

HERMITAGE WAS WINNER
 Won Close Game From Sumter Team Thursday Afternoon
 (Friday's Sumter Item)
 A pitcher's battle between Nunnamaker for the locals and Williams for the visitors on Thursday afternoon resulted in a victory for Hermitage Mills of Camden by the score of 5 to 2, for in the third inning the Sumter team let down and tried to see how rotten they could play. A combination of hits and errors gave the visitors five runs before Nunnie struck out the last two men, but it was a plenty to win the game with several to spare. Outside of this third inning the contest was as

pretty a diamond battle as any one would wish to see.
 Dick Moore's proteges started off well, when with two out in the first, Suber slammed the ball way out in right field and it got lost in the bushes back of some cars and when it finally showed up the runner had already crossed the plate and one tally was chalked down for the Sumter team. In the second inning the locals duplicated, when Allgood was hit, Harvin sacrificed him to second, he stole third and came on in when Dodgin made a bad throw to third. It was the only chance the locals really got a chance to score, for the Hermits gave their pitcher bang-up support, not a single error being credited against any of them,

except Dodgin's bad throw.
 In the third Threatt started off with a hit and Fagin behind him also singled. Skinner made a bad throw and Dodgin was safe. With the bases crowded Nunnie struck out Barnett, but Lynch hit a stinging drive to right field, two tallies crossing the plate. A minute later when Skinner let a grounder through him, two more tallies were counted and Barwick made a fuzzle and the fifth man crossed the plate. The pitcher then struck out the next two batters.
 Several times after that the visitors, who have as fine a team as has visited Sumter in many a day, had chances to score, but they were not able to put over the necessary hits with Nunnamaker pitching superb ball.
 Neither pitcher walked a man and Nunnie struck out twelve, while the visiting pitcher struck out ten. The local moundman allowed 5 hits, four of them in one inning, while Williams gave up three hits, and hit one batter.
 Score by innings: R. H. E.
 Hermitage . . . 005 000 000—5 5 1
 Sumter . . . 110 000 000—2 3 8
 Batteries: Hermitage, Williams, L., and Dodgin and Barnette; Sumter, Nunnamaker and Moore.
 Home-run, Suber; two base hit, Lynch.

Homes For Sale

We have for sale a number of very attractive homes all well located at prices below replacement cost. Three houses are new and are completely furnished. Very liberal terms can be arranged on most of them. Camden real estate is sure to advance greatly in the fall.

NOW IS THE BEST TIME TO BUY YOUR PERMANENT OR WINTER HOME

Who Lost This Tag?
 Two white boys, giving their names as Ernest Avon and Fred Hilburg, who were arrested here Friday on the charges of stealing a Dodge automobile from its owner at Lumberton, N. C., were turned over to officers from Lumberton Saturday morning and taken back to North Carolina to face trial. A pedestrian by the name of A. B. Gunnells, of Covington, Ga., whom the boys had given a lift, decided from the actions and conversation of the two that the car was stolen, and when the party rolled into the Pryor Service Station communicated his views to Mr. W. T. Betts, who summoned an officer and had them arrested. Avon and Hilburg said they first went to Camden, and then to Charlotte, to avoid toll bridges, as they had no funds. They said they had taken a license tag from another Dodge car while in Camden.—Chester Reporter.

Tribute of Respect
 Whereas it has pleased Almighty God to remove from our midst our late president, Cora S. Boykin; and
 Whereas, we feel her loss most deeply and that her place can never be filled; and
 Whereas, her death is not only a loss to our club and community, but to neighboring clubs and communities, and the state at large; and
 Whereas, the intimate relations, long held by our deceased president, with the members of this club, render it proper that we should show our appreciation of her services as our president, and therefore be it
 Resolved, by the members of this club: That while we bow with humble submission to Him who doeth all things well, we do not less mourn the loss of our president, who has been called from labor to rest.
 Resolved, that in the death of Cora S. Boykin, this club has lost one who has always been active and zealous in her work as a club member, prompt to advance the interest of the club, devoted to its welfare and prosperity; an honest and upright woman, whose virtues endeared her, not only to this club, but to all of her fellow citizens.
 Resolved, That her work be held as a monument to the members of this club, and her life serve as a beacon light to the community.
 Resolved, That this club extend its deepest sympathy to the family and relations of our deceased president, in this, their sad affliction.
 Resolved that a copy of these resolutions be sent to the family of our deceased president; That a copy be sent to the Camden Chronicle, the Wateree Messenger, The Recorder-Indicator and the National Notes.
 Respectfully submitted,
 The Uplift Club.

So Weak Couldn't Stand
 "My wife's health broke down and for years she was just a physical wreck," says Mr. Thomas Glynn, of Gibson, La. "We did everything we knew, yet she seemed to get worse and worse. She was so weak till she couldn't stand, and had to be carried like a baby. It looked like nothing would save her that had been done."
CARDUI
 For Female Troubles
 "I began looking around. I knew that Cardui was for women. I decided to try it for her as all else had failed. She couldn't eat, she couldn't sleep, and I was desperate. After taking a few doses of Cardui, we were so glad to note that she wanted something to eat, and with each bit of nourishment, and each day's doses of Cardui, she grew stronger and got up out of bed. She is now able to cook, and stronger than in a long time."
 Cardui has been in successful use for nearly 50 years in the treatment of many common female troubles.
 All Druggists' E-108

When Imhotep, "the architect of the King in Upper and Lower Egypt," was designing the beautiful temple of Zoser, 3100 B. C., the ancestors of King Minos of Crete were living in wattle-and-daub huts, making crude pottery and chipping stone, and the architect of Stonehenge had not yet seen the light of day.

Architects, Millwrights, Contractors, Builders, Farmers and Carpenters

Simplex Convertible Level—A fine instrument for determining rise and fall of the ground before building and plumbing walls during course of construction. A very fine instrument for \$90.00.

Built on Experience

There's sound logic in the reasoning of hundreds of thousands of motorists who buy "Standard" Gasoline because they have faith in the products of an old-established business.

They're right. You can't learn all there is to know about the refining of petroleum products in two or three years. It takes long years of experience. We have been in the game for two generations and we're still learning and still improving our methods and our merchandise.

STANDARD OIL COMPANY (New Jersey)

"STANDARD" GASOLINE

▲ PRODUCT OF 55 YEARS' EXPERIENCE IN REFINING

A Wonderful Discovery

The remarkable herb 'HOB0' as analyzed by Schwartz was found to contain besides other principles a variety of acid which he named Galitanic Acid. He also found it to contain a peculiar acid discovered by Schwartz and Rochleder and named Ribichloric acid. This has been used in dropsy congestion of the spleen, Scrofula and Leprosy with good results. In recent years this herb has been discovered growing in East Texas and Louisiana and further experiment has shown that its wonderful purifying properties were due to its action on the kidneys.

The Hobe Medicine Company, of Beaumont, Texas, make an effective balm from this herb and call it Hobe Kidney and Bladder Remedy. This balm being said to be a Diuretic, Aperient and Anti-Scorbutic.
 Six bottles—a guaranteed treatment—costs \$6.00.
