Waterree Mills News.

Waterree Mills are now running under full production both night and day, giving employment to nearly twice as many people as usual. We are very glad to welcome so many new-comers here and we are confident they will find living conditions and wages far above the average cotton mill.

Baseball, which has been a dead issue here for some time, will be revived soon. A team representing Waterree will go to Wainsboro Saturday to play the Wigginsboro Mills team.

Mr. Hallett attended a meeting of the Board of Governors of the Southern Textile Association at Charlotte Saturday.

Mr. Paine, General Superintendent, is visiting mills in North Carolina in the interest of Lockwood, Green & Co., Engineers.

The Board of Aldermen held a banquet at the Park View Hotel Saturday evening, July 9th. A fried chicken dinner was served. Lewis Anderson acted as toastmaster and told many funny experiences of his life in the cotton mill. He also called upon many of the Aldermen to tell stories to which they readily responded. Attorney W. B. DeLoach was invited as a guest and he gave a fine address on Community Co-operation.

An open air meeting of the Men's Club was held at the ball grounds Friday evening. Mr. Gordon A. Johnson, Agent of Wainsboro Mills, was present and addressed the Club. His subject was "It Was Not There," and he received hearty applause for his fine talk. A short musical program was rendered and many popular songs were sung.

The swimming season is at its height now and the bathing place is taxed to its utmost capacity daily. Recently some boys from Camden turned over the large flat which caused a great deal of annoyance to bathers and much expense to Waterree Mills, for it required the services of eight men to turn the float right side up. We welcome visitors to our bathing pool and grant them the same privileges we have ourselves, but we request they co-operate with us in upbuilding the facilities of the place and not destroying them.

Program of B. Y. P. U. Convention.

B. Y. P. U. Convention of the Kershaw Association to be held at Shamrock school house Saturday, July 30th. (In connection with the Kershaw Baptist Sunday school convention.)

10:00 a. m.—Devotional Service—Rev. J. L. Baggott.

10:15 a. m.—Address of welcome, by someone selected by Shamrock B. Y. P. U. Response.—Harold Hatfield.

10:30 a. m.—Enrollment of delegates

10:45 a. m.—Adoption of constitution and by-laws.

11:15 a. m.—Election of officers.

11:30 a. m.—Address—Rev. J. L. Baggott.

12:15 p. m.—Appointment committees. Miscellaneous Business. Adjourn for Dinner.

2:00 p. m.—Song and praise service

2:15 p. m.—Demonstration—Shamrock B. Y. P. U.

3:15 p. m.—Address by Rev. Ernest Kolb.

3:45—Address by Rev. J. L. Baggott.

4:15 p. m.—Report of committees. Miscellaneous business. Final adjournment.

Every church in the Kershaw Association is expected to send a delegation of young people to this convention and all pastors and B. Y. P. U. leaders are urged to take an active interest and lend a helping hand. This convention will most probably mark the beginning of a new era for the Kershaw Association. Remember that this convention will be separate from the Sunday School convention which will be in session at the same time, but will in no way conflict with it.

While seated with the family at the supper table for the evening meal on Thursday night, Thomas Odum and David Odum, aged ten and eight years, sons of Mr. and Mrs. David Odum of the upper section of Greenville county, were instantly killed when a bolt of lightning struck the house. The family lives about eight miles above Greer in the Mount Lebanon section. None of the other members of the family were injured. The house had recently been equipped with a gas lighting system, unprotected against lightning, and it is said electricity came down the fixtures and into the dining room. A double funeral for the two boys was held Friday afternoon and was attended by a large throng. The little boys had been inseparable companions throughout their life and the two bodies were buried in the same casket.

Under the brilliant light of two large street lights, one on either side of the entrance to Fitzmaurice's department store, Columbia, thieves fled off two large pad locks from a display case and made their get-away with every article in the large glass case.

In response to the inquiry of many telephone subscribers: "What can I do to help my service?" this advertisement is published.

"Central" Cannot Answer Questions

The duty of the switchboard operator consists of answering your number calls and getting connections for you.

If she stopped to answer questions, the number calls would pile up and the service would be delayed, which would be an injustice to the other subscribers.

If you cannot find the information you want in the telephone directory, ask the operator for "Information" and she will connect you with the Information desk, where your question will be promptly answered.

You can help your service by calling "Information" instead of questioning your line operator.

AND the number is increasing every day. The many conveniences and decided economy of New Perfection Oil Cook Stoves are the explanation of their wide-spread popularity.

The New Perfection makes perfect cooking easy. Delicious pastry of all kinds, nicely done roasts and tender-crusted pies—no mystery about them, the accurate control of your heat assures perfect results, always. A separate burner for each cooking utensil makes possible a great saving of fuel and a cool, comfortable kitchen, even on warm days.

Do away with coal and wood carrying and the litter, ashes and dust that go with them. New Perfection kitchens are clean and invariably tidy. The white-

tipped flame of this modern cook stove provides intense, controllable heat without sooting your pans.

The New Perfection is strongly built and can be kept attractive with a dust-cloth, no blacking necessary. Most buyers select the four-burner size with warming cabinet and a New Perfection Oven. However, five, three, two and one-burner sizes are obtainable by those who prefer them.

Aladdin Security Oil is noted for its uniform quality and cleanliness. Always dependable, use it regularly.

New Perfection Oil Cook Stoves are sold at most hardware, furniture and department stores.
