeral occurred Wednesday afternoon at Spring Hill Church, conducted by Rev. J. P. Attaway, and was attended by numerous friends in Camden of the bereaved family.

### Examination for Custodian.

A competitive examination will be held in Camden on July 14th, for the position of Custodian of the Camden Post Office. Only physical ability, training and experience will be considered in the examination, as no educational tests will be given, and the appointment carries a salary of \$600.

### YOUNG LADY SHOT

#### Accident at Guards' Camp Last Sunday Evening.

An unfortunate accident occurred on last Sunday evening about 7:30 o'clock when Miss Lizzie Haynes, of this city was shot by one of the members of Co. K doing guard duty at the S. A. L. trestle near Camden. From what can be learned it seems that Miss Haynes, in company with a young lady companion went to the camp about 7 o'clock Sunday afternoon, and were talking with two members of the guard, when a third member came toward the party, and when hailed by one of the men, jokingly replied that he was going to shoot him at the same time pointing the gun toward the group. At this time Miss Haynes jumped between the two men and the gun was discharged, and the bullet struck the young lady, piercing the left cheek and breaking the left jaw bone. Medical aid was summoned at once, and the young lady was carried to the Camden Hospital for treatment. At last accounts her condition was improved, and while very painful, the wound is not considered serious.

The shooting was clearly accidental, and no blame is attached to the young man who did it, other than severe criticism for his carelessness, and we understand will be tried by court martial for the irregularities which were directly responsible for the unfortunate occurrence.

### Lad Meets Death.

Spartanburg, June 15.—Lester Taylor, the eleven-year-old son of J. E. Taylor, a prominent resident of Fairforest, near this city, was killed this afternoon when a stack of cakes in the cake room of the Fairforest Oil Company fell on him and crushed him almost into a pulp. The boy was a visitor in the mill and had gone into the cake room, where large cakes are made from cotton seed preparatory to mixing them for cotton seed meal. While standing near a tall stack of these cakes the stack fell, catching him beneath it. The stack weighed about 700 pounds.

### Bad Husbands.

Among the thousands of letters reaching the provost marshal general's office these days from wives, mothers, and sweethearts asking exemption for their men, officials were amused today to find several from wives recommending that their husbands be conscripted. One woman said her husband did not want to go to war, but had no good reason for not going, and "tipped" the war department that it would be just as well to make a soldier of him.

### STATE CONVENTION HERE

#### Building and Loan League Meets Here This Week.

The members of the South Carolina Building and Loan League assembled in Camden on Wednesday of this week for a two days convention, and while here were the guests of the local Building and Loan Associations.

The meetings were held in the Court House and were attended by a number of town people, and especially the meeting which was held on Wednesday evening when the members were ably addressed by Hon. Thomas G. McLeod of Bishopville, and Messrs. T. Hunter Gibbs, and F. H. Hyatt, of Columbia. Immediately after this meeting the members and their guests were invited to Sarsfield Golf Club, where a bountiful luncheon was served them by the local chapter of the D. A. R. About sixty guests attended the luncheon and pronounced it a most enjoyable affair.

On Wednesday afternoon the visitors were carried for an automobile ride over the county, and a stop was made at Mulberry where a lunch was also served them.

The meeting adjourned yesterday morning, and most of the members left for their homes during the afternoon.

Mrs. Matilda Huckabee, aged eighty years, widow of the late Archie Huckabee, died at the home of her granddaughter Mrs. Mattie Turner, in this city last Sunday afternoon. She was before her marriage Miss Matilda Truesdale, and was born near Westville. Mrs. Huckabee was stricken with paralysis about two years ago, and for the past two months had been confined to her bed. She was a member of the Methodist church, and was a regular attendant as long as her health would permit.

One son, Wm. Huckabee, of West Waterree, three brothers, Messrs. Henry Truesdale, of this city, Jas. T. Truesdale and L. M. Truesdale, of Westville, and a number of other relatives in this county survive her.

The funeral services were held last Monday morning at Ebenezer church in West Waterree.

### \$50,000 Loss in Lancaster.

Lancaster, June 17.—Fire of unknown origin tonight at 8 o'clock totally destroyed the Lancaster and Chester Railroad depot here. The loss is estimated at between \$50,000 and \$80,000.00 with only partial insurance. The Sowell wholesale grocery occupied a part of the building, as did the Bennett Terry Company and several other brokers and fertilizer dealers.

Mr. Beattie was a native of Ireland, and formerly resided near Heath Springs, but had been making his home in McBee for several years. He is survived by two sons and two daughters, one of his sons being Senator A. J. Beattie, of this city. The funeral and burial occurred at McBee on Saturday of last week, and was conducted by Rev. A. W. White, pastor of the Presbyterian church of that place, and was attended by a large number of sorrowing relatives and friends. Mr. Beattie was quite well known in this county, and had numerous friends here who will regret to learn of his death.

### Sermon to Woodmen.

Nearly one hundred members of the local Camp of W. O. W., assembled at their hall last Sunday evening and went to the Methodist Church in a body, where a special sermon was preached to them by the pastor, Rev. John H. Graves. Mr. Graves made a forceful address on what the W. O. W. and other fraternal orders are for and among others, laid great stress on the fact that the spirit of fraternalism is practiced too little in our every day life. A solo rendered by Mrs. E. C. Zemp and a violin solo by Miss Izard added much to the services. Quite a large crowd was present in addition to the Woodmen.

### Lad Killed Near Cassatt.

Coroner Dixon was called to Cassatt last Sunday morning to hold an inquest over the body of Lee Robinson, a young lad of that section, which was found on the tracks of the S. A. L. Railway about one mile south of that place last Saturday night. The little fellow had been grazing a cow late that afternoon near the spot where he was found and it is supposed that he was struck by the Northbound through train. The Coroner's jury rendered a verdict that he came to his death by being struck by a train on the Seaboard Railway.

### Death of Mr. Orr.

Mr. W. B. Orr, father of Mrs. J. H. Clarke, of this city, died at his home in Hendersonville, N. C., on last Saturday. Mr. Orr was 71 years of age, and had been in failing health for a long time. Deas was standing beside the pillar, and the earth caved in throwing the pillar on him and pinning him underneath it. The injured man was carried to his home and is improving.

### NEARLY \$3,000,000,000 SUBSCRIBED

#### Loyal Co-Operation Made Loan's Success Possible.

Secretary McAdoo announced Saturday night that no part of the great over-subscription to the Liberty Loan would be accepted, and that his statement of May 10, in which he declared that the issue would be limited to \$2,000,000,000, stood now as then.

Mr. McAdoo's announcement will result in parting down hundreds of the larger subscriptions until the total reaches the \$2,000,000,000 limit. The over-subscription will not fail, it seemed certain, below \$700,000,000 and may go as high as \$900,000,000. The grand total of subscriptions received at reserve banks up to noon Friday, the closing day, will not be known until Monday at the earliest. The total of subscriptions that reached the Federal reserve banks after this hour probably will not be known until after that.

In disposing of reports that the amount of the issue might be enlarged to include all offers, Mr. McAdoo in a statement said:

"Allotments of Liberty Bonds will not be made in excess of the two billion dollars offered. I announced this on May 10, when the details of the loan were first published.

"I have asked the reserve banks to tabulate subsequently and on supplementary lists, the subscriptions received yesterday, June 15, after noon, in order that I may be in a position to consider in making allotment of the two billion dollars of bonds, those applications which, through no fault of the subscribers, either because of delay on the part of the bank or trust company transmitting them, or congestion of the mails or at the doors of the Federal reserve banks at the moment of closing, were not recorded on time.

"It is impossible now to foretell what decision will be reached in this matter, or to determine the basis upon which allotments will be made until substantially definite reports have been received from the several reserve banks.

"I shall avail myself of the right reserved in the circular offering the bonds for smaller amounts of bonds, and to reduce allotments on applications for larger amounts, as such action will be clearly in the public interest."

Mr. McAdoo acknowledged with appreciation the work of the many forces of publicity which aided in the flotation of the loan.

"The Liberty Loan Campaign," he said, "was essentially one of education and without the generous and patriotic support of the press of the nation, the hopes of those in charge that it would be a popular loan would not have been realized.

"At a time when news space was at a premium, the Liberty Loan was featured at length. The foreign language press, in thirty-six languages, gave daily proof of undoubted loyalty of peoples of foreign birth.

"I shall be most grateful to the press if this acknowledgment is given wide publicity."

### Dr. Edward S. Joynes Dead.

Columbia, June 18.—Edward Southey Joynes, M. A., L.L. D., professor emeritus of modern languages of the University of South Carolina, died this morning at 9:40 o'clock in his rooms at a local hotel. Eighty-three years of age, scholar and author, in 1862 a colleague of Gen. Robert E. Lee on the faculty of Washington and Lee University, Dr. Joynes was one of the most venerable and eminent educators of the nation. His text books on the modern languages have been adopted throughout the Union and gave to their author a position of rare influence in circles where finished scholarship is highly appraised.

Dr. Joynes' death was not unexpected. For the past several years his age made him feeble and at times brief illnesses caused uneasiness among his friends. For the past ten days he had been confined to his rooms and yesterday afternoon and last night his condition became steadily more serious. At his bedside when the end came was his daughter, Mrs. Robert Macfarlan, of Darlington. Other children who survive the distinguished educator are: Mrs. A. G. Fite, Long Branch, Cal.; Mrs. J. W. Ragsdale, Florence, and Capt. Walker W. Joynes, a retired officer of the United States Marine Corps, Norfolk, Va.

### He'll Register Now.

Spartanburg, June 18.—Fletcher Griffith, a negro preacher, was the first man arrested for violation of the law requiring men between the ages of twenty-one and thirty to register for military service in this county. He lives near Woodruff and for some time it is said, had been preaching to the negroes; not to register, as the white people wanted to send the negroes to France while they stayed at home. He was arrested by Special United States deputies, and given a hearing by United States Commissioner R. J. Gantt. He stated before Commissioner Gantt that he was twenty-eight years old and "hadn't registered and wasn't going to."
