In mentioning the names of those who assisted the Local Registration Board on June 5th in registering the young men who had just become twenty-one we unintentionally omitted the name of Mr. M. H. Heyman from the list. Mr. Heyman was there the entire day and rendered valuable assistance to the board.

Several of the young people who have always found the home of Mrs. Team an attractive gathering place, spent a delightful evening there—escorting Mr. Albert to the midnight train to see him off and wish him all kinds of good luck in his work on his ship, one of the largest battleships of Uncle Sam's fleet.

Red Cross Meeting Today.
The Camden Chapter American Red Cross will hold its monthly meeting this afternoon at 6 o'clock in the Work Room.

ORIGIN OF THE RED CROSS.
Now while there is so much being said and done for the Red Cross, it might be well to know something of the origin of this great organization, as so few people really know how it started or why the Red Cross was adopted as the emblem.

We have all read of Florence Nightingale and her work of love and mercy among the wounded during the Crimean War. Inspired by her work, a young Swiss—Henri Dunant—conceived the idea of an international organization to carry on the blessed work she had started. He and a group of interested men called a council of representatives from fourteen different countries to meet in Geneva, Switzerland, in 1864, and adopted an international treaty in which each nation pledged itself to work together for the wounded, and never to fire upon a doctor, nurse or ambulance that bore the sign of the Red Cross.

The convention adopted the emblem of the Swiss banner, with the colors reversed, as a tribute to the nation which called them together.
The two words "Humanity" and "Neutrality" are the watchwords of the Red Cross, and to care for those in need, regardless of race or creed is their aim.

TODAY IS "FLAG DAY"

Patriotic Songs to Be Rendered at Majestic Both Performances Today.

June 14th is Flag Day. This is the anniversary of the Stars and Stripes. It is to be made a great patriotic occasion throughout the country and the Civic League, through its president, has offered the hearty co-operation of the League to the management of the Majestic Theatre to help make the day a success.

They will arrange a chorus of voices to lead the singing and decorate the theatre for the occasion. We want as many of the school children as possible to attend the first performance, beginning at six o'clock, and join in singing the Star Spangled Banner and My Country 'Tis of Thee. Between the first and second shows there will be sung the Star Spangled Banner and Keep the Home Fires Burning.

The words of both will be flashed on the screen so that everyone may join in the singing. We hope that every man, woman and child in Camden will attend one of the performances and help do honor to the Stars and Stripes, for our Flag has never seemed more dear to us than now, as it is borne over the fields of France by our boys "Over There."

There is to be a splendid program on for that day. Ann Murdock in "My Wife" as well as a good comedy and everyone will be sure to enjoy it.

Manager Majestic Theatre
Mrs. N. R. Goodale,

Waterloo Mill Village Notes.
Camden, S. C., June 13.—Besides the many other improvements that are going on in the mill village all the cottages are being screened. This is something we have reasons to be proud of, and wish to thank the mill officials.

The bath house and equipments have had a fresh coat of paint and taking a swim in the lake these warm evening after work hours is one of our greatest attractions.

The Mothers Club met on last Thursday evening with a full attendance. After taking up several matters of interest, refreshments were served and the meeting was brought to a close by Mrs. Sallie Smith, with a prayer for our "boys over there."

On Friday evening last the village folks enjoyed an ice cream festival in the park by the lake. Twenty-one gallons of cream being served.

The party given at the Club House on Saturday evening until a late hour by the young folks was greatly enjoyed by everybody.

Our school closed on last Friday and the children are enjoying a rest. We regret very much not having back with us for next term Miss Annette Jones has been teaching with us for several years and her place will indeed be hard to fill.

A very interesting game was played between the Lancaster and Waterloo ball teams on last Saturday evening. The score was 11 to 4 in favor of Lancaster.
