A Tribute To a Great American

A national committee of 250 representative men and women have undertaken to establish The Woodrow Wilson Foundation.

The purpose of the Foundation is to honor a great American and to create a method whereby public service will be encouraged and conspicuously recognized in this and future generations. From the income of the Foundation, the Woodrow Wilson Award or awards will be granted in recognition of distinguished public service.

To establish this Foundation on a fitting basis, the National Committee, through an organization in each State, will make an appeal for a popular subscription. The amount of the fund sought is \$1,000,000 or more.

The appeal will be issued to all who believe in those liberal and democratic principles that Woodrow Wilson has conspicuously championed, and who wish to perpetuate the influence of America's great war leader. After the fund has been raised a Board of Trustees, composed of eminent Americans, will be entrusted with its permanent administration.

Mrs. N. R. Goodale has accepted the chairmanship for Camden and Kershaw County, and a drive will be put on next week for the women's quota which will be \$133.00.

A committee from each ward in the city will call on the women to give each one the privilege of contributing to this great cause.

Please have your contribution ready when the committee calls.

MRS. N. R. GOODALE,
Chairman Woman's Committee,
Woodrow Wilson Foundation.

To All Baptist Churches

The quarterly B. Y. P. U. Rally of Kershaw association will meet with Providence Baptist church on Saturday, June 10th. A very interesting program has been prepared for this meeting. We urge that each church of Kershaw association send representatives to the rally as there are some very important business matters to be attended to.

One matter of business to come up is the education of an associational president.

There will be no more district rallies, but all four districts will come together and have only three rallies and one convention a year.

Each of the district vice-presidents and all other officers of the association are requested to be present at the rally meeting. J. L. Baggott, state superintendent of B. Y. P. U. work will be present.

We hope that all the pastors, B. Y. P. U. presidents and church workers will cooperate with us and make our associational B. Y. P. U. convention one among the best.

Miss Alma Pitts,
Associational Secy.

School was honored last Friday evening when Mr. Louis Douglas deLoache was a genial host at a beautiful party given at the home of his parents, Mr. and Mrs. Bratton deLoache. The hall, dining room and spacious parlor were girdled with ribbons of purple and white, the class colors, while they were flowers filled, and fragrant with the breath of summer. Amid a wilderness of bloom—sweet peas, the class flower predominated. A summer time feature out doors was particularly pleasing in the varied-colored lanterns and the inspiring "purple and white", that adorned veranda and lawn. The class colors were also emphasized in the dainty refreshments and favors white baskets of bonbons tied with purple ribbons.
The punch bowl was embedded in sweet peas, and the cool delicious beverage served during the entire evening. Dancing and games were indulged in. Especially would we mention the fancy dances given by three of the

Grammar School classes. Misses Faith deLoache, Daisy Lang, and Mollie Blackwell, before the improvised colored foot lights. It was a happy occasion and will no doubt remain a sunny memory in the hearts of the class of 1922.
And may they be safely borne along, And never stray from the right;
May they ever have guides as steady and strong, As the purple and white.

**More than a Gasoline—
a Scientifically Balanced
Fuel for Your Motor**

WHEN we introduced our improved, balanced gasoline last year the response of motorists was enthusiastic. It needed but a brief trial to become established with thousands of new friends. They have stayed with "STANDARD".

In the manufacture of this gasoline we combine the most desired properties from the crudes to give you quick starting and maximum mileage.

When your gasoline is right—and lubrication properly cared for by Polarine—you should not find

1. Chronic overheating
2. Valve seats pitted with carbon
3. Gummed valve stems
4. Uneven running, caused by cylinders missing
5. Contamination of the lubricating oil in the crank case
6. Necessity for frequent carbureter adjustment
7. Vile odor from the exhaust caused by incomplete combustion or wasted power
8. Spark plugs fouled.

Look out for these symptoms. "STANDARD" MOTOR GASOLINE will help you in avoiding them.
Use a good oil—Polarine.
