MEETING OF LIBRARY ASSOCIATION

The Association met at the Library on Monday at 6 P. M. The meeting was called to order by the President Mrs. E. C. vonTresckow. Miss Willie Wat-kin, who had been elected secretary at the last meeting declined to serve. Miss Helen Phelps was elected to fill the vacancy. The treasurer Mr. L. A. Wittkowsky could not be present but sent in a report.

A motion was made to request Mr. Wittkowsky to urge the City Council to pay the amount due the library. The amount is quite large and badly needed for we must buy fuel for the winter, and there are other expenses necessary to make the library what it should be.

The Librarian's report showed more than four hundred resident readers and more than 2,500 books on library shelves. She was also glad to report that twenty-one had that day graciously responded to the call for Association dues. In making this report the librarian said: "When this collection was made the business places of our Jewish friends were closed and they were not given an opportunity to contribute, but their contribution will come in later for they are ever generous and public spirited."

There was quite a bit of business attended to but would not interest the public generally. Everything is going on smoothly, and the library is indeed an institution of which the town should be proud and we believe is, proud and deserves the loyal support of every good citizen. The librarian also reported five new books from Mrs. Lawton of Rhode Island and one history in two volumes from Mrs. Clarke of New York.

DANCE AT THE CLUB HOUSE

The college set had an enjoyable dance at the new club house on Monday evening. It was a farewell occasion for the girls who are leaving for college and the boys who are to enlist in the Students Army Training Corps and will long remain a happy memory.

Schumaker's orchestra furnished the music and the inspiring strains, smooth floors, pretty girls and gracious chaperones will linger long in the hearts and minds of the boys when they are far from home and serving "Uncle Sam".

Among the out of town guests were Misses Henrietta and Ida Boykin of Sumner and Miss Jennie Lee Boyd of Orangeburg. The chaperones were Mr. and Mrs. C. C. Whitaker, Mrs. I. S. Heath and Mr. and Mrs. D. A. Boykin.

SIMMONS-BOYKIN

On Wednesday afternoon September the 11th at 4 o'clock, Grace Church, Charleston, the marriage of Miss Caroline L. Simmons, of that city and Mr. Dean Boykin of Kershaw county was solemnized. The bride is the daughter of Mr. and Mrs. Bayard Simmons. She is popular in Charleston society and said to be by those who know attractive and charming in manner and person. The groom is the son of our esteemed fellow citizen Mr. L. W. Boykin and is a young man of sterling worth, and popular with all who know him. This notice will be of interest to a wide circle of friends throughout the County.

Plans For State Fair.

Columbia, Sept. 16.—Preparations are going forward steadily for the annual State Fair to be held October 28 to November 1, inclusive.

The Fair management was recently advised that reduced fares would be allowed. Although the officials have not been notified what these rates will be the presumption is that one and one-half fares for the trip will obtain, as determined by the railroad administration, but not officially announced.

With reduced rates and a great increase of the number of automobiles in the country, the Fair management is assured of a good attendance this fall.

JEWISH HOLIDAYS

The three days holiday, celebrated by our Jewish friends this week was most enjoyable. They had thirty boys from Camp Jackson as their guests—many of them far from home, who thoroughly appreciated the opportunity of keeping their faith and participating in the time-honored customs of their people. They also expressed themselves as being charmed with Camden and the gracious hospitality accorded them in the attractive homes of our Jewish citizens.

Reformed services were held at the home of Mr. and Mrs. David Wolfe at which Mr. L. A. Wittkowsky delivered an interesting and instructive address. Orthodox services were held at the home of Mr. and Mrs. H. L. Schlosburg and were conducted by Cantor Blum of Columbia, assisted by Sgt. Loudon, and Mr. Karesb. After services a concert was given by the boys. Pt. Rosen, who at one time was with the Boston Symphony Orchestra gave a few selections on the violin. Sgt. Loudon, who was a song writer before going into service and his music composer Pt. Reisman, rendered several of their old and new successes, after which the boys all joined in singing their favorite camp songs. Leaving by automobile for Camp Jackson, the boys gave three cheers for "charming Camden."
