THE CAMDEN CHRONICLE, CAMDEN SOUTH CAROLINA, FRIDAY, OCTOBER 8, 1929.

The Jekyll Hyde

Nature

FIRE has a dual personality. It cooks, warms and illumiates. It turns the wheels of industry. It is thus beneficent.

But Fire changes from good to evil in an instant. Without warning, it becomes a destroyer of property and human life.

A HARTFORD FIRE INSURANCE COMPANY policy helps to control Fire's criminal nature. It assures prompt payment for ass. In addition-and at no extra cost-it entitles you to scientific fire prevention service. These two safeguards make a sound investment in safety.

Insure through this "HARTFORD" agency-now.

Goodrich Tires today are sold by good dealers everywhere at a lower price than in 1910what is more to the point in this comparing Goodrich Tires in 1920 give on the average nearly double the number of miles per tire.

The Goodrich adjustment basis of 8,000 miles for Silvertowns and 6,000 miles for Fabrics today's prices give motorists twice the mileage at less cost per tire.
