

GENERAL NEWS NOTES

Prohibition officials at St. Louis have announced the disappearance of 893 barrels of whiskey from the Jack Daniel distillery.

The Japanese government has withdrawn nine battleships from its navy in accordance with the Washington agreement.

Charles Bland, aged 72, the father of 18 children, grandfather of 60 and great-grandfather of two, has been granted a divorce by a court in Akron, Ohio, from his fifth wife. He claimed that she left him a week after marriage when he refused to give her a deed for all of his property.

E. C. Stigall, Atlanta policeman, was convicted in an Atlanta court Saturday afternoon on a charge of murder, the verdict of the jury being voluntary manslaughter. He was given a sentence of fifteen years in state prison. His victim was W. H. Hames, a private detective.

The legislature of Alabama has passed a bill to substitute the electric chair for the hangman's noose for executions in that state.

Five men have been arrested at Semjary, Miss., on a charge of having caused the death of a sixteen year old boy by selling him illicit liquor.

During the year 1922 Texas produced 100,000,000 barrels of petroleum, having a value of \$250,000,000.

Dr. David B. Guster, of the Manayunk district, near Philadelphia, has resigned the position of police doctor after thirty-one years of service because of the distastefulness of examining so many men in serious condition from drinking poison whiskey.

One man was killed and four other persons were more or less seriously injured in New York Tuesday when the car in which they were riding hit an electric light pole. The car was traveling at a speed of sixty miles an hour when the pole was hit.

The officers of Greenville rounded up more than a half hundred vagrants last week, and are sending them away or to the chängang. Sheriff Rector says the idlers are committing many crimes, and his object is to get rid of them.

Seven dead and nine injured was the toll of a brick tenement house fire in Jersey City, N. J., Sunday.

Egyptian women are demanding that they should be set free of the convention of wearing veils and of living in harems.

The number of married women employed in mechanical industries in the United States increased forty-one per cent between 1910 and 1920.

The Pennsylvania Railroad, since the merger of its accounting department in Philadelphia, has 300 girl clerks alone in this department.

Miss Joan Proctor, considered the world's greatest snake charmer, has been chosen to take charge of the reptiles at the London zoo.

As Supreme Commander of the Woman's Benefit association, Miss Bina M. West, of Port Huron, Mich., receives a salary of \$20,000 a year.

Mrs. Louise Billie, of Detroit, Mich., heiress of \$100,000, will devote her life to washing for the poor, and for which she will accept no pay.

THINGS WORTH KNOWING.

A lamp that rivals the light of the sun has been invented by a Swede. Under the light of this lamp colors may be matched as accurately as if they were being viewed in the sunlight. The invention is the result of a series of experiments by a Stockholm company headed by the Nobel prize winner, Dr. Gustaf Dalen.

Five hundred times more narcotics in the form of opium and its derivatives, are produced than are legitimately needed. The average age of the 50,000 known addicts in New York state is 23 years.

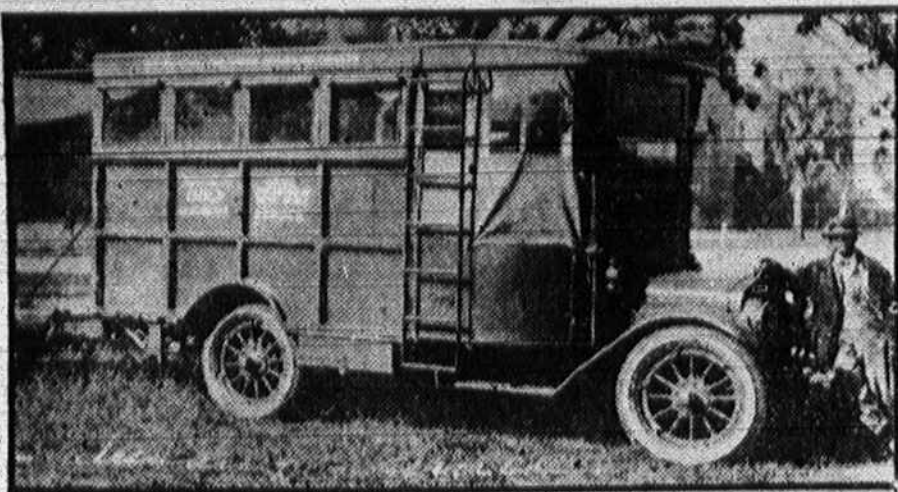

The Desert Touring club of Alexandria, Egypt, has fifteen members, including Albania, British, French, Greek and Italian. With three cars they tour thousands of miles over the Sahara Desert.

If the 150,000,000 acres now in farm wood lots in the United States were placed under sound forestry methods they would yield substantial revenues to their owners, as well as lumber to help relieve the timber shortage which has already begun to be felt.

There are twice as many cars and trucks in Hawaii than there are in all China.

The last type set by Warren G. Harding has been plated in gold and sent to Washington to be kept with other relics of the late President. He set the type in the composing room of the Fairbanks News-Miner. At that time he was presented with a gold "make-up" rule by printers of interior Alaska.

"The United States must stop killing its presidents," said Mrs. Douglas Robinson, sister of the late Theodore Roosevelt, in commenting on the death of President Harding. "No man who comes to the presidency after the age of fifty can bear, without serious cost to his health, the enormous obligations put upon him by the American people."

Child Welfare Truck.

Two successful clinics were held on Monday, one at the Wateree Mill village when thirty-five children were examined by Dr. S. C. Zemp and Dr. C. A. West and the usual number of defects found. A clinic for the colored children was held at the school for colored children, Dr. J. P. Pickett examining.

Wednesday Dr. E. Z. Truesdale was in charge of a splendid clinic in Bethune when sixty-one young children were examined. Another clinic under Dr. Truesdale was held at Cassatt with twenty present.

On Thursday morning a clinic will

be held at the Hermitage Mill village under Dr. Zemp. In the afternoon Dr. Sanders will attend a clinic at Lugoff. This truck which is sent out by the Bureau of Child Hygiene of the State Board of Health will be in Camden on Friday, and will park at the old Court House. The hours for the clinic will be 10 to 12 a. m. and 2 to 4 p. m. Dr. W. Cornell, of Columbia, baby specialist will be in attendance assisted by local doctors. The first and second grades will be examined for ear, throat and nose troubles in the afternoon. Dr. Ralph Dunn of Sumter will be in charge of this examination.

Is your child up to the standard?

Wedding in Colored Society.

(Written for The Chronicle.) The marriage of Daisy D. Pickett to Sidney J. Hemphill of Rock Hill, S. C., was solemnized at the home of the bride's brother, Dr. J. P. Pickett, on Wednesday afternoon, September 19th, at 5:30 o'clock. A host of admiring friends assembled for the occasion and Mother Nature aided generously by lending all her charms to the occasion, for the afternoon was clear and beautiful. The bridal arch which had been very neatly arranged back in the alcove of the spacious parlor, was beautifully bedecked with an artistic entanglement of ivy, ferns and goldenrod. The gentle chiming of wedding bells heralded the approach of the party.

Music for the occasion was rendered by Alta Mai Thompson, pianist and Washington, violinist; vocal selection, "I love you," by Mrs. Reese of Rock Hill. The bride was escorted in by her brother, Dr. J. P. Pickett. Rev. W. P. Williams of Winnsboro officiated. The bridal party consisted of the following: Ella Pickett, maid of honor, Blocker of Beaufort, bride's maid and Hemphill of Rock Hill. Ella Pickett as usher to the bride, Hays of Rock Hill, best man, and Hunt and Gathings, Charles Pickett, son of Dr. Pickett, as ring bearer.

The bride was dressed in a costume of blue tricotine, with hat and accessories to match and bore a beautiful bouquet of roses and ferns. The bride's maid was dressed in a gown of pink mesaline satin with hat and accessories to match, and bouquet of roses and ferns. The other bride's maid wore a pale blue mesaline satin trimmed in black spanish lace, and bore a bouquet of roses and ferns. The maid of honor, Ella Pickett, wore a gown of gray canton crepe. The little flower girls were dressed uniformly in white organdie.

The men were uniformly dressed in black Tuxedos. At the end of the ceremony the guests were served with ice cream and cake and shortly afterwards the entire party accompanied by many friends motored to the station where the newly weds entrained enroute to Washington, where they will spend their honeymoon.

FINAL DISCHARGE.

At Ninety-One Still Keeps Up.

B. J. Wilson Says Dr. Thacher's Liver and Blood Syrup Keeps Him Going.

"Although I am ninety one years old I hardly feel half my age, and it is Dr. Thacher's Liver and Blood Syrup that keeps me going," said B. J. Wilson, of Humble, Ky.

"I had been suffering for years from kidney trouble and constipation. My back was weak and hurt me down about my kidneys, and my liver was inactive, causing headaches and constipation.

"I got half a dozen bottles of Dr. Thacher's Liver and Blood Syrup to take and now I wouldn't take a thousand dollars for what those six bottles have done for me. I feel almost like a young man again and believe it has given me a new lease on life."

Dr. Thacher's Liver and Blood Syrup is sold by all druggists and the purchase price will be refunded if you are not satisfied.
