

Bowel Troubles Soon Relieved

The first two years of baby's life are the most trying on mothers. Inconstant care must be exercised by the mother in baby's diet. Its little stomach is so easily upset and bowel troubles are a constant menace. At such times Teethina will assist in keeping baby well and greatly lessen the mother's anxiety.

Mrs. John W. Mobley, Route 3, Whigham, Ga., writes: "My baby had chills and fever. He was very sick and his bowels were loose. My doctor gave me a medicine for him, but it didn't do him any good. I started him on Teethina and he soon got over the trouble and is now well and lively as a kitten."

Teethina is sold by all druggists, or send 25c to Moffett Laboratories, Columbia, Ga., for package and FREE BOOKLET ABOUT BABIES

United States Senator E. D. Smith narrowly escaped death, about four miles west of Florence on the Timmonsville highway late Friday when his automobile was run into and completely demolished by an automobile driven by Will Green of the Timmonsville section of Florence county. The senator, who was accompanied by his daughter and sister, received only minor injuries. Green is in a Florence hospital in a serious condition, suffering internal injuries. Senator Smith had been attending the Pee Dee fair, and was on his way to his home in Lynchburg when the accident occurred.

A barn on the place of J. E. Saratt who lives near Gaffney was destroyed by fire together with two mules last Friday, entailing a property loss of \$2,000 with \$400 insurance.

Speaking to a Democratic gathering in Washington Saturday night Congressman W. F. Stevenson declared that under the Harding regime post offices were sold in South Carolina at from \$75 to \$500 each. Mr. Stevenson stated that the individual who is aware of the proof as a result of the examination has been dispatched to the Pacific coast by the administration and that the result of the investigation will not be official and public property until after the national election. "John W. Tolbert," said Mr. Stevenson, "knows more about the dispensation of Federal patronage in the South than any other man, not even excluding Bascom Slemp, the secretary to the president." Tolbert is Republican national committeeman in South Carolina and one of the president's bosom companions in the South.
