LOCAL HAPPENINGS

Hobkirk Hill Chapter.
The reassembling of the Hobkirk Hill Chapter D. A. R. after the adjournment for the summer was enjoyable in every particular. The new regent, Miss Leila Shannon, has hostess and presided with her usual impartial graciousness. There was no set programme, but quite a bit of business came up, and was disposed of.

The chapter is greatly in need of funds as the year's pledges have not been paid. In view of this fact the chapter decided to have a bridge party the last week in September, at the home of Mr. C. J. Shannon, Jr., the exact date to be given later. Tickets to this party are to be sold at 50 cents each, the chapter furnishing refreshments and they hope for a liberal patronage.

Delicious refreshments were served during the afternoon. We give below a list of the new officers and committees. Each chapter member will please keep a copy for their own convenience, as the Year Book is not out yet.

Important to D. A. R. Members.

Our president general D. A. R. says in her September Message: "Our chapters of course will not forget that we have a special obligation in making a success of Constitution week, September 16-22. This is a fitting beginning for our contemplated study of the constitution." In the observation of Constitution week all ministers are requested to preach on the subject of religious liberty using the following text, "Remove not the Ancient landmarks which thy fathers have set."

Dabney-Harding Wedding.

Charming in its simplicity, but extremely pretty in effect was the wedding of Miss Rose Eve Dabney and the Rev. Frederick Harrison Harding, solemnized at the home of Dr. and Mrs. F. M. Zemp, Tuesday, September the eleventh, at ten o'clock in the morning. The entire lower floor of this attractive home had been converted into a bower of white and green feathery ferns and graceful smilax with a profusion of white oleanders, amid which white tapers gleamed, formed the decorations that were artistic in touch and pleasing in effect.

Mrs. W. L. DePass gave a piano selection before the ceremony and also played the wedding march. The bride entered the ceremony room on the arm of her brother-in-law, Dr. F. M. Zemp, by whom she was given in marriage. Well suited to her youth and beauty was the stylish going-away dress of dark blue flat crepe with beige hat and accessories. An artistic corsage of brides roses completed the pretty and effective costume. She was met at the improvised altar by the groom with his best man, Mr. Henry G. Carrison, Jr., and they were united by Right Rev. Bishop Kirkman G. Finley with the beautiful and impressive ceremony of the Church of England.

After the ceremony, wedding cake and punch were served, the punch bowl being presided over by Miss Lucy Harding. The limited guests list included only the family and a few intimate friends.

Mr. Harding has been rector of Grace church for a number of years and has enjoyed unusual popularity with the confidence and esteem of the entire community.

The bride is the daughter of Mrs. Thomas Jefferson Dabney, of Lancaster, but has made her home for the past few years with her sister and brother-in-law, Dr. and Mrs. F. M. Zemp. She has a winning and pleasing personality and is pretty and attractive.

After a wedding trip Mr. and Mrs. Harding will be at home to their friends at the Rectory, Kershaw Park.

Back From Europe.

Mr. Chas. J. Shannon, Jr., returned last week from a delightful tour of Europe. He was accompanied by Mr. and Mrs. John T. Stevens, of Kershaw, and they were away more than a month. Upon reaching Paris the party engaged a touring car with an English-speaking driver and traveled the continent that way. Their itinerary was made out before leaving and they had no trouble or delays at any points. Upon their return to Paris they went to London and there made a tour of England, visiting almost every point of interest on that isle. In fact Mr. Shannon says they saw so much that it was hard to take it all in their limited stay. The party kept well on the trip and had a most delightful time.

Harding Memorial Stamps.

Postmaster W. D. Trantham on Wednesday received the first of a consignment of Harding memorial stamps to be placed on sale here. The Chronicle has the distinction of being the first purchaser. The stamp is an excellent piece of engraving, with a tinge of mourning showing throughout and is also an excellent likeness of the late president. The stamps were first put on sale at Marion, Ohio, and then at Washington, D. C., and Camden is perhaps the first Southern city to receive them.

Hilton-Owens.

A marriage of much interest was that of Miss Amanda Hilton and Isaac P. Owen which took place Sunday, September 2nd. The Rev. G. E. Smith, pastor of the First Baptist church of Kershaw, officiating. The bride is the daughter of Mr. and Mrs. J. C. Hilton of Westville. She attended Limestone College where she was popular among her associates.

The bridegroom is a young business man of Camden. Immediately after the ceremony, the young couple left for a motor trip to the mountains and on their return will make their home in Camden.

John Marcum, convict road camp guard and James Robinson, negro convict, were dismissed at Harlan, Ky., Tuesday on charges of having murdered Miss Lura Parsons, a school teacher, near Pine Mountain settlement, in September, 1920. Jerry Reed former negro convict, is to go on trial for the crime on October 15.

Frequent Headaches

"I suffered with chronic constipation that would bring on very severe headaches," says Mrs. Stephen H. Kincer, of R. F. D. 1, Cripple Creek, Va. "I tried different medicines and did not get relief. The headaches became very frequent. I heard of

Thedford's BLACK-DRAUGHT

and took it for a headache, and the relief was very quick, and it was so long before I had another headache. Now I just keep the Black-Draught, and don't let myself get in that condition."

Thedford's Black-Draught (purely vegetable) has been found to relieve constipation, and by stimulating the action of the liver, when it is torpid, helps to drive many poisons out of your system. Biliousness, indigestion, headache, and similar troubles are often relieved in this way. It is the natural way. Be natural! Try Black-Draught.
Sold everywhere.

Miss Mary Goodale's Dance.

The High School girls and boys have been having a wonderful vacation a long time of merry-making, that ended Friday night with a dance at the home of Mr. and Mrs. N. R. Goodale, at which their young daughter, Miss Mary Goodale, was the charming hostess and Miss Dorothy Zemp the attractive honor guest. Miss Zemp left this week for Mitchell College, North Carolina. Abbott Goodale assisted his sister in entertaining. The merry dance went on from 7:30 to 11 p. m. and was a fitting close to a happy summer. The hostess served ice cream and cake during the evening.

Get More "Shoe Mileage"

You buy cord tires because they mean more mileage—cost less in the long run. There's even more difference between shoes of all genuine leather and those that have paper or fibre in their makeup.

If you want real shoe comfort, style and economy, insist on getting the Weyenberg "ALL SOLID LEATHER" shoe. You can tell a cord tire by looking at it, but you can't be sure of getting all leather shoes by outward appearance. Paper and other substitutes are often used in parts where they will not be seen.

You can be sure of getting all genuine, solid leather made shoes by purchasing shoes branded with the Weyenberg trademark. They will wear better, look better and cost less in the long run.
