YOUNG BOY ACQUITTED

Florence Athletic Star Not Guilty Liquor Charge

Florence, March 7 .- A. verdict of not guilty was returned by a jury in the United States court here yes terday in the case against George Keels, charged with violation of the prohibition law. Keels is a Florence high school student and is captain of the football eleven. He was awarded a position on the all-state high school football team last season. It was established in the testimony that young Keels had been sent to round up some cattle, on his father's place some distance from the city and reached the farm as officers were raiding for illicit stills, one of which they discovered. Young Keels main tained that he had no knowledge of the still nor any connection with it. Some time after the incident a warrant was taken for his arrest. A great deal of interest was shown in the trial because of the prominence of Keels in athletic circles and the fact that he is a mere boy. K. Hudson tried on similar charges in connection with the same case was found guilty of having an illicit still in his possession and was sentenced to pay a fine of \$350. A motion for a new trial was denied.

New Program Projected With the 75 Million Campaign finished. Southern Baptists have now entered upon the 1925 Program which embraces the support of state, home and foreign missions, Christian education, hospitals, orphanages and ministerial relief, on the basis of yearly rather than a five-year's subscription. It is hoped to raise this year a minimum of \$15,000,000 among Southern Baptists for these causes or the equivalent of the goal for a single year in the former movement. It is pointed out that only 37% churches of the South had a definite

per cent of the members of Baptist share in the support of the 75 Million Campaign It is the ideal of the 1925 Program to eplist every member of every church in giving at his regular church services, to every cause, according to his ability through his church treasury

With the hope of more fully enlist ing the Baptist men of the South in definite Christian service. Dr. J. T. Henderson of Knoxville, secretary of the Laymen's Missionary Movement of the Southern Baptist Convention, is promoting a series of men's conferences in the majority of the Southern states during March. In this way it is hoped to bring before the men the needs of all religious enterprises fostered by Southern Baptists and, having informed them, then entire adequate support of all the
