WATEREE MILL NEWS

Camden, April 15—Eighteen voters cast their votes in favor of the school bond at Wateree village Tuesday.

At the meeting of the Board of Aldermen Tuesday night Mr. John D. Shaw was elected an honorary member of the Board and Chas. Davis elected active member from Ward 500. It was voted that Mr. John D. Shaw be informed of the same and assured of the deep sympathy of the Board of Aldermen and citizens of the village feel for him in his sickness.

The following committee has been elected to plan for village entertainment: Aldermen G. B. Gardner, Benjamin T. Davis, Gilliam DeBruhl.

The treasurer of the Sick Benefit Association deposited \$50.50 in the Loan and Savings Bank of Camden for the association this week. Membership cards are ready and will be issued to members Monday, April 19th.

A report of the ice committee met with approval at the meeting of Board of Aldermen. Mr. Mosley has promised to furnish a special village ice wagon to visit each house twice daily. Each alderman will canvass his respective block to ascertain those who will become regular customers.

is now with the General Board of South Carolina, and is devoting his entire time to general enlistment work among the Baptists of this state.

We also had the pleasure of hearing some things of very great interest concerning the great "Baptist Drive" that is still going on in a splendid way, from Rev. J. Furman Moore who is also one of the enlistment men of our state. We hope to have Bro. Moore with us on the first Sunday in May and hear more from him on this subject that is so dear to the hearts of our people.

At a meeting last Monday night the church elected Miss Helen Williams organist and with her help we expect soon to have a choir that will be second to none.

We wish to announce that this church has gone to full time and there will be in the future preaching service at 11 a. m. and 7 p. m. every Sunday. Sunday school every Sunday at 10 a. m. Prayer and song service every Wednesday evening at 7:30. The public is invited to all of these services.

The following is the inscription on the tablet erected at the Mill village, mention of which was made in these columns last week:

Boll Weevil Insurance

We have been designated to write for the Hartford Fire Insurance Co. (The Old Hartford) insurance indemnifying the assured against loss of his investment in his crop from damage by insects, disease, drought, frost, excessive moisture, winter kill, windstorm and tornado---practically all causes of damage but hail, which we cover under a separate policy. As this line of coverage is experimental, we shall be allowed to write only a limited amount in this county. Better come in and have your name entered for a policy. The rates are for cotton 4 per ct., corn 5 per ct.

We have represented the Hartford for thirty-seven years. They stand behind their policies and pay their losses promptly.
