Sumter Man Victim Of Thrilling Holdup

Joe Campbell, young Sumter man, was the victim of a holdup, followed by a gun battle with the holdup men in the Wateree Swamp late Saturday night. Young Campbell was on his way to Milan, Ga., when the holdup occurred.

Some miles out of Sumter Campbell noticed a Buick sedan in front of him but paid no particular attention to it. Soon after reaching the Wateree Swamp the Buick stopped suddenly in front of him and one of the passengers waved for him to stop. Campbell stopped and the man walked up and asked him for a pair of pliers. Campbell got the pliers but when he turned around to hand them to the man he was confronted with a pistol and ordered to put up his hands. He did so and the holdup man took \$38 from his pocketbook.

After getting the money the robber returned to his car and drove off at a rapid rate of speed. Campbell drew a pistol from the pocket of his car and opened fire on the fleeing machine. One of the holdup men returned the fire shattering the windshield and striking Campbell's car in one other place.

The robbery was reported to the Columbia police by Campbell as soon as he arrived in that city, but no clue to the identity of the holdup men has yet been obtained.—Monday's Sumter Item.

Young Lancaster Man Meets Tragic Death

The tragic death of Shirley B. Nisbet, which occurred about three-thirty o'clock Thursday afternoon at Fort Bragg, N. C., has caused widespread sorrow and regret throughout Lancaster county. Shirley was a member of the party of six boys who went to the Citizens Military Training Camp at Fort Bragg on the 16th of June. The information first reaching Lancaster late on Thursday evening was to the effect that he had been drowned in the camp swimming pool. Later information would seem to confirm the belief that it was not strictly a case of drowning, but rather that he suffered a heart attack while in the water, and died as a result of it, as life guards and surgeons worked with him for hours before they abandoned the effort to resuscitate him. Shirley had gone to the swimming pool to take the lifesavers' swimming test that is a part of the training given at the camp and it is a source of satisfaction to his relatives and friends to know that he died as a soldier would wish to die—in the line of duty and in the effort to qualify for the saving of others.

Chaplain L. M. Hall of the camp came to Lancaster late on Friday evening bearing letters of condolence to Mr. and Mrs. J. D. Nisbet, Shirley's parents, from Colonel Cox, commander of the camp, and also a diagram of the pool and a description of the circumstances attending the tragedy, and stated that, as mentioned above,

he died in line of duty. To quote from the official record:

"Witnesses said he sank without an outcry. A comrade who attempted to rescue him was pulled under the water, and both boys were brought ashore by Sergeant Adart Adams, a life guard. All efforts to resuscitate the young man proved futile, although Capt. J. F. Liberman of the medical corps, the life guards and two of his comrades worked for four hours. Philip Eisman of Marion, S. C. and Walter Jones of Rockingham, Citizens Military Training Camp students, were commended for their intelligent and helpful efforts a resuscitation of their comrade, in a special order issued by Colonel Creed F. Cox, commanding officer."—Lancaster News.

Delivery Truck Stolen

A bold thief went to the home of Mr. L. L. Moore Sunday afternoon and drove off in his Ford delivery truck and neither the car nor driver has been seen since. The car was parked in front of his residence and a neighbor saw the negro drive off, but thinking that Mr. Moore had sent after the car did not pay any attention to it. Police in all nearby cities were notified and description and motor number given.

Early Clarence Puryear, of Sumter, died in a Columbia hospital on Sunday aged 37 years. His home was in Virginia, and he was a steam shovel operator who was run over by a truck last Tuesday necessitating the amputation of one leg.
