**Mother Goose at Opera House.**

The First Grade in the Camden Grammar School will present Mother Goose, with her many attractions at the Opera House next Thursday evening May 11th at 7:30 o'clock. The proceeds from this entertainment is for benefit of school equipment. Half a hundred little tots will take part and they never fail to please. If they see the necessity for this equipment and are willing to work for it, surely they should have the patronage of the entire town. Many of these little girls and boys will make their first bow before the footlights, and we are sure that their devoted parents, admiring relatives and interested friends will not fail to see them. If you are interested in the children you will certainly lend an attentive ear and a helping hand to the cause which they are working for. Reserved seats 50 cts. Other seats 25 cents. Come out then and enjoy the bright and happy occasion, and encourage the little ones.

**Return Day For The Library.**

Next Monday and Tuesday, May 8th and 9th, have been named as "return days" for the Library. Every family in Camden is asked to look through their book cases and find library books. Remember these books are not lost, but are charged to you at the desk, and if not returned a committee will certainly call at an inconvenient time and full fines will be charged, but if you return the books now no questions will be asked and all fines cancelled. Many of them are long over due, though you promised to abide by the rules of the Library and signed cards to have your children do so, if they were allowed the privileges. Now, at least return the books, have the fines cancelled and give the management no further trouble.

**Rummage Sale For The Library.**

Do not forget the rummage sale Saturday, May 13th for the benefit of the Library. The proceeds are not to be used for the running expenses of the Library but for a book fund and to fit up the interior of the Library. Especially do we want to buy some children's books and they are always on the free shelf. Leave your contributions at the Library or phone Mrs. William King, or Miss Louise Nettles. The more money we have to put in books, the more useful and interesting the institution will be. Keep this matter in your mind then and look up something that can be turned into money.

**Mel With Mrs. Mackey.**

The Kirkwood Book Club had an agreeable hostess in Mrs. John T. Mackey, Thursday April 27th. Mrs. Edwin Muller and Mrs. J. G. Richards had charge of the very interesting programme. Roll call was answered by names of churches in South Carolina over 100 years old, and with short sketches of problems of our country churches of today. Mrs. Muller gave an interesting paper on the beginning of various Denominations, and also read a second paper on conditions of the country churches of today. The hostess served delicious refreshments at noon, Mrs. Muller will be hostess to the club, Thursday morning, May 4th.

**Well, Isn't it?**

The children were suffering their periodical written examination and all the morning their pens spluttered and scratched. "Bring me your papers when you have finished," said the teacher. Little Mary came first and handed in her work with a bright smile. And the teacher smiled, too, when she read: "An image is an idle maid with hands."

**U. D. C. Chapter.**

The above chapter held its May meeting with Mrs. M. E. Long who was assisted by her daughter, Mrs. Julia Long Knapp. Miss Louise Nettles presided, and Mrs. Edwin Muller acted as secretary. Committees were appointed and all arrangements made for the Veteran's dinner and Memorial services May 10th. The chapter expressed thanks and appreciation for the loan of the Masonic dining hall, for that occasion. It is indeed a gracious act on the part of the Masons for we know that the lending of the hall for the use of other organizations is not to their advantage and the exception was made and the courtesy extended only in honor of the Confederate Veterans.

After a busy business session the soliciting of contributions, etc., the Chapter president turned the meeting over to the historian, who was disappointed in having several numbers fall her, but what was lacking in quantity was made up in quality when Miss Virginia Clarke gave a beautiful recitation that was warmly applauded. Mrs. Rand, of Nevada, was a guest of the afternoon.

Delicious refreshments consisting of strawberry short cake with whipped cream and hot chocolate were served by the hostess who was assisted in serving by Miss Ethel Yates and Miss Bessie Young.

The June meeting will be held with Misses Lella and Charlotte Shannon with Mrs. George Dham and Mrs. R. W. White as assistant hostesses.

**Memorial Day.**

The John D. Kennedy Chapter, U. D. C., will give a dinner on May 10th, at noon, in the Masonic dining hall. The Confederate Veterans, of Kershaw county with their wives are invited. Other invited guests are the "Women of the 60's," the speakers of the day, the musicians, the ministers of the city, Captain of the Kershaw Guard, and Commandant of the American Legion, and the Mayor of the city.

Memorial exercises will be held at the cemetery at 5 o'clock p. m. Dr. Edwin Muller will make the opening prayer, Mr. L. A. Wittkowsky will introduce the speaker, the Rev. W. H. Hodges. The Music club and the school children are requested to render some of the old Southern songs, the Kershaw Guards and the American Legion are requested to join in the Memorial exercises, marching, etc. Captain McLeod will act as marshal.

All business houses are requested to close at 4:30 p. m., and let us hope that our entire community will honor the day by lending their presence to this occasion. Let us urge the school children to attend the exercises at the cemetery, and let us urge the parents and teachers to impress this duty upon them.

"For often as the shadows fall Across the land and sea, Let us tell them how their fathers fought With Jackson and with Lee."

**Buying Stolen Fertilizer.**

Magistrate A. L. Cook, his Constable, G. N. Jones, and Constable Clyburn of Westville on Tuesday, of last week arrested Dick Kirkland colored, of the Westville community, on the charge of buying stolen fertilizer from Hills Alexander, colored, an employee on the Highland Farm. Kirkland had bought two lots of five sacks each, and made confession when caught up with. Magistrate Cook sentenced Kirkland to fines of \$125 or sixty days for the two cases, the fines being paid. He sent Alexander to the chain gang for sixty days.—Kershaw Era.

**Had Narrow Escape.**

Mr. J. M. Anderson, who resides near Cassatt was telling us of an experience he had with a rattlesnake in his yard Tuesday night. He heard the chirping of a small chicken in a coop and thinking that it was fastened in a crack, reached his hand in the coop and put his hand on a rattlesnake. He jerked his hand away and securing a light he found that when he touched the snake it had immediately bitten the chicken and killed it by the time he got back to the coop. The snake was killed and was about two feet in length and had one rattle and a button. Mr. Anderson says it was an experience that he does not care to go through again soon. The rattler was trying to swallow the chicken.

**An Appeal From the Civic League.**

The Civic League of Camden will meet in the Court House on Monday afternoon promptly at 5 o'clock. It is earnestly hoped that there will be many old and new members present. There are a number of important questions to be discussed and the opinions and ideas of the whole community are desired and should be presented.

The League wants the support of every woman in Camden by attendance at the meetings which occur regularly on the second Monday of every month. Those who can serve on committees in various lines of work have the sincere gratitude of the League but no one need feel that because they cannot give their time in this way there is no use in attending the meetings. Every question upon which the League acts is discussed by members at the meetings and put to the vote and the larger the vote the more the opinion of the majority of the citizens of Camden will be expressed in the action taken by the League on all civic matters.

There is a membership chairman in each ward as follows: Ward 1, Mrs. Jackson; Ward 2, Mrs. Webster; Ward 3, Mrs. Baruch; Ward 4, Mrs. Coleman; Ward 5, Miss Minette Boykin; Ward 6, Mrs. Tom Kirkland.

New members may give their names to the chairman of their ward before the meeting, or at the meeting and their interest and co-operation even to a very small extent will have already helped to make the Civic League of real service to Camden.

The interest shown in Clean-up week by the house holders of Camden is a proof of our civic pride and with the help of a large membership there are many ways in which the Civic League can give Camden cause for greater civic pride each year.

**The Story of Our States**

By JONATHAN BRACE  
XXII.—ALABAMA

THE discovery of Alabama is credited to De Soto in 1540. The English also laid claim to this territory and included it in the grant to North Carolina. But it was the French who first settled here erecting in 1702 Fort St. Louis on Mobile Bay and founding the town of Mobile nine years later. Mobile was for many years the capital of Louisiana. France in 1763 ceded the territory east of the Mississippi to England and the northern part of the present State of Alabama was joined to the Illinois territory. The southern portion was known as West Florida. Serious conflict with the Indians was kept up for many years. In fact, even as late as 1812, there was an uprising of the Creeks which resulted in terrible atrocities and massacres.

During the Revolution West Florida remained loyal to England, but was seized by Spain only to be turned over to the United States in 1813. This Mobile section was then added to the northern district and the State of Alabama was formed and became the twenty-second state of the Union in 1819.

The meaning of the name Alabama is variously interpreted. It was the name of an Indian tribe which inhabited this territory at the time of De Soto's first visit. After this tribe the river was named and the state was called Alabama after the river. The Indian word was supposed to mean "Here we rest," and these words are used on the state's coat of arms, but this interpretation is doubtful and its real meaning is uncertain. Alabama is sometimes called the Plantation State. Its area is 51,966 square miles.
