THE RAZZ BALLOT

WHO DO YOU THINK IS THE WORST ACTOR
(OR ACTRESS) ON THE SCREEN?

Many have been the times that you have yearned to tell the manager who you thought was the worst player on the screen. We feel that you are doing us an injustice when you keep your valued opinion from us, for few people tell the management what they really think of the supposedly screen favorites.

You will be a great factor in furthering the progress of the industry by helping us weed out the lemons and giving the plums their chance by filling out the straw ballot and leaving with the cashier as you pass in.

CAUTION: Do not write the Manager's name on ticket.

BALLOT

By this token of extreme disgust and injured entertainment, I hereby proclaim

to be the worst actor (actress) on the screen.
