Celebrates Fifth Birthday.
Miss Charlotte DuBose, the winsome little daughter of Mr. and Mrs. C. P. DuBose, celebrated her fifth birthday Tuesday afternoon with an outdoor party at which all games dear to the hearts of children were enjoyed. Ice cream, cake and bon bons added to their pleasure. Last year little Miss DuBose entertained more than half a hundred children on a like occasion, but this time her guests were limited to the immediate neighborhood.

Birthday Party.
In honor of their little son, H. T. Lovett, Jr., Mr. and Mrs. Lovette delightfully entertained a number of little tots Monday afternoon from 4 to 6 at their home on Mill Street.

The living room was decorated with vari-colored zinnas and miniature sunflowers, while the dining room was ablaze with pink roses. The dining table was beautiful with its exquisite crochet center piece, little snow white birthday cake, adorned with three tiny pink candles—a lovely reminder of the three rosy years this dear little boy has brightened this home.

After an hour of play the kiddies marched into the dining room to music rendered on the piano by Miss Mazie Roberts, where the little birthday candles were lighted and then blown out by the little guest of honor. They were then ushered to the back piazza where refreshments consisting of candies, ice cream and cakes were served by the hostess, assisted by Mrs. W. C. Smith.

Those enjoying the occasion were the little guest of honor, H. T. Lovett, Jr., Frank Smyr Campbell, Luther and Robert Shaw, Emily Sheorn, Marion Smith Ernest Blackwell, Theodore Spradley, Vivian and Thelma Stokes, Dorothy Flowers, Ethel and Elah Evans.

Misses Leila and Charlotte Shannon are leaving this week for a month's stay in the Berkshire hills of Massachusetts.

For Near East Relief.

A rummage sale for raising money to pay freight on the clothing collected in Camden for the Near East Relief will be held on the Opera House steps Saturday morning at 10 o'clock. Every one willing to donate old clothing, hats or shoes to this is asked to send the articles either at the hour stated on Saturday, or to Zemp and Depass' drug store at any time previous, or to phone one of the committee, who will send for the articles. The Terraces formerly belonged to the Boykin family and it is said that the landscape work around this home was built many years ago by slave labor. In the gardens are trees of great varieties some of which were brought over from foreign lands and replanted here.

Miss Thompson has done a great deal of philanthropic work in and around Camden and especially will she be missed by the Catholic denomination. It was she who built and donated the handsome Catholic church on North Lytleton Street, to the Catholics of Camden.

We learn that Miss Thompson is offering her house and land for sale at \$11,000.00. In recent years she has installed all modern conveniences, such as water works, electric lights, etc., in this beautiful country home.

Miss Thompson has sold most of her household goods, consisting of rare old

pieces of furniture and silverware, which were brought over from France and other foreign cities.
