

BAPTISTS PLAN VIGOROUS WARFARE UPON TUBERCULOSIS IN THE SOUTH

SANATORIUM AT EL PASO, ESTABLISHED FOR THIS PURPOSE, WILL GET FINANCIAL AID FROM 75 MILLION CAMPAIGN—EDUCATIONAL PROPAGANDA TO INFORM PEOPLE ON HOW TO COMBAT PLAGUE WILL BE CONDUCTED.

Administration building of Southern Baptist Sanatorium for treatment of tuberculosis patients, located 4500 feet above sea level.

Do you know that tuberculosis is more prevalent in the South than in any other part of the country?

That the death rate from tuberculosis here is 14.2 per cent greater than for the nation as a whole, and greater than in any civilized nation on the globe with the exception of China?

That more than 150 people a day, or 57,782 a year, die in the South and the Southwest from this dreaded disease?

That there are within the territory of the Southern Baptist Convention 275,000 persons actively infected with the great white plague and an equal number have inactive infection?

That the money loss to the South each year from tuberculosis is \$175,000,000?

These startling facts were brought to the attention of the Southern Baptist Convention at its session in 1916 and a resolution was at once adopted to try and check the spread of the disease and provide relief as far as possible for those already infected with it.

As a result of this movement there was established in the high, cool, rare atmosphere of El Paso, Texas, the Southern Baptist Sanatorium which aims to minister to as many patients as possible and to disseminate throughout the South and Southwest the information that will result in checking the further spread of the disease and enable those who have just contracted it to obtain immediate cures by proper methods of living.

With the active assistance of the business interests of El Paso a modern sanatorium, located upon a beautiful tract of 143 acres on the side of Mt. Franklin, at a height of 4,500 feet, was opened for the healing of the people, and through the Baptist

75 Million Campaign this institution will receive \$500,000 for the erection of additional buildings and \$500,000 for an endowment that will enable the sanatorium to minister to those indigent patients who are unable to pay for treatment.

That there is an imperative need for an institution of this character is shown in the fact that all institutions in the South and Southwest for the treatment of tuberculosis have a total capacity of only 8,767 beds, or one bed for only one person out of every sixty in this section who are afflicted.

Everything connected with the Baptist Sanatorium is modern and of the very best, but its present equipment is far too small to cope with the demands that are made upon it. Of the improvement fund that is to be provided, \$100,000 is available already and architects are already designing new buildings worth \$450,000. These will be constructed just as rapidly as possible.

While the sanatorium is being operated by the Baptists, it will be open to the people of all creeds and no creed. Due to the crowded conditions, however, it is necessary that arrangements be made in advance by communicating with Dr. H. F. Vermillion, superintendent, at El Paso.

The sanatorium is under the general supervision of the Home Mission Board of the Southern Baptist Convention, and in addition to treating patients who have already contracted tuberculosis, it will seek, through a campaign of publicity, to so inform the people of the South and Southwest on the nature and prevention of this disease that the alarming death rate from the white plague can be immediately lowered and finally reduced to the minimum.

paying these needs that the \$20,000,000 apportioned to Christian education will be expended.

To these institutions the denomination is looking for its trained leaders to help carry forward the work along every line contemplated in the \$75,000,000 campaign. In Texas alone there are 700 pastorless Baptist churches and probably the same proportion holds in the other states. It is hoped the campaign will call out 5,000 volunteers for ministerial and missionary work and these institutions will be asked to equip these young men and women for their work.

Last year, reports show, over 6,000 students in these institutions took voluntary courses in Bible and mission study; nearly 4,000 of them attended student prayer meetings; ministerial students pastoring churches raised more than \$50,000 for church benevolences and led more than 10,000 people to profess Christ. The campaign hopes to result in enrolling 35,000 young men and women in Baptist schools within the next five years.

The South-wide institutions that will benefit from the campaign include Southern Baptist Theological Seminary and Women's Training School at Louisville, Ky.; Southwestern Baptist Theological Seminary and Women's Training School at Fort Worth, Tex.; Baptist Bible Institute, New Orleans; and Negro Theological Seminary at Nashville, while aid will be given to every Baptist institution of learning in all states of the convention territory, and to new Baptist colleges that will be established in Arkansas, Florida, Illinois, Louisiana and New Mexico, along with one somewhere in the region of the Appalachian mountains yet to be definitely located.

BAPTIST CAMPAIGN COMES CHEAPLY.

Expense in raising the \$75,000,000 sought by the Baptists of the South in their 75 Million Campaign will amount to considerably less than one per cent, Dr. J. R. Scarborough, general director announces. This includes the expenses of both the general headquarters and the eighteen state headquarters. This is probably the lowest overhead expense in the history of large money-raising efforts in the country.

SPEND \$20,000,000 UPON EDUCATION

SOUTHERN BAPTISTS PLAN MUCH LARGER PROVISION FOR ALL THEIR INSTITUTIONS.

WILL AID RURAL SCHOOLS

Success of 75 Million Campaign Will Mean Strengthening of Educational Forces All Along the Line in Next Five Years:

Of the total sum sought in the Baptist 75 Million Campaign, \$20,000,000 will go to Christian education.

But the educational program of the Baptists will not stop there. It proposes to lend itself to the creation of a public sentiment that will result in more efficient public schools in the territory of the Southern Baptist Convention, especially in the rural districts. In this connection it is pointed out that 37 per cent of the total elementary scholastic population of the nation is found in the South, that the rural scholastic population of the South is 77 per cent of the whole, that only one-sixth as much money per capita is expended on the education of the children of the South as on the children of other sections of the country, that only 37 out of every 1,000 pupils in the South enter high school as against 87 from other sections, and only 19 from the South enter college as against 21 from other sections.

Distributed throughout the territory of the Southern Baptist Convention are 142 educational institutions, including academies, colleges, universities, seminaries, and missionary training schools for women. These have a total enrollment of 18,000 annually, but all of them are crowded, greatly in need of larger facilities in every way, and many of them must have an endowment if they are to meet the demands made upon them. It is in sup-

Our Big State Fair Will Start MONDAY, OCT. 27

It Should Be and Will Be the Greatest State Fair Ever Attempted; if Not the Greatest State Fair Ever Held in the South.

ALL sensible people have their hobbies and peculiarities. The big brainy men of this State are skillfully working and contriving to make this year's fair so genuine in interest and so effective in value to our citizens that the whole country for fifty and one hundred miles will pour through the gates every morning during the days the fair is continued. The different committees are industriously working that exhibitions from red necked turkeys and clucking hens to the most wonderful animals and

the greatest of all farm raised products, as well as machinery and merchandise of every description will be seen in endless profusion. Let every man and woman do their best to make the fair this year bigger and better than any other fair in the South has ever been. It will be a great advertisement for our State when we have forced public opinion to spread the news everywhere that South Carolina's State Fair is the biggest in the entire South.

A GREAT CUT PRICE SUIT SALE FAIR WEEK

OWING to the open mild season so far this fall, we have decided to make a special cut price sale on our high class tailored suits, coats and furs. This big sale event comes at a time when almost every woman wants to be well dressed for fair week. The sale starts Monday and will continue from day to day all through fair week. Every suit and coat advertised we have in stock now but many of the higher priced suits and coats we only have one suit or one coat of a kind and when these exclusive models are sold no duplicates can be had at any price. At the special prices named you should lose no time in getting to this sale and select the style, size and color you want. All our goods are marked in plain figures at the Tapp low price department store plan and when you can buy these garments for less than they are marked you can readily understand the very unusual values you are getting in this sale.
