

Old Folks' Ailments

"I began taking Black-Draught over fifty years ago and my experience with it stretches over a good long time," says Mr. Joe A. Blake, a former Virginian, who is now a prominent citizen of Floyd, Texas. "It is the best laxative I know of for old people. A good many years ago, in Virginia, I used to get bilious and I found that

Theford's BLACK-DRAUGHT

was the best and quickest relief I could get. Since I came to Texas I have these bilious attacks every now and then—a man will get bilious anywhere, you know—and I find that a little Black-Draught soon straightens me out. After a few doses, in little or no time I'm all right again."

Theford's Black-Draught is a purely vegetable liver medicine, used in America for over eighty years. It acts on the stomach, liver and bowels in a gentle, natural way, assisting digestion and relieving constipation. Sold everywhere.

GIRLS LIKE WINTHROP

Two Kershaw County Girls Tell of Their Stay at Short Course.

Two letters written by club girls attending the State Short Course for Home Demonstration Club members held at Winthrop College from June 5-13 are given below. The chief forms of amusement seemed to be sliding down the fire escapes and walking from one building to another. It is noticed these activities are not mentioned. The girls almost unanimously decided that it would be great fun to go to Winthrop to college.

From Miss Fletcher.
Rock Hill, S. C., June 9, 1924.
My dear Club Girls:—I am attending the State Short Course at Winthrop College, which I assure you is indeed a wonderful privilege. I am from Kershaw county. I won this trip by having the best record in the Kershaw Home Demonstration Club. In the Short Course we are quite busy doing things which will be helpful, such as sewing, egg judging, manual training, gymnastics, and many other things I will not take time to mention. The thing I like best of all at Winthrop is the regularity. We have a certain time for everything and everything is done at that time regardless.

And another thing, if you want plenty of good food come to the Winthrop Short Course next year. Every night at eight o'clock we have some kind of entertainment. Last evening, being Sunday, we were very lucky in hearing a lecture on "Religion and Education" by Dr. Roy Thomas, of the college faculty. Any one who has heard Dr. Thomas will know the talk was good. Another nice thing at the Short Course is the health contest given free of charge to all Club Girls. We are interested in knowing about our health. In closing, I wish to express my appreciation to Mr. Allen B. Murchison for my trip. Club Girls, you will have to work hard and win this fine trip to see how nice it is. We are a happy band of girls and I hope every one of you can attend the Short Course next year.
Yours truly,
Ina W. Fletcher.

From Miss Severance.
Winthrop College, June 9, 1924.
Dear Club Girls:—I am one of the girls from Kershaw county who was fortunate enough to win the trip to the State Short Course held at Winthrop College from June 5-13. I belong to the sewing club at Bethune and won this trip by my work done in it. I have been a member only nine months but have done my best work at all times. I was honored with a prize of two dollars for having worked the best button-hole at the County Fair and it is needless to say that I appreciated it. It was an inspiration to me for a greater and better work.

We have the best place in the world to meet. I like Winthrop for several reasons: first, because it is such a pretty place. Those of us who are making our first visit here are very much delighted with the beautiful scenery. Another reason why I admire the place is because of its rules. Everything is done on the exact minute, bells are rung, making this possible. Some of the most important rules of the college are: No one must leave their room until 6:45 a.m. and must keep quiet until then; no one must leave the campus without permission; every one must answer to roll call at 9:20 each night, and all lights must be out at ten o'clock. Persons who obey these and a few other rules can stay happily at this college. Last of all I like this place because of the entertainment it affords to visitors. We have very comfortable beds and most delicious things to eat all the time. These are two things that help us enjoy our stay here more.

We have had an interesting entertainment for several nights. Friday night some of the ladies gave all the girls and women an informal party, and Saturday there was a moving picture for us in the auditorium. We all enjoyed these and know that we shall enjoy the others the rest of the time.

There are about 250 girls and an equal number of women here taking this course. The classes that we have had are: Sewing, beautifying the Home Yard, manual training, my own room improvement, and appropriate dress for girls. These were taught by excellent teachers. Besides these lessons we are having the benefits of being in a health contest, which is free of charge to us. This is the most important part of the course for all of us want to be healthy.

In closing I wish to thank all who have helped give me this wonderful opportunity to be here and attend these classes. I certainly do appreciate it for I know I shall be benefited, and I hope that every club girl will eventually attend these Winthrop College classes.

Sincerely yours,
Frances Severance.

First Summer Hard on Baby

"My baby was in perfect health till summer came, then she became sick and fretful," writes Mrs. D. D. Malone, of Perry, Fla., "and she was so poor and weak I was afraid I'd lose her."

"I gave her Teethina and she soon got well and is now fat and healthy as a pig."

Mothers who worry because of their little one's fretfulness should do as Mrs. Malone did—give the child Teethina and she may go to sleep content that her child is well cared for and free from distress.

Teethina not only relieves stomach and bowel troubles, but quiets the nerves without the use of opiates or harmful drugs.

Teethina is sold by all druggists, or send 30c to Moffett Laboratories, Columbus, Ga., for package and FREE BOOKLET ABOUT BABIES

WHITE COUPLE HELD

May Be Charged With Violating White Slave Act.

K. D. Wallace and Mrs. Irene Rose, white, were arrested in Columbia Friday shortly after the arrival of a motor bus from Camden. J. P. Hart, federal officer, was at Camden when the couple left that place and he wired Chief Strickland to hold them. The chief delegated Detectives Shorter and Allen to meet the bus and they brought Wallace and Mrs. Rose to prison. Opposite the names of the man and woman on the blotter was marked, "vagrancy and held for investigation."

Officers questioned the woman and after listening to her story took steps to have federal agents investigate alleged acts of Wallace to determine if the white slave act had been violated by him.

Mrs. Rose talked freely to officers. They said she expressed delight when she discovered that officers had taken charge of Wallace. She said her home was in Greenville, Ky., where she left her husband several years ago. She told officers that she met Wallace at Asheville and that he carried her to New York, Washington, Danville, Salisbury, Greensboro, Charlotte and other points. The woman declared that Wallace forced her to earn a living for both, officers said.

Officer J. P. Hart said he learned Friday that Wallace and Mrs. Rose left Charlotte Friday and spent that night in Lancaster. He said he saw them on the bus at Camden and his attention was directed to them as they argued over something that happened at a boarding house there Friday. The officer said he had the white slave act in mind when he wired Chief Strickland to apprehend them on their arrival in Columbia.

Mrs. Rose is an attractive looking little woman and officers say she told a "straight story." Wallace is known in Columbia. He originally came from Darlington county, according to officers.—Saturday's State.

K. D. Wallace and Mrs. Irene Rose, who were arrested in Columbia Friday shortly after their arrival from Camden, will be defendants in the United States court on charges of violating the white slave act. Warrants were issued yesterday by federal agents and the commissioner fixed bond for Wallace at \$3,000. Bail for Mrs. Rose was fixed at \$1,500.

Pageland Woman Murdered.

Dr. J. E. Rutledge of Lancaster received a telegram from Pageland Wednesday just before noon stating that his niece, Mrs. Vera Gethings, had been shot and fatally wounded by her husband in the early part of that morning. The shooting was the result, it is said, of a family quarrel. Mrs. Gethings had sent for her father, W. T. Rutledge, with a view of bringing about peace, but when this was found to be impossible she with her father left her home, presumably to go to the home of her father. When about 85 yards from her home Gethings fired on his wife and her father with a pistol, one bullet striking Mrs. Gethings in the back of the head. She was taken immediately to a Monroe hospital and died while on the operating table. Mrs. Gethings before marriage was Miss Vera Rutledge, daughter of Mr. and Mrs. W. T. Rutledge of Pageland and was a most estimable young woman. She was about 35 years old and a member of the Pageland Baptist church. The body was brought to Pageland for burial Thursday morning. The unfortunate affair has caused much sadness in the community where the deceased lived as well as in Lancaster county where Mrs. Gethings was widely connected.—Lancaster News.

New York police have four men under arrest in connection with the \$125,000 mail robbery in that city last Tuesday. On one of the prisoners was found a watch valued at \$1,000 and a lot of unset diamonds. Two of the prisoners are men who were free on bonds of \$20,000 and \$25,000 each in other robbery cases.

The Mormon church, according to a Salt Lake City dispatch, is giving up its missionary work in Japan, because it is finding after twenty years of effort that the field is not fruitful.

THE CITADEL THE MILITARY COLLEGE OF SOUTH CAROLINA VACANT SCHOLARSHIPS.

A vacant scholarship in Kershaw County will be filled by competitive examination to be held at the county-seat on Friday, July 11th. Applicants must be at least sixteen and not more than twenty years of age, and must meet the educational requirements for admission to the Freshman class, which is a certificate from an accredited four-year high school covering fifteen units, or an equivalent examination.

This scholarship covers tuition, board, uniform, hospital, laundry and room.

The Citadel is a liberal arts college, offering electives in civil engineering, sciences, language and literature. It has a splendid new plant with modern laboratories and equipment.

It has an excellent military system, having been rated by the War Department continuously for many years as "distinguished military college."

It provides thorough physical training under competent supervision, and encourages all athletic sports.

An inspector says of it: "It is so superior in all its methods, it must be classed alone."

For catalog and blanks, write to COL. O. J. BOND, President The Citadel, Charleston, S. C.

Hupmobile

The Hupmobile axle drive Gear is drop-forged 3 1/2 per cent nickel steel, case-hardened, double heat-treated, 30 per cent stronger than weight of car requires. Lesser construction involves only straight carbon steel—not nearly so long-wearing—and much lighter.

A Futile Hope

Don't Expect Hupmobile Quality in a Car Less Finely Built

You know what a marvel the Hupmobile has been—you know its rugged performance over long periods—you know the high resale value it has always commanded.

The Hupmobile parts shown in the Parts Display and the processes of manufacture described, not only tell why, but they reveal the fallacy of hoping to get Hupmobile qualities in any car less finely built.

The whole question of price and value, money's worth and satisfaction, is bound up in these immensely important exhibits.

Come in and have us show you the Parts Display before you think of buying any car.
