WILHELM OFFERS PEACE

Bids His Soldiers Fight On Till Armistice Is Arranged.

Berlin, via Basel, Switzerland, Oct. 11.—Emperor William today issued a proclamation to the German army and navy in which, after announcing that the Macedonian front had crumbled, he declared that he had decided, in accord with his allies, to again offer peace to the enemy.

The text of the Emperor's proclamation reads:

"For months past the enemy with enormous exertions and almost without pause in the fighting has stormed against your lines. In weeks of struggles, often without repose, you have had to persevere and resist a numerically far superior enemy. Therein lies the greatness of the task which has been set for you and which you are fulfilling. Troops of all the German States are doing their part and are heroically defending the Fatherland on foreign soil. Hard is the task.

"My navy is holding its own against the united enemy naval forces and is unwaveringly supporting the army in its difficult struggle.

"The eyes of those at home rest with pride and admiration on the deeds of the army and the navy. I express to you the thanks of myself and the Fatherland.

"The collapse of the Macedonian front has occurred in the midst of the struggle. In accord with our allies I have resolved once more to offer peace to the enemy but I will only extend my hand for an honorable peace. We owe that to the heroes who have laid down their lives for the Fatherland and we make that our duty to our children.

"Whether arms will be lowered is a question. Until then they must not slacken. We must, as hitherto, exert all our strength unwearily to hold our ground against the onslaught of our enemies.

"The hour is grave, but, trusting in your strength and in God's gracious help, we feel ourselves to be strong enough to defend our beloved Fatherland.

(Signed) "Wilhelm."

Giving Them Fair Warning.
William, soon after he started to school, came home one day and said: "Some boys at school are beginning to meddle with me and they had better stop it."

Musk's Power Great.
Musk in its pure state is so radioactive that, if held close to the body for a time, it will produce sores similar to those caused by radium.

They're in to Win

Fair targets, every one of these men, for the German riflemen and machine gunners hidden behind the parapet.

But they are not thinking of the bullets whizzing past them; of the shells bursting over their heads.

They are intent on one thing—to scale that bank, take the bridge head and win the day.

And these men are made of the same stuff as all true Americans who read these words.

If we are the same stuff, let us prove it. Let us get into the fight as they do—to the limit—for Victory!
