

CHRISTMAS GIFTS

FOR YOUNG MEN AND

MEN WHO STAY YOUNG

Make the recipient of your Christmas Gift as proud of it and the giver as the Mother and Father are of the boy in the picture. Insure yourself of this by purchasing from us.

Service Is The Keynote Here

If there is one thing above all else that characterizes this store it is an earnest desire to serve. Always some one to direct you properly when you come in—always some one to suggest when you are in doubt.

Salesmen of years experience in serving young men and older men who stay young—studying their fancies—knowing what to give and expect—doing things their way—is what has made our SERVICE popular.
