**EAST NOT GUILTY.**

Of Shooting Men, But Held For Death of Girl.  
 Georgetown, Oct. 26.—James D. East, of Andrews, charged with the killing of H. Dunham Herring and the wounding of Louis Ballenberger at Andrews last month was found not guilty here tonight. East is held for accidental killing of Miss Vernie Altman who was hit by a stray bullet at the time of the shooting.

The trial of East began yesterday morning when the indictment was read and the defendant pleaded not guilty. A number of witnesses were heard and strong arguments put up by both the State and the defense. East was represented by Walter Hazard and G. L. Taylor, of Georgetown, and Leroy Lee, of Kingstree. The three brothers of the defendant were by his side during the entire trial. The State was represented by Solicitor L. M. Gasque, H. L. Smith, Jr., and M. W. Pyatt.

Following the taking of testimony and the arguments by counsel the case was given to the jury at 5:30 o'clock this afternoon. Two hours later the verdict of not guilty was returned. The court house was practically deserted at the time the jury made its report as it was not generally expected that the jury would agree in such a short time. During the trial yesterday and up to the time the case was given to the jury the court house was packed, as there was deep interest here in the hearing.
