The body was brought home, arriving here Sunday over the Southern Railroad, and taken from there to Mt. Zion church, where the interment took place.

## CHAUTAQUA OPENS MONDAY

### Advance Representative Says Program is Strongest in Its History

Mr. Young, advance representative of the Redpath Chautauquas, Chicago, arrived in the City Monday and will remain until the opening of the big Chautauqua here, which occurs next Monday, April 25th.

"The 1921 Redpath Chautauqua program is one of the strongest in the entire history of the Redpath Chautauquas," says Mr. Young. "A rollicking comedy, Nothing But The Truth, and Dunbar's White Hussars, band and male chorus, are prominent features of this year's program, and every day is a big day. The whole program will be wonderfully received here as it has been in every other city where it has not been heard this season."

It is only a short time now before the Chautauqua opens here and everyone is urged to secure season tickets early. A season ticket admits to all programs during the entire five days of the Chautauqua. Season tickets may be bought at Zemp's Drug Store. The sale of season tickets closes at noon of the opening day after which it will be impossible to buy them. Three admissions of the big numbers cost more than a season ticket, so even if you intend only to go a few times it will pay you to invest in a season ticket.

The tent this year will be placed in the same place that it was last year at Monument Square.

The Chautauqua brings notable lectures and splendid entertainment attractions which make it a distinct community asset.

## Marriage is Annulled

Greenville, S. C., April 19.—Ruling that a divorce granted in another State is not recognized by South Carolina because this State does not permit divorce, Judge George E. Prince in the Common Pleas Court here today declared invalid and ordered annulled the marriage of Chester M. Goodyear, Jr., and Mrs. Nina Reynolds Goodyear. It was alleged that the defendant, Mrs. Goodyear, had at the time of the marriage, in November, 1919, a living husband from whom she had been divorced in Georgia.

## Were Married in Orangeburg.

Mr. and Mrs. Ted Large, who were married in Orangeburg Sunday afternoon arrived in Bishopville Monday and will make their home with Mrs. A. E. Woodham on Dennis avenue. The bride, who was Miss Letha Graddock, was the representative from St. Matthews in the recent Palmfest in Columbia.—Bishopville Leader and Vindicator.

## Died in Greenville.

Charley Stephenson, who only a few weeks ago was taken from the home of his sister in the Westville community to the government hospital in Greenville, died in Greenville yesterday and his body will be brought to Westville this morning for burial. Mr. Stephenson was in service during the war and his health broke down while serving and he has had little improvement in his condition at any time since. Mr. Stephenson was a nephew of Dr. W. C. McDowell of our town, and he is survived by a brother and two sisters.—Kershaw Era.

## Meteor Showered by Meteors

Macon, Ga., April 20.—A meteor of series of meteors that passed over middle and southern Georgia about 9 o'clock this morning, exploding and showering hot metal as heavy as iron frightened people in the sections of the state where the phenomena were visible.

The meteor was seen in Macon. It exploded over Cordele and also at Pitts, some distance east of Cordele, and also at Albany, southwest of here. At Pitts, in Wilcox county, more than a dozen heavy explosions were heard, then, as if a machine gun had been pressed into action, there was a sharp crackling in the air for several minutes and red hot metal, some pieces weighing six pounds, began to fall to the earth.

Pitts, Ga., April 20.—Meteors of the aerolite type that traveled through the air, apparently in a southwesterly direction, exploded with such violence close to the earth today that buildings were shaken.

There was a regular shower of aerolites near this town. Many of these pieces were picked up from an open field into which most of them fell and the largest ones were picked up by citizens and shipped to Atlanta for analysis.

## CAMDEN ENTERS PHONE FIGHT

### Two Committees To Go To Columbia April 26th To Protest.

Some doubt has been entertained as to whether Camden would enter the fight against the increased rate recently granted to the Southern Bell Telephone and Telegraph Company by the South Carolina Railroad Commission, but it has been authoritatively announced that Camden will enter the fight and that two committees will go to Columbia on the 26th to meet with a state wide committee to confer on the question.

The committees which will go from Camden are one from the City Council and one from our Chamber of Commerce. Each of the committees will have as one of their members an attorney. The meeting of the state wide committee is for the purpose of deciding what course will be pursued in presenting the matter of a rehearing of the case before the commission. No information has been received as to what course may be pursued, but it has been learned that whatever course decided upon, the committee will have facts and figures to present to the commission, and that no detail in the matter would be handled in a "slipshod" way.

## Rural Schools Invited

One of the big features of the State Confederate Veteran's Reunion at Camden, May 18-19th will be the parade at 6 p. m. Friday, 19th. Besides the old veterans, the sponsors, a military band from Camp Jackson, Kershaw Guards, Legion Men from Kershaw County and the town of Kershaw, the schools of Kershaw County are urged to attend.

The Camden and Mill Schools are already in line. Nearly 2,000 Confederate flags, sashes and paper caps will be furnished for the school children. However, all those who feel like doing it, are requested to contribute 25 cents toward costs of the above. In Charleston in May, 1917, the most beautiful features of the preparedness parade, were several thousand school children dressed in white and carrying small flags. No more fitting or touching tribute to the old veterans can be rendered than that tendered by the coming generation. It is to be hoped that the invitation will receive enthusiastic and unanimous response from all the schools of Kershaw county. It is desired that teachers should lead their respective classes in the parade, to insure order and promptness.

All rural schools are requested to communicate at once, either with Mr. I. J. McKenzie, county superintendent of education, or with E. C. von Tresckow, Camden, chairman of parade committee.

## EX-EMPRESS DEAD.

### Death Comes Just One Year From Her First Serious Attack.

Doorn, Holland, April 14.—Former Empress Augusta Victoria, of Germany died here at 6 o'clock this morning. By a strange coincidence the end came just one year after she suffered her first serious attack of heart disease.

It was while she was preparing to enter the house of Doorn, the present home of the former emperor of Germany after her long residence at Amerongen, that she was stricken with what at the time was believed to be a fatal attack. That was on April 11, 1920. For a few days there were reports that her death was momentarily expected, but she rallied and accompanied her husband to Doorn on May 15, last.

When her son, former Prince Joachim, committed suicide in Berlin last July, she was in such a serious condition that the news of his death was kept from her for a long time, and it is said she never learned her son killed himself.

The former emperor and Prince Adelbert were at the bedside when the former empress died. They had been called by Haesner, who attended the former empress throughout her residence in Holland.

## Dance at Old Court House.

All interested are invited to attend the dance Saturday night at 8:30 o'clock at the Old Court House, D. A. R. Hall to learn the square dance and Virginia Reel for the Veterans dances May 18th and 19th.

Dances will be given every week till then but dates announced later. A fiddler will be present to call the figures. Old and young urged to come. Mrs. S. O. Taylor, Miss M. A. Clyburn and Mrs. Steve Perry, Mrs. von Tresckow, Chaperones.

## GLEE CLUB REHEARSES

### Chamber of Commerce Urges Members and Citizens to Take Part.

The Glee Club which is under the direction of Mrs. W. B. deLoach, which is being organized for the purpose of furnishing music for the Reunion of the Confederate Veterans have started rehearsing, and will meet on each Monday and Friday night at the Camden Baptist Church, at 8:30 o'clock.

Every citizen of Camden who can sing is strongly urged to take part in this Glee Club, as it is desired to have as many voices as possible. Only familiar songs will be sung and no one need have fear that they will not be able to sing them.

Our Chamber of Commerce through its officials issued an appeal yesterday to every member of the organization, as well as every citizen of Camden to take part and assist in every way possible in the singing, inasmuch as it will help entertain the veterans while in Camden.

If all plans are carried out, and they will be, the veterans will be entertained while in Camden much greater than they have ever been entertained in any city, and it is hoped by the committee in charge, as well as our Chamber of Commerce that every citizen lend their support.

## Another Liquor Haul.

Sheriff Hunter, Chief Bell and other officers netted 55 gallons of mean old corn liquor, two men and a Ford automobile about one o'clock Wednesday morning at the Cane Creek bridge on the Charlotte road. The men, whose name is Mull, are brothers and hail from Cherryville, N. C. They were locked up but later put up cash bonds aggregating \$1,050 and departed. Of the amount of bond \$350 was for the Ford. Which they were permitted to take with them. Only a pint of liquor was found in the car, the balance being discovered some distance from the road in the woods.—Lancaster News.

## COMMITTEES NAMED

### South Carolinians in Washington Get Appointments.

K. Foster Murray, Washington correspondent of the News and Courier, sends his paper the following under date of April 18th:

"South Carolina's appointments on the committees of the House of Representatives for this Congress were made known today. They are as follows: Giving the representatives in the order of their districts: W. Turner Logan, insular affairs, elections, expenditures, in the State Department; James F. Byrnes, appropriations; Fred H. Dominick, judiciary; J. J. McSwain, census, pensions, war claims and enrolled bills; William F. Stevenson, banking currency, printing; Philip H. Stoll, military affairs; H. P. Fulmer, Indian affairs, election of president and vice president, regulation of alcoholic liquor traffic.

"New members of the House are at a great disadvantage, both because of the fact the Democratic representation on committees has been cut down by the Republicans and because the Senior Democratic members have the first choice. For instance, a rule has been adopted that no new member shall go on any of the ten so-called exclusive committees, which are appropriations ways and means judiciary rivers and harbors, agriculture, foreign affairs, naval affairs, military affairs, interstate commerce and post-offices.

"Insular affairs, banking and currency and Indian affairs are import and have heretofore been considered major committees, and members have often preferred them to one of these new denominated 'exclusive.'

"On the whole considering the fact that South Carolina had three new members out of seven, the State did quite well, in committee allotments.

"Messrs. Dominick and Stoll move up to big committees, and Mr. Stevenson holds a committee which is important and on which he can be of service to his people and get an additional committee, printing, of which the late representative Finley was once chairman."

I hereby announce myself a candidate for the office of Judge of the County Court of Kershaw County in the election to be held on May 10th, 1921.

## THE WINTHROP PAGEANT

### The Indian Episode To Be Feature of Great Rock Hill Day.

Probably one of the most vivid scenes of the Winthrop Pageant will be that which shows the meeting between the Indians and the early French and English settlers. The dignity and beauty of Indian life; the entertainment provided by the Indians in welcoming the strangers—including the famous Dance of the Feast; the exchange of gifts—baskets, wonderful feathers, decorated skins on the part of the Indians; hooks, knives, bracelets, looking glasses on the part of the French captain.

Here is how Capt. Jean Ribault and Rene de Laudonniere with their band of French Huguenots, and with them that well known Englishman, John Beaufort. True historical characters living again there the experiences of those days of 1562.

From the Journal of Rene de Laudonniere himself comes the following extract:

"At the end of the dance the King takes from his attendant's and gives to the captain a plume of four Heronshawes feathers, dyed in red, and a basket made of palm boughs after the Indian fashion, and wrought very artfully, and a great skin painted and drawn throughout with the pictures of divers beasts so drawn and portrayed that nothing lacks but life. The captain, not to show himself unthankful, gives him pretty tin bracelets, a cutting hook, a looking glass and certain knives. Where upon the King shows himself to be very glad and fully contented."

It is this Episode that gives the French and Indian element which colors the development of early history of South Carolina.
