**D. C. TO NEXT MONDAY**  
The John D. Kennedy Chapter U. D. will meet next Monday at the home of Mrs. Boykin Clarke, and Mrs. Bueckel Boykin will be assistant hostess. The meeting will be called to order promptly at 5 p. m. and members are expected to be prompt as much business must be disposed of. Delegates to the general convention which meets at Louisville, Ky. in November must be elected at this meeting and other matter of importance discussed. The hostesses extend a cordial invitation to all and the chapter President earnestly desires a full attendance.

**MOONLIGHT PICNIC AT MILLBANK**

In compliment to the young men who are leaving for college this week and who are going to enlist in the Students Training Corps, a delightful moonlight picnic was given at "Millbank" Saturday evening. The hostess for the occasion were Misses Ellen Douglas Boykin, Katherine Zemp, Bland and Elizabeth Williams, Ethel and Eulalie Yates, and Rhett DeLoache. In addition to the honor guests there were quite a number of officers from Camp Jackson, and Misses Jane Tucker Fisher, of Columbia, and Annie Cuthbert, of Charleston. Mr. and Mrs. John Villepique and Mr. and Mrs. David Perkins were chaperones.

Delicious refreshments were served with ice tea, hot tea and coffee. The place was most appropriate for the occasion for it abounds in happy memories of bygone pleasures for all of the young folks and for many of the older ones too, and no doubt these boys who are destined within the next few months to go far away from home will often picture in fancy the old pond that holds a place in the heart of every Camden boy that is entirely its own.

**RED CROSS CANTEN**

The Canteen has been moved to the Broad residence on Broad Street. The quarters are ideal for the purpose, as the rooms in this old-time Southern home are to be made quite home-like and comfortable. The sunny verandas will be a pleasing addition for the coming winter days, and the soldiers from Camp Jackson or elsewhere will always find a warm welcome on Saturday afternoons and Sundays and all who are in town are invited. The committee would also be glad to know when drafted men are leaving.

**ANNUAL MEETING OF RED CROSS CHAPTER**

On Friday afternoon Oct. 11th the Red Cross Chapter will meet at the Court House. All members, and all interested are urged to remember the date and to attend. This will be the annual meeting and officers are to be elected and committees appointed for the ensuing year.

**A Card of Thanks.**

We take this means of thanking our many friends for their untiring attention and many kindnesses shown during the long illness and death of our beloved daughter and sister, Sadie Clements, who departed this life September 1, 1918. May God's richest blessings be theirs. The Family.

"Mutt and Jeff" at the Opera House. "Mutt and Jeff in the Woolly West", the screaming musical comedy success of the age, will be the offering at the Opera House next Thursday.

The greatest of all sure fire cartoon characters, Mutt and Jeff in their newest adventures are reported a scream from start to finish. This time the long and short freaks get mixed up in a cowboy party, all on account of a demure little girl of the school age type. The wives and sweethearts of the "woolly west" gentlemen misunderstand matters and complications pile up until the two scamps are winging all the time. Ginger, snap and go, is the slogan of the performers and reports say the prospectus is lived up to in every detail. The scenic and costume investiture rivals the most ornate and costly effects of the big Broadway productions.

**BUY-- WAR SAVINGS STAMPS CONSTANTLY**

**FOR BELGIAN RELIEF**

**Work Still Going Forward to Help Distressed Little Nation.**

In an appeal to the American people for a hearty response to the Belgian Relief Fund, Henry P. Davison, chairman of the War Council of the American Red Cross, says in part:

"Back of the German wall that for four years has hemmed in brave little Belgium and her neighbors in northern France, 10,000,000 human beings look to us for clothing as well as food. Even the well-to-do lack necessities, and the poor are in the direst need. All stocks of clothing and raw materials have long since been exhausted. There have been no commercial imports since the first devastation of the country. The quantity of materials that the commission for relief has been permitted to import for manufacture into clothing has never been sufficient, and now the world is short of clothing and raw material. We cannot purchase what is needed.

"But you can give it. "Every household in the land has some spare clothing, worn or outgrown, of little value here, but desperately needed by the destitute there. They have been reduced to fashioning garments from flour sacks, old blankets, sheets and tablecloths, which have now almost disappeared; and shoes from scraps of carpet and jute sacks. Today it costs eight dollars to have a pair of shoes resoled. For bedding, sacks stuffed with dry leaves or moss serve as mattresses. Everywhere the need for blankets is tremendous. Hospitals and other institutions suffer for want of sheets. In some places whole families sleep together to share a single blanket. To relieve a plucky and long-suffering nation we must open up our stores of partly used clothing. The value of these supplies is inestimable. Your unused garments will clothe our oppressed allies as human beings should be clothed, save them from suffering, disease and death by protecting them against the cold and raw winters of northern Europe."

Garments of every kind, for both sexes, and all ages, are needed; according to the appeal. Also piece goods which can be made into sheets, blankets and baby clothes. Only garments of strong materials will be accepted. Apparel of flimsy material or fancy clothing will not be taken. Prospective donors are reminded it will not be necessary to mend the garments as the repair work will give employment to the thousands of destitute women in the occupied regions.

Collections will be made through the chapters of the Red Cross. The drive will be from Monday to Monday inclusive.

The above extract from Mr. Davison's article is self explanatory.

The Belgian Relief committee for Camden Chapter Red Cross consists of Mrs. E. C. von Tresckow, chairman, and according to wards as collectors: Mesdames Moscow Johnson, Porter, Hardy, Howard Singleton, C. J. Lewis, Bond, Jno. Villepique, Caleb Whitaker, B. O. Boykin, W. O. Hay, Beverly S. Mikell, L. S. Davidson, L. A. Wittkowsky, Reuben Pitts, and C. H. Yates.

For the county: Mrs. Jas. Team, Mrs. A. E. Kennedy, Mrs. Willis Cantey. These ladies have faithfully visited every house in their respective wards and the response has been most generous.

Announcements were made in the Churches and in the moving picture theatre and through The Chronicle. Miss Rosa Gaskins of Kershaw, R.F.D. 1 sent a nice package by mail and it is hoped others will do likewise from all over the county. The Room for collection of supplies is opened each day from 10 to 11 a. m. and 5 to 6 p. m. The Junior Red Cross and Junior Civic League are asked to bring in all shoes they can collect on next Saturday. Eight hundred and fifty pounds must be collected by October 1.

Messrs. Baruch and Nettles have given about 100 pounds of shoes that they had collected this year from their stock. Will some kind merchants give dry goods boxes large enough for shipment?

**Jury Acquits Kirkland.** Lexington, Sept. 23.—Pleading the "unwritten law", M. C. Kirkland, a prominent Lexington County planter, was found not guilty by a Lexington County jury in the Court of General Sessions late Saturday night, for the shooting to death of his neighbor, Len N. Jefcoat, on the night of February 1 last. The defendant claimed that Jefcoat had been intimate with his, the defendant's wife, and that the two had planned a meeting on the night of the fatal tragedy. Kirkland asserted that Jefcoat was in waiting behind a hay stack on the premises of the defendant at the time the fatal shots were fired. He also claimed that he had been suspicious of the relations existing between his wife and the deceased for many months prior to the shooting, but that he did not act on these, but waited until he was satisfied in his own mind that Jefcoat had alienated the affections of his wife.

**Met With Beaver Dam Church.**

The 6th annual meeting of the Baptist Woman's Missionary Union of Kershaw Association was held at Beaver Dam Church Thursday Sept. 19th.

A number of delegates were enrolled. All yearly reports from the Missionary Societies, were encouraging and showed a marked increase over last year, not

only exceeding apportionment but all societies were classed this year on the standard of excellence. While only one W. M. S., one G. W. A. and one G. A. were able to receive the honor roll badge making all points of the standard, the others are striving to attain this honor. With such a record it is hoped the incoming year will bring still greater results.

Various phases of the W. M. U. work were stressed by a number who took part on the program, and plans made for the new year.

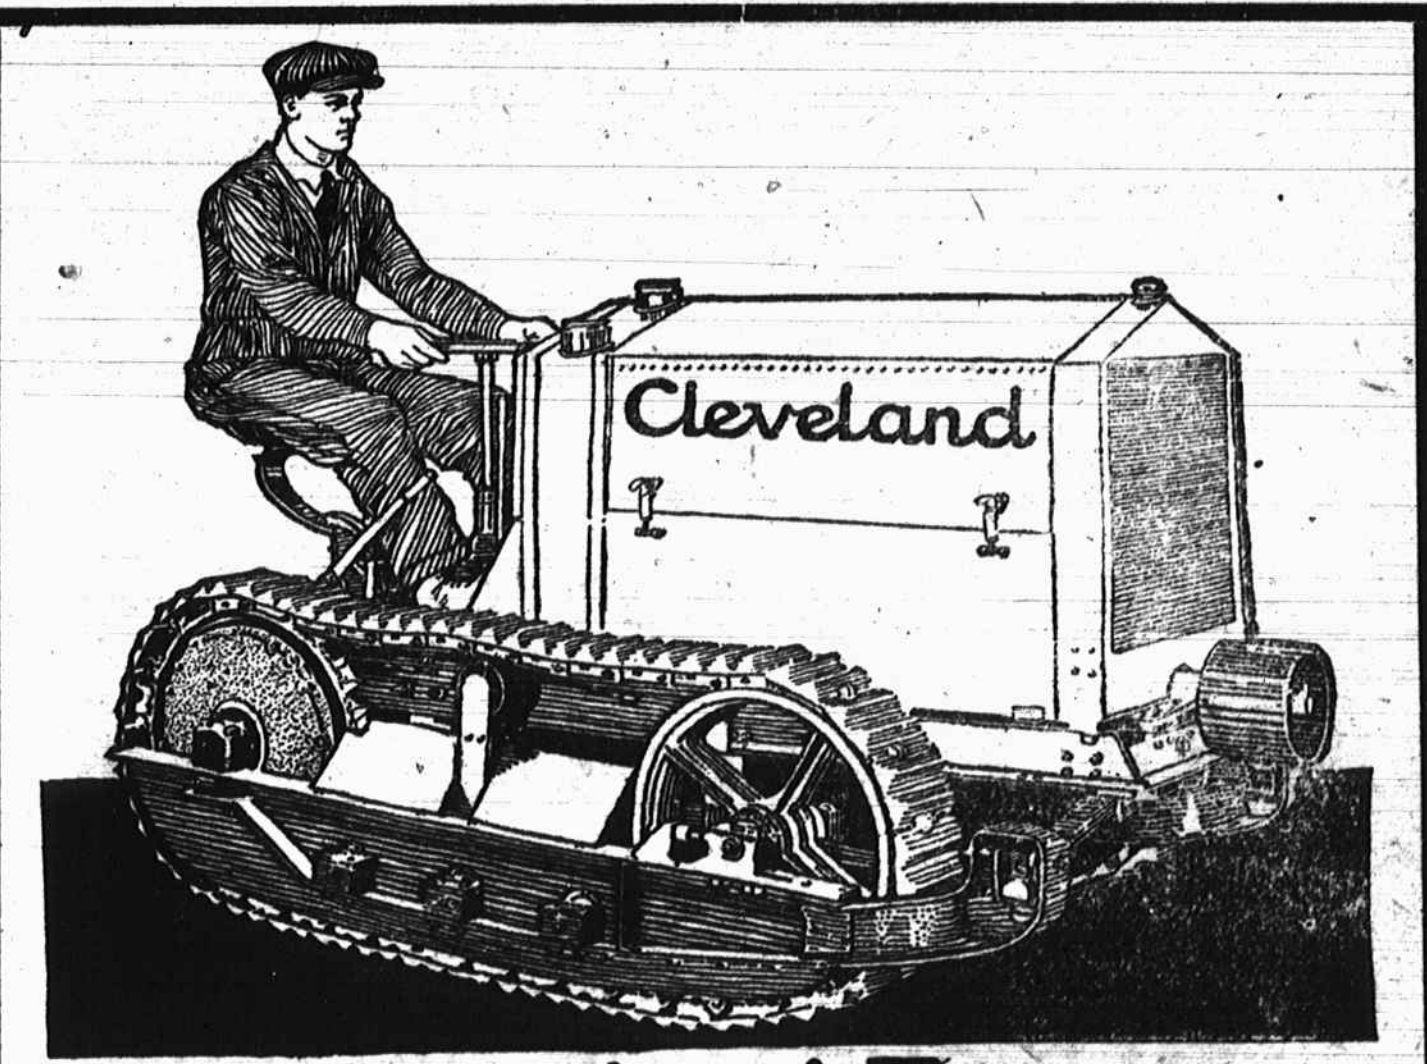

Mrs. L. K. Sturkie of Orangeburg our vice president brought several inspiring messages to us at this time. We were sorry Miss Jessie King, our state treasurer, was prevented from meeting with us on account of train being delayed.

The Association was divided into two

divisions instead of four as heretofore and the following officers elected for the ensuing year:

Superintendent, Mrs. Robt. Goodale; Assistant Superintendent, Mrs. S. B. Goodale; Secretary and Treasurer, Miss Alma Bradley; Associate Superintendent of Y. W. A. Mrs. F. A. Liles; Associate Supt. of R. A.'s, Miss Irene Bruce; Associate Supt. of Sunbeams Mrs. M. M. Benson; President of 1st Division Mrs. John Dixon, Secretary Mrs. Grace Adams; President of 2nd Division Miss Ila Pitts, Secretary Miss Alma Pitts; Mission study Chairman Mrs. M. E. Schrock.

A vote of thanks was extended the people of this Church and community for their cordial hospitality. The next annual meeting will be held with the Thorn Hill Baptist Church next September, time to be decided later.
